TO: Mr. Douglas J. Preisse
Mr. William A. Anthony, Jr.
Mr. Michael F. Colley

FROM: Mr. Michael Stinziano
Mr. Matthew M. Damschroder

DATE: October 24, 2008

RE: Machine Allocation on November 4, 2008

The Director and Deputy Director of the Franklin County Board of Elections recommend the attached DRE machine allocation of 4,639 voting machines for the November 4, 2008 General Election. This proposal is intended to supersede the previous allotment plan presented to the Board.

The allocation of 4,639 ES&S DRE iVotronic machines utilizes all DRE machines approved for use in the November 4, 2008 general election. This allocation takes into account the number of registered voters in Franklin County as of the close of registration, absentee ballot requests received to date, consideration of ballot length and the four factors listed in Secretary of State Directive 2008-64.

Respectfully submitted.

Michael Stinziano
Director

Matthew M. Damschroder
Deputy Director
