EXHIBITS	IDENTIFIED
A - Paper Ballot Allocations, Primary 2016	5
B - Machine Allocations, Primary 2016	6
C - Policy Governing Voting Location Manager Announcements for Availability of Optical Scan Ballots Pursuant to Ohio Secretary of State Election Official Manual, Section 107(F)	8

- - -

1 Monday Afternoon Session,
2 February 1, 2016.

3 - - -

4 DIRECTOR ANTHONY: Good afternoon,
5 everyone. Sorry for the delay in starting.

6 I call the Franklin County Board of
7 Elections to order. I will now do the roll call.

8 Kimberly Marinello.

9 MS. MARINELLO: Here.

10 DIRECTOR ANTHONY: Gregory Haas.

11 MR. HAAS: Here.

12 DIRECTOR ANTHONY: And Bradley Sinnott.

13 MR. SINNOTT: Here.

14 DIRECTOR ANTHONY: Mr. Chair, we have a
15 quorum. The first item on the agenda will be the
16 approval of the minutes from December 23, 2015 and
17 January 11, 2016.

18 MR. SINNOTT: I move that the Board
19 approve the minutes of the December 23, 2015, meeting
20 and the January 11, 2016, meeting of the Franklin
21 County Board of Elections as submitted.

22 DIRECTOR ANTHONY: Is there a second?

23 MR. HAAS: Second.

24 DIRECTOR ANTHONY: All those in favor.

1 (Vote taken; motion passes.)

2 DIRECTOR ANTHONY: That motion carries.

3 I will pass around the documents.

4 The next item is the paper allocation for
5 the March 15 primary. With that, Carolyn Gorup will
6 explain our paper allocation.

7 MS. GORUP: Exhibit A is the Paper Ballot
8 Allocations. The Secretary of State requires us to
9 do 5 percent more provisionals than in a like
10 election and 15 percent of the total ballots cast in
11 a like election, and we determined that 2008 is more
12 like this election than the past even years so that's
13 what we have done.

14 To round up to a full pad, we will add
15 25. You will get the sheet that tells you how many
16 we're doing so that for the total there is -- for
17 each party, Democrat, Republican, 91,900; and issues
18 only, an additional 7,400.

19 Any questions?

20 MR. SINNOTT: We thought the 2008 primary
21 was the one recent election most like this one
22 because the White House was open and no incumbents on
23 either side?

24 MS. GORUP: No incumbents, yes.

1 MR. SINNOTT: I can see that.

2 MR. PAYNE: That will require us to print
3 more paper ballots.

4 MS. GORUP: 15 percent in '08 is
5 significantly more than 15 percent in '12 or '14.

6 MS. MARINELLO: I move that the Board
7 adopt the paper ballot allocation formula in Exhibit
8 A compiled by the Board staff for the March 15, 2016,
9 Primary Election.

10 DIRECTOR ANTHONY: Is there a second?

11 MR. SINNOTT: There is.

12 DIRECTOR ANTHONY: All those in favor.

13 (Vote taken; motion passes.)

14 MR. HAAS: Motion carries.

15 The next item on the agenda Carolyn is
16 going to talk about is machine allocation.

17 MS. GORUP: The Secretary of State
18 requires us to allocate at least one machine for
19 every 175 voters. We actually do it, in most cases,
20 one for every 135 voters; however, the warehouse has
21 been gone through, and where it says "Note 1," the
22 total was adjusted for space such as if you look at
23 1,005, we're sending out eight, but when we rounded
24 up, it was nine machines. We're required to send

1 seven, and just because of space considerations in
2 the room that we're given to vote, we went with one
3 less. In any case, where we put -- where we
4 decreased it, we are still at least at the minimum
5 required allocations and, in most cases, exceed that.

