GOOD TO KNOW

Precinct Election Officials are always in great demand. The Board of Elections hires 4,000 individuals to serve as Precinct Election Officials for each Election Day. Persons interested in becoming Precinct Election Officials should call the Board of Elections at (614) 525-5393 or apply online at vote.franklincountyohio.gov.

WELCOME!

and thank you for serving as a Precinct Election Official (PEO).

The Franklin County Board of Elections is committed to conducting fair and impartial elections that are well organized and professionally managed—something that would be impossible without you.

As a PEO, it is your job to assist voters and help ensure that the election is conducted lawfully. In addition, you will:

- oversee setup of your Voting Location
- work as part of a team to ensure that Election Day runs smoothly and successfully
- help keep the entrance to the polling location open and unobstructed
- ensure that every voter is able to check in and vote freely by preventing any attempts to obstruct, intimidate or interfere with their rights
- ensure that all forms, ballots, Touchpad(s), and machines remain available, safe and free from tampering
- escort any person from the polling location for actions that violate any provision of Title 35 of the Revised Code (the Election Laws of Ohio)
- deal with difficult or special situations (including possible riots or violence) as the need arises.

[Online Precinct Election Official Survey Form](#)

At your earliest convenience after Election Day, please access our **online Precinct Election Official Survey Form**. The information you provide to us on the survey is very helpful in improving the Election Day experience for both PEOs and voters. The link to our survey will be accessible for one month after any election, but we ask you to provide your comments as soon as possible, while they are still fresh in your minds.

The link to our survey site is:

As a PEO, you're part of a team.

Ohio law provides that the maximum number of voters assigned to a voting precinct is 1,400, and at a minimum:

- Four voters of the county in which a single precinct is located are to be selected by the County Board of Elections to serve as PEOs in that precinct
- Two voters of the county in which multiple precincts are located are to be selected

The Board of Elections staff will select one PEO per location to act as a Voting Location Manager, with overall responsibility for overseeing the election process, including the opening and closing of the polling place and the transporting of ballots, and returning Touchpad(s) and voting materials to the Board of Elections after the polls close. The law requires that the Voting Location Manager has the same political affiliation as the party whose candidate for Governor received the most votes in that location at the last regular state election for Governor.

Each team is comprised of one Voting Location Manager and at least three other Election Judges. Each type of Judge has specific responsibilities, which are outlined in greater detail in dedicated sections of this book.

VOTING LOCATION NUMBERS

Every voting location is assigned a Location Identification Number or LID#, which is used to identify voting equipment, hardware, and some other materials and tells you how many precincts are in the voting location. LID#s are assigned as follows:

LID 1000s	One precinct within the voting location
LID 2000s	Two precincts within the voting location
LID 3000s	Three precincts within the voting location
LID 4000s	Four precincts within the voting location
LID 5000s	Five precincts within the voting location
LID 6000s	Six precincts within the voting location
LID 7000s	Seven precincts within the voting location
LID 8000s	Eight precincts within the voting location
LID 9000s	Nine precincts within the voting location

The number of Precinct Officials assigned to a voting location depends on how many precincts are in that location. The Voting Location Manager manages all precincts within his or her voting location.

THE TEAM AT A GLANCE

PEOs should work in the position for which they were trained. VLMs and VLDs (Voting Location Deputies) should have a good working knowledge of other judges' positions.

VOTING LOCATION MANAGER/DEPUTY

The person in charge of the voting location, who is responsible for the overall conduct of the Election at the precinct Polling Location.

ROSTER JUDGE

Processes voters using Touchpad(s)

PAPER BALLOT JUDGE

Oversees all paper ballot voting and processes Provisional Voters

MACHINE JUDGE

Oversees voting on the Ballot Marker, Kiosk and Ballot Counter

LOCATION LIAISON

Welcomes and assists Voters, and ensures they deposit their ballots before leaving

YOUTH AT THE BOOTH

The Youth at the Booth program has recruited several hundred high school students to work at polling locations during the Election. These students are trained to be PEOs, and receive the same training as the adults. As such, they should be accorded the same respect and held to the same expectations as adults.

