4 DEPUTY DIRECTOR PAYNE: So I will go
5 ahead and take roll.

6 Kim Marinello.

7 MEMBER MARINELLO: Here.

8 DEPUTY DIRECTOR PAYNE: Mike Sexton.

9 MEMBER SEXTON: Here.

10 DEPUTY DIRECTOR PAYNE: Doug
11 Preisse.

12 (No response.)

13 DEPUTY DIRECTOR PAYNE: And Josh
14 Jaffe.

15 MEMBER JAFFE: Here.

16 DEPUTY DIRECTOR PAYNE: All right.
17 We have a quorum, but we're down a Chairman, so.

18 MEMBER MARINELLO: I move that we
19 nominate Josh Jaffe as temporary Chair for this
20 meeting.

21 MEMBER SEXTON: Second.

22 DEPUTY DIRECTOR PAYNE: It's been
23 properly moved and seconded. All those in favor of
24 the motion, signify by saying aye.

1 All opposed, same sign.

2 Motion carries.

3 (Vote taken; motion passed.)

4 DEPUTY DIRECTOR PAYNE: First item
5 on the agenda is the allocation of paper ballots --
6 well, actually -- yeah, paper ballots for the
7 August 8th Election. I'm going to call upon
8 Katrina McReynolds, the supervisor of our
9 operations department to go over that. And then I
10 will ask her after that if she wouldn't mind doing
11 the machine allocation.

12 MS. MCREYNOLDS: Good afternoon.

13 In front of you is Exhibit A, the
14 August 2023 Special Election initial paper ballot
15 recommended allocation. With no previous true like
16 election to compare to, data was examined from the
17 2019 and 2021 General Election, as well as the 2018
18 August Special Congressional Election that was held
19 for the then 12 Congressional districts.

20 Per the Ohio Secretary of State
21 Election Official Manual, Section 5.07, ballot
22 quantities, the Board is required to provide
23 printed paper ballots for provisional voters that
24 is equal to the number of provisionals cast in that

1 precinct in a previous like election, plus five
2 percent of that number. With the new ID laws in
3 effect, and this being the first county-wide
4 election under the new laws, we anticipate there
5 may be a few more provisionals than in the past.
6 Calculations for provisionals use the highest
7 number of provisionals cast in any precinct from
8 those previous elections examined. And then we
9 rounded that number up to the 25 ballots.
10 Therefore, 25 ballots are being provided for
11 provisional purposes in each precinct.

12 In addition to the provisional
13 ballots, the allocations before you incorporate the
14 allocation of ballots for voters that choose to
15 vote in paper by choice, regular ballot. With the
16 hybrid voting system that we utilize, the
17 allocations of paper ballots for regular voters for
18 this election is at the discretion of the Board.
19 In looking at the number of ballots cast at the
20 poll in the same election examined for provisional
21 ballot allocations, we took the highest turnout of
22 any precinct in those elections, and applied that
23 percentage to the number of registered voters for
24 this election. We then took six percent of that

1 number and then rounded up to the next increment of
2 25. If a location runs low on a particular ballot
3 style, we do have the ability here on Election Day
4 to produce paper ballots on demand, and have them
5 delivered within a short amount of time.

6 At this time we would ask that the
7 Board approve the recommended paper ballot
8 allocations for the August 2023 Special Election.

9 DEPUTY DIRECTOR PAYNE: Thank you,
10 Katrina.

11 MEMBER SEXTON: So how -- do we have
12 anything to reference in August full countywide
13 special election in the last --

14 MS. MCREYNOLDS: No.

15 DIRECTOR WHITE: We don't. Carla,
16 who does, and Katrina, who run the allocations, in
17 looking at previous like elections, what Carla
18 determined was the last time there was a countywide
19 election or state-wide election with Constitutional
20 amendments in August was 1926. So we really are in
21 uncharted waters here. That's why they looked at
22 2018 Special Congressional, which was in August,
23 and then looked at 2019, 2021, thinking similar
24 types of turnout.

1 The highest precinct total in any of
2 those elections was 53% turnout. That was the
3 basis of the allocations that were used to
4 determine what we would allocate the paper ballots
5 on for our upcoming August 8th election.