6 DIRECTOR ANTHONY: I like your charts.

7 MR. SINNOTT: Yes, they're good.

8 MS. GORUP: I try to make it readable.

9 DIRECTOR ANTHONY: Are there any
10 questions?

11 MR. HAAS: I move that the Board adopt
12 the voting machine allocation formula in Exhibit B
13 compiled by the Board staff for the March 15, 2016,
14 Primary Election.

15 DIRECTOR ANTHONY: Is there a second?

16 MS. MARINELLO: Second.

17 DIRECTOR ANTHONY: All those in favor.

18 (Vote taken; motion passes.)

19 DIRECTOR ANTHONY: That motion carries.

20 The next item on the agenda, we have to
21 do a wait-time policy. If anybody is standing in
22 line or if there is a long line in any voter
23 location, we have to offer the voters an opportunity
24 to select paper, and then --

1 MR. PAYNE: I can address that. So every
2 half hour where there are at least 20 people in line,
3 the voting manager at each of our 389 polling
4 locations around the county need to announce to those
5 in line that they can either choose to vote on our
6 DREs or they're allowed to vote on paper, so each
7 half hour that needs to be read by the voting
8 manager.

9 MR. SINNOTT: So the voting manager
10 stands in front of whoever is there every half hour
11 and recites that statement?

12 MR. PAYNE: Yes, correct. If you look at
13 this, the next-to-last paragraph is the statement
14 that the voting manager would need to recite, if,
15 again, there are at least 20 individuals in line.

16 MR. SINNOTT: Okay. There has to be 20
17 in line.

18 MR. PAYNE: There has to be at least 20
19 or more in line.

20 MR. SINNOTT: I move that the Board
21 approve the policy governing location manager
22 announcements for the availability of optical scan
23 ballots pursuant to Ohio Secretary of State Election
24 Official Manual, Section 107(F) contained on Exhibit

1 C.

2 DIRECTOR ANTHONY: Is there a second?

3 MR. HAAS: There is.

4 DIRECTOR ANTHONY: All those in favor.

5 (Vote taken; motion passes.)

6 DIRECTOR ANTHONY: That motion carries.

7 We have had several withdrawals from the

8 central committees on both the Democratic and

9 Republican side. Jeff Mackey will talk about those.

10 MR. MACKEY: Since the last time we met,

11 we have had three individuals withdraw.

12 Napoleon Bell was a write-in candidate
13 for the 25th House District on the Democratic ballot.

14 Mark Lecky was a Republican Central
15 Committee candidate in Columbus Ward 8.

16 And Bruce Bostick was a Democratic
17 Central Party Committee candidate in Ward 49.

18 If memory serves, Ward 49 is also the
19 seat that Board member Marinello is running for.

20 MR. PAYNE: I ask legal counsel if we
21 should ask Board Member Marinello to recuse herself
22 or abstain, or what do you want to do on that?

23 MR. LECKLIDER: We can do it two ways.
24 You could do one motion. Let's see, you have three

1 issues here.

2 MR. PAYNE: Yes.

3 MR. LECKLIDER: She would certainly not
4 make the motion. She could otherwise recuse herself
5 and you could do three separate motions and she could
6 vote on two of those, but not the one.

7 MR. HAAS: We have two votes. That's
8 enough, right?

9 MR. LECKLIDER: Yes.

10 MR. SINNOTT: Yes. We have a quorum. We
11 can accept the majority of votes here.

12 DIRECTOR ANTHONY: Let's do Kim's first.

13 MR. SINNOTT: She abstains.

14 MR. LECKLIDER: She abstains from voting
15 altogether.

16 MR. HAAS: I move that the Board accept
17 the requests of Gregory Bruce Bostick to withdraw as
18 candidate for Democratic Party Central Committee,
19 Ward 49; and Mark Lecky to withdraw as candidate for
20 Republican Central Committee, Ward 8, Columbus; and
21 Napoleon A. Bell II to withdraw as a write-in
22 candidate for the Democratic Party for State
23 Representative, 25th District, and that any votes
24 cast for them not be counted.