FIELD TECHNICIANS

Specially trained Field Technicians visit pre-assigned voting locations to troubleshoot problems and provide Election Day support to PEOs.

AN ELECTOR CANNOT SERVE AS A PRECINCT ELECTION OFFICIAL IF THAT ELECTOR: (A) HAS BEEN CONVICTED OF A FELONY OR ANY VIOLATION OF THE ELECTION LAWS, (B) IS UNABLE TO READ AND WRITE THE ENGLISH LANGUAGE READILY, (C) IS A CANDIDATE FOR OFFICE TO BE VOTED FOR BY THE VOTERS OF THE PRECINCT IN WHICH THE PERSON IS TO SERVE, OTHER THAN A CANDIDATE FOR COUNTY CENTRAL COMMITTEE WHO IS NOT OPPOSED BY ANY OTHER CANDIDATE IN THAT PRECINCT, (D) WILL BE SERVING IN A PRECINCT OR POLLING PLACE WHERE A FAMILY MEMBER OR BUSINESS ASSOCIATE WILL APPEAR ON A BALLOT FOR ELECTION OR NOMINATION TO ANY PUBLIC OR PARTY OFFICE AT THAT SAME ELECTION.

THE BASICS

FAQs

How much time will be expected of me?

MANDATORY TRAINING: 2 TO 3 HOURS

As a PEO, you are expected to attend and pass one mandatory training class before each election. Depending on your position, you should expect to spend between 2 and 3 hours for an in-depth, hands-on session. Since there are always new and adjusted procedures to be learned, you must attend a class for each election you work and prove comprehension before being assigned.

PRACTICE MAKES PERFECT (PMP) TRAINING: VARIED

During the last weekend before the election, after you have completed your mandatory training, we offer special “Practice Makes Perfect” Open House review sessions to help you brush up on your skills, get answers to your questions, and increase your confidence. These sessions are optional for some and do not take the place of mandatory training classes. We recommend Practice Makes Perfect for all, but strongly advise first-time PEOs to attend, including those working a new position. You will find information for PMP sessions on the inside back cover of this book.

MONDAY NIGHT SETUP: 2 HOURS

ONLINE PEO TRAINING: APPROXIMATELY 1–2.5 HOURS

We strongly recommend you complete the online training prior to your official training session. (You should have received an e-mail with a link.)

ELECTION DAY: 15 HOURS

On Election Day, you’ll be expected to serve approximately 15 hours, from 5:30 a.m. until the Voting Location Manager releases the team at approximately 8:30 p.m.

GOOD TO KNOW

You will only be paid for training and all other duties if you work on election day.

GOOD TO KNOW

Most Voting Locations will be available to set up the night before the election.

GOOD TO KNOW

During the election, there must always be at least two PEOs (cannot be members of the same political party) present to assist voters. Youth at the Booth under the age of 18 are considered to be politically neutral.

GOOD TO KNOW

Remember, compensation paid for election worker services is included in income, and may be subject to income tax and FICA taxes as well as reporting requirements.

How Much Will I Be Paid?

PEOs are paid for their time on Election Day, Monday Night set-up, for ONE mandatory training session and for attending a “Practice Makes Perfect” Open House the weekend before the election. Please allow six weeks after the Election for payroll to be processed and to receive compensation. Compensation is as follows:

MONDAY NIGHT SETUP

VLM: \$90

VLD: \$60

All other Judges: \$55

ELECTION DAY

All PEOs: \$133.72

MANDATORY TRAINING SESSION

Voting Location Manager/Deputy: \$80

Will I Get Breaks?

On Election Day, the Voting Location Manager will assign meal and break times to ensure that coverage is maintained. If voter traffic allows, each PEO will get one hour for lunch, and potentially shorter breaks of 15 minutes as time allows. All PEOs must be back from lunch no later than 4 p.m., and must remain at the voting location until dismissed by the VLM.