6 MEMBER SEXTON: Yeah. Because I
7 remember we had one in Columbus in 2009, and I
8 think turnout was around 14%. And anything
9 countywide that we would have, you know, to compare
10 it to.

11 DIRECTOR WHITE: Yeah, as a matter
12 of fact, Mr. Sexton, I just looked it up, it was
13 19%.

14 MEMBER SEXTON: 19.

15 DIRECTOR WHITE: Yeah. For that
16 special election for city tax increase. And that
17 counted for about two-thirds of the county.

18 MEMBER SEXTON: Okay.

19 CHAIRMAN JAFFE: Sounds like we're
20 doing the best we can with historical data.

21 MEMBER MARINELLO: I move that the
22 Board adopt the paper ballot allocation formula in
23 Exhibit A compiled by the Board staff for the
24 August 8th Election.

1 CHAIRMAN JAFFE: Second.

2 DEPUTY DIRECTOR PAYNE: It's been
3 properly moved and seconded. All those in favor of
4 the motion, signify by saying aye.

5 All opposed, same sign.

6 Motion carries.

7 (Vote taken; motion passed.)

8 DEPUTY DIRECTOR PAYNE: Again, I
9 will turn it over to Katrina McReynolds on the
10 voting machine allocation.

11 MS. MCREYNOLDS: You should also
12 have in front of you Exhibit B, the August 2023
13 Special Election initial voting equipment
14 recommended allocation. This election we have 282
15 polling locations that will be open for voting on
16 Election Day. We are using paper pollbooks again
17 this election; so there is no allocation for
18 electronic pollbook equipment. Each location is
19 set to receive one express vote ballot marker for
20 roughly every 350 registered voters in that
21 location, with no less than three express vote
22 ballot markers, and at least one of those being a
23 kiosk express vote ballot marker for the ADA
24 purposes. The DS200 ballot scanners are allocated

1 at one for every seven ballot markers assigned to
2 the location. With all locations receiving at
3 least one. The recommended allocation calls for a
4 total of 2,661 express vote ballot markers and 489
5 DS200 ballot scanners to be deployed for use at the
6 polling locations on Election Day.

7 At this time, we would ask the Board
8 to approve the recommended voting equipment
9 allocation for the August 2023 Special Election.

10 DIRECTOR WHITE: Thank you, Katrina.

11 CHAIRMAN JAFFE: So for this one
12 we're allocating based on registered voters so we
13 don't have to worry about estimating it?

14 DIRECTOR WHITE: That's correct.
15 And this is the typical allocation that we use.

16 MEMBER SEXTON: Mr. Chairman, I move
17 that the Board adopt the voting machine allocation
18 formula in Exhibit B compiled by the Board staff
19 for the August 8th election.

20 CHAIRMAN JAFFE: Second.

21 DEPUTY DIRECTOR PAYNE: It's been
22 properly moved and seconded. All those in favor of
23 the motion, signify by saying aye.

24 All opposed, same sign.

1 Motion carries.

2 (Vote taken; motion passed.)

3 DEPUTY DIRECTOR PAYNE: Next item on
4 the agenda is poll worker pay increase. And I will
5 turn that over to the manager of the precinct
6 election officials division, Steve Bulen.

7 MR. BULEN: Thank you, Deputy
8 Director Payne.

9 Good afternoon, Mr. Chairman,
10 Members of the Board.

11 In 2015, the precinct election
12 official division got together and created a
13 mission statement that has guided us since that
14 time. And we set a goal to recruit, train and
15 place the best poll workers who were committed to
16 serving voters with excellence and civic pride.
17 And I can tell you that since that time, I believe
18 our team has met that goal. However, recently,
19 it's been increasingly difficult to recruit not
20 only the quantity, but the quality of poll worker
21 that helps us meet that standard, meet that goal,
22 fulfill our mission. We believe that this pay
23 raise will go a long way in ensuring that we will
24 maintain those high standards.

1 I believe that you have in front of
2 you a sheet that kind of outlines what it is we
3 would like to propose. Ohio Revised Code
4 stipulates the amount of money that a poll worker
5 can earn on Election Day. They have a range that
6 they have set up, and we are at the highest of that
7 range, that's the 133.72. That cannot be adjusted
8 except lowered, and so the Ohio Secretary of State
9 does allow for that pay to be augmented through
10 things like training sessions and other activities.
11 So that's where we propose to increase the poll
12 worker pay as you see outlined on the sheet in
13 front of you.

