3	
4	DEPUTY DIRECTOR PAYNE: I will go
5	ahead an take roll.
6	Kim Marinello.
7	MEMBER MARINELLO: Here.
8	DEPUTY DIRECTOR PAYNE: Mike Sexton.
9	MEMBER SEXTON: Here.
10	DEPUTY DIRECTOR PAYNE: Doug
11	Preisse.
12	CHAIRMAN PREISSE: Here.
13	DEPUTY DIRECTOR PAYNE: And Josh
14	Jaffe.
15	MEMBER JAFFE: Yes.
16	DEPUTY DIRECTOR PAYNE: We have a
17	quorum.
18	
19	The first item on the agenda is the
20	approval of the minutes from the November 1st and
21	November 19th meeting of the Franklin County Board
22	of Elections. I believe those were sent to you. I
23	don't know if anybody has any additions or
24	deletions or corrections.
25	MEMBER MARINELLO: I move that the

1	Board approve the minutes of the November 1, 2021
2	meeting and the November 19, 2021 meeting of the
3	Franklin County Board of Elections.
4	This is Kim Marinello.
5	CHAIRMAN PREISSE: And I second it.
6	Doug Preisse.
7	DEPUTY DIRECTOR PAYNE: It's been
8	properly moved and seconded.
9	All those in favor of the motion
10	signify by saying aye.
11	(Vote taken.)
12	DEPUTY DIRECTOR PAYNE: All opposed,
13	same sign.
14	(No response.)
15	DEPUTY DIRECTOR PAYNE: Motion
16	carries.
17	The next item on the agenda is the
18	audit we performed for the November 2nd General
19	Election. And I'll turn that over to Matt Kelly to
20	do a report.
21	MR. KELLY: Good afternoon. This is
22	Matt Kelly.
23	On December 7th the Franklin County
24	Board of Elections conducted audits of the 2021
25	General Election as instructed by the Ohio

Secretary of State's office to all 88 county
boards. The audits conducted by Franklin County
were simple percentage-based audits done by
selecting just over five percent of total ballots
cast in the 2021 General Election from
randomly-selected voting locations or LIDs and the
precincts contained within those LIDs. The LIDs
chosen for these audits were randomly selected at
the November 19th Board meeting, as you remember.

The first portion of the audit consisted of two countywide judicial races and the second portion of the audit consisted of ballots exclusively from the special 15th Congressional District contest. All ballots in the audits were reviewed by teams of sworn Board of Elections employees paired up in bipartisan groups of four, with each consisting of two Republicans and two Democrats.

In the two countywide judicial races a total of 10,285 ballots were audited representing 5.05 percent of all ballots cast in those races. All 10,285 ballots selected for this audit were reviewed and tallied by hand and then compared to the official canvass results broken down by each precinct. The audit in both judicial races

produced no ballot difference with no changes and resulted in an overall accuracy rate of 100 percent in both of those races.

In the 15th Congressional District audit there were 4,885 ballots that were randomly selected by the LIDs representing 5.74 percent of all ballots cast in that race. All 4,885 ballots were reviewed and tallied by hand and then also compared to the official canvass results broken down by precinct. This audit produced one ballot difference where an absentee paper ballot was marked in pencil, not pen as instructed, and the lightly marked pencil image was captured by the voting scanner machine as an undervote rather than a vote for Candidate Mike Carey. This one vote difference resulted in an overall accuracy rate of 99.98 percent. And the one vote difference and the explanation was included in the audit report submitted to the Ohio Secretary of State's office at the conclusion of the audits.

Comprehensively between all results of all three races in the audit, a total of 15,170 of those ballots that were reviewed, the overall accuracy rate for Franklin County's post-election audit was 99.997 percent, which is well above the

99.5 percent standard accuracy rate set forth by the Ohio Secretary of State.

At this time the only action required by the Board is to accept the contents included in this report and the provided exhibits reflecting the change of the one undervote to an additional vote for Candidate Carey in the 15th Congressional District election. And I ask for your approval of this audit.

DEPUTY DIRECTOR PAYNE: Any questions?