PEO CONDUCT

Setting the tone for your voting location

Although you will find your Election Day service to be rewarding, it can be filled with long lines and short tempers. As a PEO, your behavior sets the tone for your location and serves as an example to voters. Treating both the voters and the other Precinct Election Officials with courtesy and respect are the keys to ensuring a smooth process.

REMEMBER: IF YOU ARE PATIENT WITH OTHERS, THEY WILL BE PATIENT WITH YOU...EVENTUALLY :-)

GETTING READY TO BE YOUR BEST

Plan to get plenty of rest the night before so that you can work efficiently, treat voters in a professional manner, and easily resolve any problems that may arise.

In addition, ensure your personal comfort throughout the day by:

- bringing any medications, eyeglasses, etc. you require
- wearing comfortable shoes
- bringing drinks, meals and snacks for breaks
- arranging for the care of any children, dependents, or pets
- dressing in layers, and bringing a jacket or sweater

ETHICS EXPECTATIONS

A directive issued by the Secretary of State creates a comprehensive ethics policy for all PEOs throughout the State of Ohio. Elections Officials are expected to maintain the highest level of integrity and to comply with all legal requirements. (You'll find key components of the Ethics Directive in APPENDIX C at the back of this book.)

On Election Day, all PEOs will be asked to acknowledge that they have read the Ethics Agreement and will abide by it. This acknowledgement is included as part of the "Oath of Office."

GOOD TO KNOW

The polling place is not a place for children of PEOs. Please arrange for child care while you are working the polls.

GOOD TO KNOW

About Cell Phones: The Voting Location Manager will have an official cell phone in his or her supply kit, but we encourage you to have your personal cell phone with you when you arrive in case your voting location is not open. You may use your personal cell phone during breaks, but not while performing official duties.

[See Ethics Directive by the Secretary of State in the back of this manual.](#)

ETHICAL EXPECTATIONS INCLUDE:

- being on the job when expected
- maintaining confidentiality
- not taking home for personal use any supplies that are provided for your voting location

UNACCEPTABLE CONDUCT

Under no circumstances may a PEO...

- campaign at the polling location or attempt to influence any voter or other PEOs as to their vote for or against a candidate or issue
- wear or disseminate any campaign literature or paraphernalia, including but not limited to literature; partisan sample ballots; and campaign badges, clothing or buttons
- introduce into the polling place or use during their working time any items that might distract them from the management of the polls (e.g., laptops not provided by the Board of Elections, cell phone for personal calls, newspapers, news magazines, iPods or other music players, radios and televisions)
- solicit contributions for raffle tickets or charities, or have for sale anything at the polling location (e.g., baked goods, candy or crafts)
- place any food or drink on the Roster Table, in the Paper Ballot Area, or on or near the voting equipment and supplies
- engage in any activities identified as illegal or unacceptable according to the Board of Elections, the Secretary of State, or state or federal law
- refuse to enforce election laws, especially the laws that apply to precinct polling locations (R.C. 3501.33 and R.C. 3501.35)
- carry a weapon or firearm into the polling location
- possess or transfer possession of a ballot outside of his/her official Election Day duties

Violations of any ethics policy by a Precinct Elected Official may result in dismissal from service and no opportunities for further service as a PEO.

KEEPING POLLING INFORMATION SECURE

On both Setup and Election Days, the PEOs are responsible for ensuring that the forms, ballots and machines remain safe, undisturbed and free from tampering. Each one of the following procedures helps to keep the voting process secure, and is critical in ensuring that, after Election Day, Election Officials can account for all that has occurred at the polling place. See the individual job sections for more information about the ultimate responsibility for each of these procedures.

- Inspect and unlock the storage carts and record that information.
- Inspect machines for physical damage and check tamper-proof tapes, seal numbers and security seals
- Keep a record of all voters who enter the polling location
- Keep a record of all ballots issued, including provisional ballots and spoiled ballots
- Document any incident that may affect the election results, including:
 - delays in opening the polling location
 - machine problems
 - “fleeing” voters who leave the polling location without having their ballot marked or counted
 - any other incidents that you believe might have an impact on the election
- Report any suspicious activity in or around the voting location to the Board of Elections
- Fill out every form legibly and completely
- Return the correct materials to the Board of Elections on Election Night

GOOD TO KNOW

Keeping records of suspicious events while the polls are open is one of the most important duties the VLM is asked to perform. Accurate documentation in the Location Workbook tells the complete story of what transpired at your polling location on Election Day. Your records will be used by the County Board of Elections to resolve any issues that arise during the current election and to plan for future elections.