14 I would just respectfully request
15 that you help us maintain the quantity and quality
16 of poll workers that we need to run every election
17 here in Franklin County.

18 DEPUTY DIRECTOR PAYNE: Thanks,
19 Steve.

20 DIRECTOR WHITE: And if I may
21 piggyback off of Mr. Bulen. You know, one of the
22 things that has been somewhat challenging recently
23 in terms of recruitment, but also I think over the
24 years the depth and breadth of the poll worker

1 position has grown and changed. We ask a lot of
2 our poll workers. We ask them to do a lot. We ask
3 them to do a lot with technology, we ask them to do
4 a lot, and commit a lot of time to training,
5 working on Election Day. We now ask poll workers
6 to set up on Monday nights, which didn't exist as
7 of a couple of years ago. So we're asking them to
8 do more. On average, with Election Day pay and how
9 we would augment that pay through training and
10 other activities, currently a base poll worker on
11 average would earn about \$9.60 an hour. That's
12 based on a 20-hour sort of time commitment of
13 Election Day training, Monday night setup. With
14 your approval, we would raise the rate to where a
15 base poll worker would be earning a little over \$15
16 an hour. So we think that's commensurate with what
17 we're seeing in the workplace today in terms of
18 paying individuals. And so we would ask that you
19 would accept that, and that would go a long way
20 towards recruitment in our efforts to recruit good
21 poll workers here in Franklin County.

22 MEMBER SEXTON: Just a couple of
23 questions. So the voting location manager,
24 obviously, is the highest paid. You know, they do

1 all of these. But we are moving Monday night from
2 basically 50 to 90; the training session, which is
3 what, two, two and a half hours?

4 MR. BULEN: For our VLMS it's three
5 hours.

6 MEMBER SEXTON: Okay. Three hours
7 at 80, and then pretty much these -- what's the
8 PMP?

9 MR. BULEN: So PMP is an acronym for
10 practice makes perfect. It's a weekend review
11 session that we allow poll workers to participate
12 in the weekend before the election. And so we have
13 sessions where they can come and get a quick
14 review, have any last minute questions answered.
15 And that takes place Friday, Saturday, and Sunday
16 before the election.

17 MEMBER SEXTON: Okay.

18 MR. BULEN: It's been very
19 successful. Because our training can start five
20 weeks, six weeks ahead of an Election Day, and so
21 we want to provide an opportunity for people to
22 come and get a quick review, because a lot of life
23 happens between maybe my training and Election Day.

24 MEMBER SEXTON: Okay. So what's the

1 online?

2 MR. BULEN: So during the pandemic,
3 we offered an online component that we saw the
4 value to that because we can allow poll workers to
5 do some training from their home that we track, and
6 can verify that they completed. And it allows us
7 to cover some basic things when it comes to serving
8 as a poll worker, what time do you arrive, you
9 know, bring your snacks, bring your lunch. Just
10 some basic overall generalities that we can cover
11 online, that we now don't have to cover in person;
12 thus, allowing us to keep that time. VLM training
13 used to be four hours, but because we can now do
14 also online training, we can reduce the in-person
15 class just to three. And that way, hopefully, we
16 will retain more, because they're there for a
17 shorter amount of time, and do the online training
18 then at their leisure.

19 MEMBER SEXTON: Okay. And what is
20 the ride-a-long?

21 MR. BULEN: So at the end of every
22 election, Mr. Chairman, we're responsible for
23 bringing the supplies back to the Board of
24 Elections, the voting location manager is

1 responsible for that. However, they must have a
2 poll worker of the opposite party with them --

3 MEMBER SEXTON: Oh. Gotcha.

4 MR. BULEN: -- and so that person
5 stays extra, comes back to the Board of Elections,
6 sometimes they may come from Grove City, and then
7 the VLM takes them back to their car at the voting
8 location. And that ensures we have bipartisan poll
9 workers returning supplies on election night, which
10 is required.

11 MEMBER SEXTON: So that would be
12 added -- whoever does the ride-a-long would be
13 added to their regular -- it would be \$20 more to
14 their regular pay?