1 MR. SINNOTT: Second.

2 DIRECTOR ANTHONY: Do a roll call vote.

3 Kimberly Marinello.

4 MS. MARINELLO: I abstain.

5 DIRECTOR ANTHONY: Greg Haas.

6 MR. HAAS: Yes.

7 DIRECTOR ANTHONY: Bradley Sinnott.

8 MR. SINNOTT: Yes.

9 (Vote taken; motion passes.)

10 DIRECTOR ANTHONY: Motion carries.

11 The next item on the agenda is our voting
12 system, the actual voting system -- Carolyn, we'll
13 have you come up and talk about EMS.

14 MS. GORUP: Our voter registration.

15 DIRECTOR ANTHONY: That's what I was
16 trying to say, our voter registration system.

17 MS. GORUP: I believe it was 2010 Sequoia
18 orphaned the Integrity Voting Registration System
19 that we used. At that time the programmers who
20 worked for Sequoia spun off their own company, and
21 we've used them since that time to support the voting
22 registration system making changes that the Secretary
23 of State requires. Occasionally we find something
24 that we never knew wasn't working quite right, they

1 fix that under the contract.

2 This contract has one year plus one year
3 additional that we can exercise next year. This
4 contract is 5 percent more than last year's, and if
5 we do next year's, which I think we should, it would
6 be another 5 percent increase.

7 DIRECTOR ANTHONY: I might add that we
8 have had other vendors come in and give us -- look at
9 our voter registration system and tell us what they
10 could do for us. We've had ES&S in, I believe, and
11 we have had all the staff that uses it, the managers
12 and front-line folks, and we had almost a day-long
13 looking at the ES&S system, and the staff has
14 overwhelmingly agreed that the system that we have,
15 because of Carolyn and her staff, has been absolutely
16 fitted for our needs, and even ES&S said we have even
17 a better-than-a-Cadillac version, that there's some
18 things that we currently do on our system that they
19 would be unable to do because we've customized our
20 system to meet our needs.

21 So right now we haven't seen a vendor out
22 there that currently sells a voter registration
23 system that can do what our system is doing, and
24 we've won many awards on how we process stuff and how

1 we keep our Integrity up to date in a lot of unique
2 ways.

3 MR. SINNOTT: All right. I move that the
4 Board authorize the director and deputy director to
5 renew the contract with Election Management
6 Consulting Services in the amount of \$53,603.84 for
7 continued support for Integrity System in the
8 calendar year 2016.

9 DIRECTOR ANTHONY: Is there a second?

10 MS. MARINELLO: Second.

11 DIRECTOR ANTHONY: All those in favor.

12 (Vote taken; motion passes.)

13 DIRECTOR ANTHONY: That motion carries.

14 The next item on the agenda, we have a
15 contract with a company called E.E. Ward, and this
16 company, they pick up and deliver all of our voting
17 machines to all of our voting locations. This is the
18 first of four extensions on this contract, I think
19 you have it before you, and it needs to be signed by
20 all of you, too.

21 E.E. Ward has done a great job for us
22 since we started moving voting machines out, and they
23 have been doing it a long time, and they always come
24 in as the best bid, the lowest and the best bid. So

1 we would like to extend their contract for at least
2 through the first extension, and it will be for this
3 year.

4 MR. PAYNE: It will start February 1,
5 2016 and go through the end of the year, December 31,
6 2016. This is the first of four possible extensions.
7 And as the director mentioned, E.E. Ward transports
8 our carts that hold our voting machines out to our
9 389 polling locations and then delivers those back,
10 and for each of the carts they charge \$27.50. So
11 when you figure out how many carts they're
12 transporting for two elections, to and from, it is
13 slightly less than \$90,000.

14 MR. HAAS: I move that the Board
15 authorize the director and deputy director to renew
16 the contract with E.E. Ward Moving and Storage
17 Company for pickup and delivery of voting machines in
18 an amount not to exceed \$90,000 in calendar year
19 2016.