MEMBER SEXTON: So we looked at three races. I mean, that's one of them?

MR. KELLY: Right. We were required to look at countywide races. So these are like the two judicial countywide races because they were in every precinct. There were no changes. That audit was a hundred percent. In the 15th Congressional District between Republican Carey and Democrat Russo there was an undervote reported that should have been a vote for Carey. That was because there was an absentee mail-in ballot that had a pencil bubbled in rather than an ink pen. So that resulted in the machine viewing that vote as a undervote. So that vote should have been assigned

1	to Republican Candidate Carey.
2	MEMBER SEXTON: So three races were
3	drawn and there was only a one vote change?
4	MR. KELLY: Correct. So the overall
5	rate is at 99.97 percent accuracy.
6	Other questions?
7	MEMBER SEXTON: Michael Sexton.
8	I move the Board amend and declare
9	as final the official canvass of the votes cast at
10	the November 2nd, 2021 General Election for the
11	15th Congressional District.
12	CHAIRMAN PREISSE: Doug Preisse with
13	a second.
14	DEPUTY DIRECTOR PAYNE: All those in
15	favor of the motion signify by saying aye.
16	(Vote taken.)
17	DEPUTY DIRECTOR PAYNE: All opposed,
18	same sign.
19	(No response.)
20	DEPUTY DIRECTOR PAYNE: Motion
21	carries.
22	The next item on the agenda is the
23	extension of the E.E. Ward contract. E.E. Ward is
24	the largest minority-owned company in the
25	country or the oldest, I'm sorry the

1	oldest minority-owned company in the country. And
2	we have used them for at least as long as I've been
3	here at the Board of Elections to move our voting
4	equipment to the 300-plus polling locations and
5	then retrieve those same voting machines and bring
6	them back to the Board of Elections. There is a
7	renewal up for this contract for the year 2022, and
8	the price would be the same. There would be no
9	change in anything with the contract. The amount
10	is not to exceed \$200,000 for delivery and pickup
11	of the voting machines to the polling locations and
12	then back to the Board of Elections.
13	Any questions regarding the E.E.
14	Ward contract or
15	MEMBER SEXTON: We've used them for
16	years and years?
17	DEPUTY DIRECTOR PAYNE: We've used
18	them for years and years with much success. It's
19	been a good partnership.
20	MEMBER JAFFE: This is for both the
21	primary and the general?
22	DEPUTY DIRECTOR PAYNE: That is
23	correct, yes.
24	MEMBER JAFFE: Josh Jaffe. I move
25	the Board authorize the Director and Deputy

1	Director to enter into an annual trucking contract
2	extension with E.E. Ward in an amount not to exceed
3	\$200,000 for delivery and pickup of our voting
4	equipment in calendar years 2022.
5	MEMBER SEXTON: Michael Sexton.
6	Second.
7	DEPUTY DIRECTOR PAYNE: David Payne.
8	It's been properly moved and seconded.
9	All those in favor of the motion
10	signify by saying aye.
11	(Vote taken.)
12	DEPUTY DIRECTOR PAYNE: All opposed,
13	same sign.
14	(No response.)
15	DEPUTY DIRECTOR PAYNE: Motion
16	carries.
17	The next item on the agenda is the
18	Securitas contract extension. As you probably
19	noticed, Securitas is our security firm that's in
20	the lobby. They secure not only the employees here
21	at the Franklin County Board of Elections, but as
22	well the voters that come to the Franklin County
23	Board of Elections and in addition they monitor and
24	control the building access in and out and have
25	done a great job for a number of years. There is

1	on this contract they Securitas is their
2	contract is collectively bargained. Last year the
3	security officers were making we were paying
4	\$20.76 an hour, and that would go up to \$25.31.
5	The site supervisor was making \$21.44 and that will
6	go up to \$29.33. I will say that the site
7	supervisor's contract is not collectively
8	bargained, but if we don't raise that rate the site
9	supervisor would be making less than the people he
10	supervises. So we would like to raise his as well.
11	I think the company, Securitas, would like us to
12	raise that as well. So it is an increase but they
13	have done a nice job for us and I think it's
14	warranted.
15	CHAIRMAN PREISSE: No questions
16	here.
17	MEMBER SEXTON: I just have a
18	question. Michael Sexton.
19	I'm just wondering if the other two
20	employees are receiving any kind of compensation
21	increase.
22	DEPUTY DIRECTOR PAYNE: They are.
23	They would be considered the security officers who
24	would be going from \$20.76 an hour to \$25.31.
25	MEMBER SEXTON: Thank you.