15 MR. BULEN: That is correct. That
16 is correct. And there will be one per location.

17 MEMBER SEXTON: Okay. Thank you.

18 MR. BULEN: Sure.

19 CHAIRMAN JAFFE: One other question.
20 I recall in 2020 there was a special additional
21 training pay bump for the November 2020 election
22 for poll workers. I don't know if you remember off
23 the top of your head what we did then.

24 MR. BULEN: I believe it was a

1 one-time COVID --

2 CHAIRMAN JAFFE: Right.

3 MR. BULEN: You're asking how much
4 was that, Mr. Chair?

5 CHAIRMAN JAFFE: Yeah. Hazard pay
6 kind of thing is how it was characterized.

7 MR. BULEN: 50, maybe. I think it
8 was maybe 50.

9 DIRECTOR WHITE: That sounds
10 correct.

11 MR. BULEN: But that was one time.
12 That funding came from a different source.

13 MEMBER SEXTON: It came from the
14 grant we got, yeah.

15 CHAIRMAN JAFFE: And did we see
16 better recruitment as a result of that to the
17 extent we can measure?

18 MR. BULEN: I would say it had to
19 help. It had to help.

20 CHAIRMAN JAFFE: Okay.

21 MR. BULEN: Honestly, sir, I take it
22 one election at a time. And I know that we're
23 gearing up for an August election where we may have
24 some challenges finding enough poll workers. So

1 we've done different things over the years to kind
2 of help with that. I think this is an
3 across-the-board increase that will make a huge
4 difference, I really, really do.

5 CHAIRMAN JAFFE: Okay. Thank you.

6 MEMBER MARINELLO: Well, I hope it
7 helps. And I move the Board approve the poll
8 worker pay increase as shown on Exhibit C.

9 CHAIRMAN JAFFE: Second.

10 DEPUTY DIRECTOR PAYNE: It's been
11 properly moved and seconded. All those in favor of
12 the motion, signify by saying aye.

13 All opposed, same sign.

14 Motion carries.

15 MR. BULEN: Thank you.

16 (Vote taken; motion passed.)

17 DEPUTY DIRECTOR PAYNE: The next
18 item on the agenda is the hiring of Brennon Woods
19 as a clerk in filings and petitions. Brennon comes
20 to us, he's been previously a legislative page in
21 the Ohio House. He was a constituent aide for a
22 Representative in the Ohio House. He has a
23 political science degree from The Ohio State
24 University. And he played a varsity sport when he

1 was at Otterbein.

2 And stand up, Brennon, and I will
3 let you figure out what sport he played.

4 MR. WOODS: Basketball.

5 DIRECTOR WHITE: I thought it might
6 have been squash.

7 MR. WOODS: Nice to meet you guys.

8 MEMBER MARINELLO: Same here.

9 MEMBER SEXTON: Welcome.

10 CHAIRMAN JAFFE: Do we know if Jeff
11 likes him?

12 DEPUTY DIRECTOR PAYNE: Jeff Mackey?

13 CHAIRMAN JAFFE: Yeah.

14 DEPUTY DIRECTOR PAYNE: He's
15 excited.

16 CHAIRMAN JAFFE: Well, with the Jeff
17 Mackey seal of approval, I will move that the
18 Franklin County Board of Elections hire Brennon
19 Woods as a full-time clerk in petitions and filings
20 beginning May 22, 2023, at a rate of 19.95 per
21 hour.

22 MEMBER MARINELLO: Second.

23 DEPUTY DIRECTOR PAYNE: It's been
24 properly moved and seconded. All those in favor,

1 signify by saying aye.

2 All opposed, same sign.

3 Motion carries.

4 (Vote taken; motion passed.)

5 DEPUTY DIRECTOR PAYNE:

6 Congratulations, Brennon.

7 DIRECTOR WHITE: Congratulations.

8 Welcome.

9 DEPUTY DIRECTOR PAYNE: That's all I
10 see on the agenda.

11 MEMBER SEXTON: I just had a
12 question. Katrina had mentioned that we have 282
13 polling locations this time. Last August, I think
14 it was, if my numbers are right, we had like 309
15 and we wound up filling 155. So the question I
16 have is what's the thought on how we're going --
17 are we going to be consolidating as many precincts
18 for this election as we did a year ago? Or just
19 the thoughts on if we're going to be able to get to
20 a number of hours served is 4,000. So if we can
21 get to that, I assume we will have to consolidate
22 precincts, consolidate voting locations, I should
23 say, and you know, there's notices for all of that
24 that have to go out --