20 MR. SINNOTT: Second.

21 DIRECTOR ANTHONY: All those in favor.

22 (Vote taken; motion passes.)

23 DIRECTOR ANTHONY: I will pass this for
24 all the Board members' signatures.

1 The last item on the agenda, each
2 election cycle we hire two folks to run our vote
3 center, and this year is no different. We need in
4 get two folks in, a Democrat and a Republican, to
5 manage the vote center.

6 We would like to be able to enter into a
7 contract hopefully not to exceed \$10,500. The
8 individuals are Joseph Healy and Don Klco.

9 MS. MARINELLO: I move that the Board
10 authorize the director and deputy director to execute
11 personal service contracts not to exceed \$10,500 for
12 Joseph Healy and Don Klco to manage the early vote
13 center located at 1700 Morse Road, Columbus, Ohio.

14 DIRECTOR ANTHONY: Is there a second?

15 MR. HAAS: Yes.

16 DIRECTOR ANTHONY: All those in favor.

17 (Vote taken; motion passes.)

18 DIRECTOR ANTHONY: That motion carries.

19 MS. WOODS: May I ask a question?

20 DIRECTOR ANTHONY: Yes.

21 MS. WOODS: Is there a procedure that you
22 could tell the moving company to use, because my son
23 is a polling location manager? One of the machines
24 wasn't working. They brought in a machine, just

1 asked one of the poll workers which one it was, and
2 they started playing with it.

3 As polling location manager, he was very
4 uncomfortable with that. So I wonder if you tell
5 these people who are moving the machines how they're
6 supposed to handle when they go in to take out a
7 machine. Are they told to ask for the polling
8 location manager?

9 DIRECTOR ANTHONY: No. The machines are
10 delivered prior to the location manager being in the
11 room.

12 MS. WOODS: No, no. There was a machine
13 that wasn't working during the day so that would have
14 been after.

15 DIRECTOR ANTHONY: So that would have
16 been staff.

17 MS. WOODS: Would that be staff here?

18 DIRECTOR ANTHONY: That would be our
19 staff. If a polling location machine is not working,
20 then we send rovers, our staff, out to either fix it
21 or pick it up or whatever has to happen. That's our
22 staff. It's not the E.E. Ward company.

23 MR. PAYNE: But to your point, we'll make
24 certain there's a procedure.

1 MS. WOODS: My point, they should be
2 talking to the managers to let them know they're
3 there legitimately because you never know.

4 MR. PAYNE: Right. They should have
5 credentials.

6 DIRECTOR ANTHONY: They should have
7 credentials. You mean they didn't have credentials?

8 MS. WOODS: Well, they did not make sure
9 that they talked to the polling location manager.

10 DIRECTOR ANTHONY: We can fix that real
11 quick. If they are going into a polling location,
12 they should be identified and they should have
13 something on them that shows they're from the Board
14 of Elections, so we'll fix that.

15 MR. PAYNE: Director, did you send out
16 the Election Management Consulting Services Contract?

17 DIRECTOR ANTHONY: No, I did not. Thank
18 you.

19 MR. PAYNE: On here you will notice that
20 this one was set up to have the chairman, Doug
21 Preisse, sign, which our legal counsel said was okay,
22 and I think it would be appropriate, to have everyone
23 sign it as well since the chairman isn't here.

24 Or can you sign it?

1 MR. SINNOTT: As the acting chair.

2 MR. PAYNE: The acting chair can sign it?

3 MR. SINNOTT: One of three signatures,
4 we're all in agreement.

5 DIRECTOR ANTHONY: I will find the page
6 and send it right over.

7 MR. PAYNE: Page 9.

8 DIRECTOR ANTHONY: Only Brad will sign
9 it. Sorry about that.

10 If there is nothing else before the
11 Board, is there a motion to adjourn?

12 MS. MARINELLO: So moved.

13 DIRECTOR ANTHONY: Is there a second?

14 MR. HAAS: Second.

15 DIRECTOR ANTHONY: All those in favor.

16 (Vote taken; motion passes.)