SAFETY & SECURITY

AWARENESS TIPS FROM THE FRANKLIN COUNTY SHERIFF'S OFFICE

As a PEO, one of your most important duties is helping to keep your polling location safe. Be observant, check in regularly with building staff and security, and keep your eyes open for anything that seems unusual, including:

- Suspicious persons who don't vote or who spend time observing the polling place
- People who ask unusual questions or show unusual interest in when the polls close, when the ballots are to be picked up, security procedures or other procedures, not related to voting
- Vehicles that appear out of place or suspicious and cannot be accounted for by building management, employees or PEOs
- People taking pictures of the polling area, other than members of the media
- People who are reluctant to identify themselves or who are obviously avoiding PEOs
- Packages left unattended or that appear to be unusual

If You See Something, Say Something.

Report any suspicious behavior or activity to The Franklin County Sheriff Radio Room at 614-525-3333 or If a situation is an emergency or life threatening, call 911.

Factors such as race, ethnicity, national origin, or religious affiliation alone are not suspicious. For that reason, you should report only suspicious behavior and situations (e.g. an unattended backpack or someone trying to break into a restricted area) rather than beliefs, thoughts, ideas, expressions, associations, or speech unrelated to terrorism or other criminal activity.

BE PREPARED TO REPORT THE FOLLOWING DETAILS:

for individuals:

Race/Sex
Height/Weight
Hair Color
Facial Hair
Tattoos or Scars
Clothing Description

for vehicles:

Make/Model/Year
Color
License Plates (# and State)
Description of Driver/Occupants
Activity
Distinguishing Features

NOTES

IN CASE OF EMERGENCY

IF YOU HAVE ANY PROBLEMS, QUESTIONS OR CONCERNS CALL THE BOARD OF ELECTIONS: (614) 525-4100

Important procedures & telephone numbers

IF VOTING LOCATION IS NOT OPEN AT THE SCHEDULED MONDAY EVENING SETUP TIME:

- Team Leader should call the Board of Elections.

IF POLLING PLACE IS NOT OPEN BY 5:30 A.M. ELECTION DAY:

- VLM should call the Board of Elections at 614-525-4100, option 2

MEDICAL EMERGENCY

- Call 911
- Once the medical emergency is under control, please make a follow-up call to the Board of Elections

EVACUATION OF YOUR VOTING LOCATION

If you must leave your voting location due to an emergency like fire or tornado:

- Keep calm. Your safety and the safety of your co-workers and the voters is our first concern
- Gather and secure the following if safety and time allow:
 - *Voted* Ballot Bag(s)
 - USB Stick from the Ballot Counter
 - Touchpad(s)
 - Official Cell Phone
 - The Location Workbook
 - The Roster Workbooks
 - Paper Ballot Judge Workbook

- Authority-to-Vote (ATV) Slips
- If any of the above are removed, at least one PEO (and preferably two, not of the same political party) must remain with the equipment at all times.
- Go to a safe location, as instructed by public safety officials or as determined by the Voting Location Manager
- As soon as you can, contact the Board of Elections for further instructions

IF AND WHEN YOUR VOTING LOCATION CAN BE RE-OPENED:

- Inspect the voting area
- Report any irregularities or problems to the Board of Elections.
- Replace USB Stick (if removed) into Ballot Counter, place new Blue Tamper-proof Seal across compartment door, and record new seal on Certificate #1
- Continue processing voters

IF POWER GOES OUT, THE MACHINES HAVE BATTERY BACK-UP SO YOU CAN CONTINUE VOTING.