1 DIRECTOR WHITE: That's correct.

2 MEMBER SEXTON: One or two --

3 DEPUTY DIRECTOR PAYNE: We went from
4 387 to 282. We called all of our voting locations
5 that we had last election, and there were 25 that
6 weren't available for a myriad of reasons. And so
7 we have 282. And we are combining them. We will
8 send out notices to those people that are affected.
9 Some of them are permanent changes and some of them
10 are temporary changes. So we will send out notices
11 to all of those people affected, letting them know
12 their new polling location, be it temporary or
13 permanent.

14 DIRECTOR WHITE: And, Mr. Sexton,
15 just to piggyback off of that, I think, last year,
16 August, there was a different line of thinking last
17 year. So last year for the second primary in
18 August, we had -- it was for legislative districts,
19 and we had -- that came a little later to us than
20 this one did. And also, too, we had a number of
21 uncontested races for that election. So we were
22 more purposeful in combining locations last year to
23 save dollars and to, you know, save on the amount
24 of poll worker resources we would need. The line

1 of thinking this year is a little different. It's
2 a full countywide, it's an issue, and we know it's
3 an issue in every precinct. So we don't have any
4 uncontested races, and so we think there will be a
5 bigger turnout. Last August was seven percent. We
6 believe it will be bigger. We don't know how much,
7 obviously, but we know it will be bigger. And so
8 with that, we wanted to keep intact as many
9 locations as we could. So our logistics department
10 did make those calls, we were able to figure out it
11 was 25 not available. And so we will do everything
12 we can to keep everything operating, just knowing
13 that, you know, this is a full election with an
14 issue on every ballot. So nothing uncontested, so
15 to speak, as we did a year ago.

16 It's easier to not move things from
17 a voter perspective, obviously, as you all know.
18 This change, the 25 will affect about seven percent
19 from the electorate, which I think is about 60,000
20 voters in the county. So that's just the line of
21 thinking we took here internally.

22 MEMBER SEXTON: But you think you
23 will be able to get to the 282?

24 DEPUTY DIRECTOR PAYNE: We are

1 already there.

2 DIRECTOR WHITE: That's our goal.

3 And we normally find a way to do it.

4 MEMBER SEXTON: Okay. That's a big
5 difference, 155, 282.

6 DIRECTOR WHITE: It is. I will tell
7 you, though, that what we report to the Secretary
8 of State won't change because we are using the
9 paper pollbooks. So we will still have to, at
10 minimum, have four precinct election officials per
11 precinct. That's the law. If you are using
12 electronic pollbooks, the Board can reduce that
13 number from four to two, but because we are using
14 the paper pollbooks, we have to maintain the four.
15 So we still have to recruit at minimum 35.

16 MEMBER SEXTON: 52.

17 DEPUTY DIRECTOR PAYNE: 35 to 52.

18 But we always try to recruit about 5,000 knowing
19 that that's roughly what we need in order to have a
20 comfortable election, so we know that voters have a
21 good experience. And also we know there's just
22 drop-off. So that's why we shoot for 5,000,
23 knowing we want to have a good voting experience,
24 and we will have some drop-off, people not showing

1 up. It's usually, what, 15 to 20% sometimes.
2 People who get trained, come to poll worker
3 training, get trained, go through the entire
4 process, and then not show up on Election Day. It
5 happens every election.

6 DEPUTY DIRECTOR PAYNE: Were you
7 specifically asking about poll workers or actual
8 locations?

9 MEMBER SEXTON: Just, well, I mean
10 locations, but normally one follows the other. If
11 we can't get the poll workers --

12 DEPUTY DIRECTOR PAYNE: We have
13 already solidified the 282 locations.

14 CHAIRMAN JAFFE: I think last year
15 we made the conscious decision to consolidate as
16 much as possible because we only had a couple of
17 contested races.

18 MR. BULEN: If I may, Director.

19 DIRECTOR WHITE: Yes.

20 MR. BULEN: Our really cool board
21 just agreed to a poll worker pay raise; so that
22 will help.

23 MEMBER SEXTON: Try to get some
24 press out of that, so.