1 MR. JAFFE: Josh Jaffe. 2 Do we know when the last time these rates were changed? 3 4 DEPUTY DIRECTOR PAYNE: I think each 5 year they change, but not this significantly, to be 6 honest with you. So yeah. I think each year we 7 raise the rates. 8 (Discussion off the record.) 9 DEPUTY DIRECTOR PAYNE: This is 10 David Payne. 11 And just to give a encapsulation of 12 what Josh Jaffe was saying earlier, he was 13 indicating that this appeared to be a larger 14 increase than we normally have each year for the 15 That is the case. We do Securitas contract. 16 give -- we have been giving raises each year, but 17 this is significantly more. But it was 18 collectively bargained and that's the rate which we 19 were given. I think that basically summarizes what 20 Board Member Jaffe was saying. 21 MEMBER SEXTON: Michael Sexton. 22 I move that the Board authorize the 23 Director and Deputy Director to enter into an 24 annual security contract extension with Securitas,

as described, for security of the building and

25

1	employees at 1700 Morse Road, Columbus, Ohio, in
2	calendar year 2022.
3	CHAIRMAN PREISSE: This is Doug
4	Preisse with a second.
5	DEPUTY DIRECTOR PAYNE: It's been
6	properly moved and seconded.
7	All those in favor of the motion
8	signify by saying aye.
9	(Vote taken.)
10	DEPUTY DIRECTOR PAYNE: All opposed,
11	same sign.
12	(No response.)
13	DEPUTY DIRECTOR PAYNE: Motion
14	carries.
15	The final item on the agenda is a
16	2.75 percent raise for employees, full-time
17	employees of the Franklin County Board of
18	Elections. This is something that typically is
19	given or authorized by the Franklin County
20	Commissioners each year. They had it come up as
21	well this year and authorized a 2.75 percent pay
22	increase for each the full-time employees at the
23	Board of Elections. What it would require, though,
24	is authorization by this Board in order to approve
25	that pay raise.

1	MR. JAFFE: This is Josh Jaffe.
2	Just to be clear, this is an
3	across-the-board cost of living pay increase to
4	every county full-time employee?
5	DEPUTY DIRECTOR PAYNE: That is
6	correct.
7	MR. JAFFE: Okay.
8	(Discussion off the record.)
9	MR. JAFFE: This is Josh Jaffe.
10	I move that the Board approve a 2.75
11	percent pay increase to all full-time BOE staff for
12	calendar year 2022, as shown in Exhibit A.
13	MEMBER MARINELLO: Second. Kim
14	Marinello.
15	DEPUTY DIRECTOR PAYNE: It's been
16	properly moved and seconded.
17	All those in favor of the motion
18	signify by saying aye.
19	(Vote taken.)
20	DEPUTY DIRECTOR PAYNE: All opposed,
21	same sign.
22	(No response.)
23	DEPUTY DIRECTOR PAYNE: Motion
24	carries.
25	CHAIRMAN PREISSE: Are we doing

1	remote court reporting? This is a one-time thing?
2	DEPUTY DIRECTOR PAYNE: I think this
3	is one-time thing because we learned that Carla
4	today had Covid symptoms. So she asked and we
5	thought it would be better that she not come here.
6	CHAIRMAN PREISSE: If we're going to
7	do it again, let's figure out the microphone in
8	front of us. What I know about technology is
9	nothing, but this wasn't ideal for her.
10	Thank you for hanging in there.
11	CHAIRMAN PREISSE: Move to adjourn.
12	MEMBER SEXTON: Second.
