

BOARD OF ELECTIONS

Michael Stinziano, Director Matthew M. Damschroder, Deputy Director

NOTICE

Per Secretary of State Directive 2008-64, the Franklin County Board of Elections is posting the current planned allocation of voting machines, tabulating equipment and marking devices. This plan will be presented before the Board at a special meeting on Friday, October 24, 2008. At that time, the Board may make changes to the current version of allocation which will then be updated as needed. In addition, below are explanations of all acquisition and allocation questions identified in Secretary of State Directive 2008-64 that require an explanation or response.

Respectfully submitted,

Michael Stinziano
Director

Matthew M. Damschroder
Deputy Director

Acquisition of Voting Equipment

- The total number of voting machines, tabulating equipment or marking devices available for distribution and use on Election Day.
 - 4,639 ES&S iVotronic

- Whether the Board intends to use all its voting equipment acquired and if not, what percentage of voting units the board will not use for the general election.
 - The Board intends to use all its voting equipment acquired for the general election.

- Whether the board has acquired additional voting equipment since the previous general election and, if so, the number of units acquired and the make and model of the voting equipment acquired.
 - The Board has acquired additional voting equipment since the previous general election.
 - The number of units acquired are: 100 rental units
 - The make and model of the voting equipment are: ES&S iVotronic

- Whether the board followed the Secretary of State's guidelines for acquiring the necessary minimum number of voting units for each general election, as described in Directive 2008-64.
 - **The Board followed the Secretary of State's guidelines for acquiring the necessary minimum number of voting units**
- If the board of elections has not followed the Secretary of State's guidelines or has deviated from the guidelines, the reasons why the board has not followed the guidelines or deviated from the guidelines.
 - **Not applicable**

Allocation and Distribution of Voting Equipment

- The number of voting machines, tabulating equipment or marking devices to each precinct for the general election.
 - **See attached**
- The total number of registered voters in the county and a list of precinct names along with the number of registered voters in each precinct.
 - **846,343 / See attached**
- The voter turnout in each precinct from a similar election
 - **See attached**
- Whether the board has followed the Secretary of State's guidelines for allocating voting equipment.
 - **The Board followed the Secretary of State's guidelines for allocating voting equipment**
- How many voting machines will be kept at the board of elections office, if any, to deploy on Election Day to precincts experiencing long lines or machine malfunctions.
 - **The Board will allocate 13 machines to repair crews. One machine will be kept at the Board's warehouse on Election Day.**
- If the board has not followed the Secretary of State's guidelines in allocating voting equipment or has deviated from those guidelines, the reasons why the board has not followed or deviated from the guidelines.
 - **Not applicable**