- Call the Board of Elections Hotline to report outage. Allow voting to continue if the location is deemed to be safe.
- Retrieve the pad of Authority-to-Vote Slips from the VLM Supply Bag to be used as follows:
 - AS AUTHORITY-TO VOTE SLIPS
 - Handwrite Precinct ID and Ballot Style (and Party-Primary Elections only) on front of slip
 - AS REASON FOR PROVISIONAL BALLOT SLIPS
 - Mark through front of slip.
 - Turn slip over and write “Provisional” at the top.
- AS VOTER TRANSFER FORMS
 - Mark through front of slip.
 - Turn slip over and write the Name and Address of the Voter’s correct location. (You will still be able to obtain this information from the County Road and Street Guide)

GOOD TO KNOW

85% of polling location accidents occur during the setting up of equipment, and most falls occur in the early morning hours.

ACCIDENT PREVENTION & POLLING PLACE PROTECTION

The Franklin County Board of Elections is committed to making each and every polling place as safe and accident free as possible. To that end, we want every PEO to be aware of potential safety hazards and know how to prevent accidents. We've listed the top safety issues and steps for their prevention below.

PREVENT SLIPS, TRIPS AND FALLS

Slips generally occur when floors or other walking surfaces become wet or oily due to cleaning, rain or snow, and leaks. Trips may be caused by materials and debris left in walkways, uneven floor surfaces, improperly secured electrical cords, holes or depressions, bunched floor mats or carpets, and uneven stair risers. Should you be made aware of any of the above hazards, notify your Voting Location Manager immediately. To prevent slips and trips:

KEEP THINGS CLEAN AND CLEAR

- Keep workplaces and floors as clean, orderly and dry as possible
- Keep all aisles and passageways clear, and remove any and all obstructions
- Ensure that aisles are sufficiently wide for voters to walk to voting equipment (36" per ADA guidelines)

CLEAN SPILLS IMMEDIATELY

- Alert the building steward and ask him/her to block off any spill as soon as it occurs. Keep it marked until it has been cleaned entirely.

WEAR PROPER FOOTWEAR

- During inclement weather, wear appropriate boots or shoes, and change into your "regular" shoes once inside the Polling Location
- Wear closed-toed shoes rather than sandals for extra protection

SECURE ELECTRICAL CORDS AND OTHER TRIPPING HAZARDS

- Secure electrical and extension cords with tape placed lengthwise along the cord

PROTECT YOUR HANDS

- When handling equipment, avoid "nip" points, which can pinch or severely injure fingers and hands
- Never use excessive force to close machine locks

KNOW YOUR POLLING LOCATION

- Determine where the exits are in case of fire or emergency
- Know safest place to go during tornados or severe storms
- Familiarize yourself with poorly lighted areas and use a flashlight in the dark to guide you

GOOD TO KNOW

An ADA Folder with comprehensive information regarding any necessary ADA-compliance changes to your specific voting location will be included in the VLM Supply Bag. Please be sure to read and ensure your voting location meets all stipulations.

ASSISTING VOTERS WITH DISABILITIES

Under both state and federal law, Ohio polling locations are required to be accessible to people with disabilities. The Help America Vote Act (HAVA) requires that all voters must have the ability to independently cast a private ballot. The Americans with Disabilities Act (ADA) sets standards for ensuring that people with disabilities have equal access to public services and facilities, including polling locations.

GENERAL GUIDELINES

Here are some guidelines for PEOs when interacting or communicating with all voters who have disabilities.

- Be courteous and respectful.
- Use common sense—it will provide the answers to most questions.
- Do not underestimate persons with disabilities—disability does not equal inability.
- Allow a little extra time to get things done. It is considerate to offer a seat and give unhurried attention to the elderly, those with disabilities, and those who have difficulty speaking or hearing.
- Always speak directly to the voter and not to their companion, aide or interpreter.
- **ASK** before you help. The person may not want or need assistance. Don't insist; respect the voter's wishes.
- Offer assistance discreetly; your courtesy will be appreciated. Once assistance is offered, wait until the offer is accepted. Then listen and wait for instructions.
- Treat adults like ... adults. Never patronize people in wheelchairs by patting them on the shoulder or head.
- Never distract a service animal; they are working.
- If your voting location is in a building with several routes through it, be sure that there are sufficient signs to direct people to the most accessible way around the facility.
- Relax. Common expressions like “see you later” or “walk over here” are unlikely to make a person with a disability uncomfortable; don't be embarrassed if you use one.