17 DIRECTOR ANTHONY: We stand adjourned.

18 (The meeting adjourned at 3:36 p.m.)

**	These locations have been defined since the 2014 election, current registration number was used for the base of the paper ballots															

THIS PAGE INTENTIONALLY LEFT BLANK

4. **Provisional Ballots:** A board of elections must print and distribute to each precinct regular paper ballots and provisional ballot envelopes for use by provisional voters. The board must provide ballots and envelopes in the quantity of at least 5 percent more than the number of provisional ballots cast in that precinct at the previous like election.⁴¹ Be mindful of the proper allocation of this quantity across precinct splits.

C. Minimum Absentee Ballot Quantities

There is not a minimum quantity of absentee ballots required for printing in the same way as state law prescribes a minimum for Election Day ballots. It is considered a best practice to plan to have on hand at least 5 percent more ballots for use by absentee voters in the current election than were requested in the previous like election.

D. Additional Considerations

When calculating the number of paper ballots to print, or DRE machines to deploy for any partisan primary election, the board of elections should consider the number of individuals who may switch parties from one election to the next in order to ensure a sufficient number of ballots for all parties with candidates for that election.

E. Sealed Printed Paper Ballots⁴²

The board must make adequate provision for the inspection of the printing and rotation of names on the ballots. The selected printing vendor must seal the ballots securely in packages, one package for each precinct in the county and deliver them to the board at such time and place as the board may direct. The board, upon receiving such packages, must give a receipt for the ballots indicating the number of ballots in each package and the number of precincts in each case.

⁴¹ This is a minimum requirement for preparedness, not a prediction for the number of provisional ballots expected to be cast in an election.

⁴² [R.C. 3505.15](#).

2. **Determining Minimum Number of Paper Ballots**

Boards must determine the minimum number of backup optical scan ballots to provide for each precinct by multiplying the number of ballots cast in the precinct (public count) from the previous like election by 15 percent. This is the minimum number of backup optical scan ballots that must be provided for that precinct. Boards of elections may print ballots totaling more than the calculated minimum number so long as the increase is uniform across the county. Although the ballots are labeled and look the same, this 15 percent is in addition to the quantity the board of elections determines is necessary to accommodate all provisional ballot voters at each precinct.

3. **Voter Privacy**

Boards must provide a private area for voters to mark their centrally counted optical scan ballots. Privacy booths used by persons voting provisional ballots may be used for this purpose.

4. **Voter Instructions**

To satisfy the requirements of the Help America Vote Act of 2002,⁴³ each voter receiving a centrally counted, optical scan ballot must receive the instructions on how to properly mark and cast an optical scan ballot.

5. **Backup Paper Ballots are not Provisional Ballots**

A centrally counted, backup optical scan ballot is NOT a provisional ballot and must NOT be placed into a provisional ballot envelope. A provisional ballot is ONLY to be cast under the circumstances set forth in law.⁴⁴ In the event that a backup optical scan ballot is placed into a provisional ballot envelope, it must be counted as a regular ballot at the official canvass.

⁴³ 52 U.S.C. 21082.

THIS PAGE INTENTIONALLY LEFT BLANK

The board of elections of the home county must notify its electors who have been assigned, at least 10 days prior to the holding of any such election, of the location of the polling place where they are entitled to vote at such election.⁸⁶

When a county agrees to host voters from another county for a special election, the host county is responsible for preparing, issuing, and tabulating all ballots for that election. The host county also must provide paper ballots to the home county for any voter who needs to cast a provisional at the home county board of elections.

The home county for these voters is responsible for providing the host county with the voter registration information necessary to prepare a supplemental record of the voters for the poll list or pollbook.

