The following items were reported incorrectly on the pre-general finance report.

1. Check 1259 for 194.60 was reported as 194.00
2. Check 1295 for 80.00 was reported as 50.00

The total expenditures should be \$30,990.35. The balance on hand should read \$78,414.81.

I have also included copies of returned checks that were not included in the previously filed report.

Please let me know if there are any further questions.

Thank you,

Bonnie Brizendine  
Deputy Treasurer

Reading Columbus City Code 2321.53 in conjunction with Ohio Revised Code 3517.10, it is my understanding that any contribution over \$100, as prescribed by form 31-A by the Secretary of State, requires the primary occupation and employer of the contributor.

The above information was inadvertently omitted from the 2009 finance reports that were filed with the Franklin County Board of Elections. Below I have listed the information missing from the reports.

If my interpretation of the code is incorrect, please inform me of additional information that might be needed.

Thank you