ASSISTING VOTERS WITH SPECIFIC DISABILITIES

Voters needing assistance reading/marking the ballot due to blindness, disability or illiteracy may ask for assistance from the individual of their choice with the exception of:

- Their employer
- An agent of their employer
- An officer or agent of their union
- A candidate on the precinct's ballot

Voters may also receive assistance from two PEOs, each from a different political party.

VOTERS WHO ARE IN WHEELCHAIRS OR HAVE MOBILITY IMPAIRMENTS

- Make sure chairs are available for the disabled, ill, elderly or pregnant.
- Make sure signs are posted inside and out with regard to parking and other conveniences.
- Do not push or touch a person's wheelchair without prior consent.
- Do not lean or hang on a person's wheelchair; adaptive equipment is an extension of the body and part of someone's personal space.
- Place yourself at eye level by sitting or kneeling when speaking with someone in a wheelchair so that they don't have to look up at you to communicate.
- Ask before helping. Grabbing someone's elbow might throw them off balance. Opening the door for someone leaning on a door might cause them to fall.
- Fasten mats and throw rugs securely or move them out of the way.
- Keep floors as dry as possible on rainy or snowy days.
- Keep the ramps and wheelchair-accessible doors to the voting location unlocked and barrier-free.

VOTERS WHO HAVE SPEECH OR HEARING IMPAIRMENTS

- Gently tap a person who has a hearing impairment on the shoulder or wave your hand to get their attention.
- Follow the voter's cues to determine whether speaking, gesturing or writing is the most effective method of communication.
- Listen carefully and never pretend to understand; instead repeat what you understood and allow the person to respond.
- Do not shout. Your facial expressions, gestures, and body movements can aid in understanding. Face the voter at all times (they may be able to read lips), and keep your face in full light.
- Ask questions that require only short answers or a nod of the head.
- Be patient.

VOTERS WHO ARE DEAF

- Gently tap a person who is deaf or has a hearing impairment on the shoulder, or wave your hand to get their attention.
- Identify who you are by showing your name badge.
- When speaking to the voter, do so calmly, slowly and directly. Do not shout or exaggerate.
- Communicate in writing, if necessary.
- If you are not understood at first, repeat or rephrase your thought.

VOTERS WHO ARE BLIND OR VISUALLY IMPAIRED

- Identify yourself and state that you are a Precinct Election Official as soon as you come in contact with the voter.
- Ask if you may be of assistance and verbally offer your arm to the voter. If assistance is accepted, gently place your arm under the hand of the voter rather than taking the voter's arm.
- If the voter has a guide dog, walk on the opposite side of the voter from the dog. Do not feed, pet or otherwise distract the dog without the permission of the owner.
- When giving verbal directions to navigate the voting location, be as specific as possible and indicate obstacles in the path of travel, For example, "The precinct table is at 3:00; we are processing voters there."
- Let the voter know if you are going to leave them.
- Offer the magnifier sheet to any voter whose vision is impaired.
- Remember that visual impairment or blindness does not equal hearing impairment; do not shout.

PICTURE OF A PERFECT POLLING PLACE

The VLM Supply Bag contains an ADA Folder of all changes necessary to make your voting location ADA compliant. After making all of the changes listed in your ADA Folder, double check to ensure that the following are in place. The next few pages will provide you with illustrations and more specifics to give you a preview of the sorts of things you'll be asked to do on Election Day.

THESE ITEMS MUST ALWAYS BE IN PLACE

IF NOT CORRECT THE SITUATION

Accessible parking spaces with vertical parking accessibility signs and access aisles. These signs, which include the international symbol for accessibility and fine rates of up to \$500, are posted at 60" high. If applicable, "Van" signs should designate van parking space(s).