G. Voting Equipment

A county that utilizes direct recording electronic voting machines (DRE) as its primary voting system is required to arrange for a sufficient number of these devices to accommodate the number of electors in each precinct. The county should deploy at least one DRE voting machine for every 175 registered voters in a precinct or voting location at which the DREs are programmed to allow any voter in the location to vote on any machine in the location. In determining the number of registered voters, a board does not have to count electors who did not respond within 30 days to any confirmation notice. It may also exclude from the count any registered voter who has requested an absent voter ballot (by mail or in person) as of the date the allocation decision is made by the board. There must never be fewer than two DRE voting machines in any precinct or voting location. Except that in a presidential primary or a regular state election, there must never be fewer than three DRE voting machines in any precinct voting location.

⁸⁶ R.C. 3503.01(B).

Boards of elections should take note of the contests on the ballot in each political subdivision to determine whether or not the board should exceed the minimum requirements of state law as it relates to the board's provision of DREs and ballots for the election.

When allocating voting equipment, the county should also take into consideration the size and location of each polling place, available parking, accessibility to the polling place, and the number of candidates and issues appearing on the ballot.⁸⁷

H. Set-up for Multiple Precinct Polling Places

A multi-precinct voting location is a voting location at which voters from more than one precinct are assigned to vote.

If the board of elections, by a vote of at least three members of the board, opts to have a single voting location serve more than one precinct, the board must do both of the following:⁸⁸

- Designate a single voting location manager for the voting location, who shall be a member of the political party whose candidate received the highest number of votes for governor at the most recent general election for that office in the precincts whose polling places are located at the applicable voting location, when tallying the combined vote for governor in all such precincts.
- Combine the poll books for those precincts to create a single poll book for the voting location.

Multi-precinct voting locations increase the efficiency by which voters check in, reduce the possibility of voter confusion, including questions around "wrong precinct, right polling place" and provisional ballots, and adapt easily to an e-poll book environment. As such, all boards of elections are instructed to designate a single voting location manager for each multi-

POLICY GOVERNING VOTING LOCATION MANAGER

ANNOUNCEMENTS FOR AVAILABILITY OF

OPTICAL SCAN BALLOTS PURSUANT TO

OHIO SECRETARY OF STATE ELECTION OFFICIAL MANUAL

SECTION 107(F)

This policy details the Franklin County Board of Elections policy to comply with Ohio Secretary of State Election Official Manual, specifically Section 107(F), addressing the implementation of a wait time policy for all counties using direct recording electronic voting machines (DRE) as it relates to availability of optical scan ballots.

Using the script established by this policy, all voting location managers are hereby instructed to make a public announcement relative to this policy, at half-hour intervals beginning at 7:00 AM, but only if at that half-hour interval a line exists of more than 20 voters waiting to present identification and sign the location’s signature paper/electronic poll book.

Thus, the voting location manager shall recite the script beginning at 7:00 AM, and then at the top and bottom of every hour (but only if more than 20 voters are waiting in line at the roster table to present identification and sign the signature paper/electronic poll book) until the last voter has cast his or her ballot at or after 7:30 PM.

The voting location manager shall make the following announcement in a conspicuous location so that all voters in the line waiting to present identification and sign the signature paper/electronic poll book can be made aware of the information:

“Pursuant to the Ohio Secretary of State’s Election Official Manual, specifically Section 107(F), please be aware that you have the choice to vote either on the voting machines or by paper ballot. You will be able to select your preference after you have shown identification and signed the signature paper/electronic poll book. Votes cast using the voting machines and paper ballots will be counted tonight. Thank you.”

This recitation does not mean that each voter must be asked his or her voting system preference (for voting machine or paper ballot) prior to voting. Voters preferring one voting method over another shall not receive priority when queuing to present identification and signing of the signature paper/electronic poll book.