Notify a Rover.

Directional Signs to guide voters to the nearest accessible entrance to the polling place

Post Directional Signs to designate accessible entrances.

Curb cuts, level transitions or temporary ramps that allow voters to get from the parking lot to the sidewalk.

Call the PEO Hotline and ask for assistance.

Walkways to the polling place that are at least 36" wide. Doorways that are at least 32" wide

Find a new route to the polling place and place signs accordingly. Leave a 36" pathway through the voting room.

No obstacles in or on the sidewalk that could cause problems

Find a new route to the polling place if possible, or post signs directing voters around the problem area.

Door handles that can be used with a closed fist

Prop door(s) open.

No locked doors at any alternate entrances being used specifically for accessibility

Unlock doors. Prop open, if possible.

Seats available for elderly, ill, pregnant, or disabled voters

Place chairs in the voting room and near the lines.

No tripping hazards like loose mats or unsecured electrical cords

Do your best to avoid or secure loose mats, cords and wires.

No objects attached to the wall that protrude more than 4 inches

Place chairs, trash cans or cones underneath the protruding object(s) to make them cane-detectable.

EQUIPMENT AT A GLANCE

Many polling locations will be provided with some or all of the following temporary ADA equipment to use on Election Day. Here's a quick overview at what each item looks like, and where it may be used.

TRAFFIC CONES

Place under qualifying wall protrusions, and use to identify tripping hazards and mark temporary handicapped parking spaces.

BLACK RUBBER MATS

Use to level all uneven doorway thresholds and transitions with non-beveled edges measuring more than 1/4" in height.

RUBBER DOOR STOPS

Use to prop open any doors not equipped with attached door stops.

ACCESSIBLE ENTRANCE SIGNS

Use wherever necessary to more clearly mark the route from the parking lot to the accessible entrance.

VOTING TODAY SIGNS

If an accessible entrance other than the main entrance is identified, use these signs to clearly mark the interior route from the door to the voting area.

Van Accessible

\$500 Fine

HANDICAPPED PARKING SIGNS

You may receive up to four different types of signs to help you designate handicapped parking spaces.

These include:

- Van Accessible Signs**
 Attach to permanent Handicap Parking signs that do not indicate van accessibility (and are wide enough (8') to accommodate a van and ramp).
- \$500 Fine Signs**
 Attach to permanent Handicap Parking signs that do not already call out \$500 Fine.
- Temporary Handicapped Parking Signs**
 Place at the head of any spaces designated as Handicapped Parking spaces in your ADA folder.
- Temporary Handicapped/ Van Accessible Signs**
 Place at the head of any spaces designated as Van Accessible Handicapped Parking spaces in your ADA folder.

PARKING LOT

Accessible parking must be provided for people with disabilities in order for them to park and be able to enter and exit their vehicles just like any voter. Most parking lots are already ADA compliant, with the number of ADA spaces allotted based upon a percentage of the total number of spaces in the lot.

Prior to Election Day, a team will have checked for permanent Handicapped Parking spaces at your location. It is your job to set up any designated temporary Handicapped Parking spaces as indicated in your ADA folder.

- Permanent ADA-compliant spaces will be wider than regular spaces, marked by vertical signs, painted on-ground wheelchair graphics, or both. If the space is wide enough (8') and the existing sign **does not** call out Van Accessibility, you will be asked to attach a temporary "Van Accessible" sign to the pole. If the existing sign **does not** have a "\$500 Fine" sign, you will be asked to attach one to the pole.
- The diagram below shows one possible set up of temporary Handicapped Parking spaces in regular width spaces. In this example, a center space has been left open, marked with a Van Accessible sign, and blocked with cones to allow for ramps. Your ADA folder will show you any specific set ups for your location.

GOOD TO KNOW

To attach temporary "\$ Fine" and "Van Accessible" to permanent ADA signs, position the temporary sign beneath the existing sign, wrap one loop of the rubber band around the front of one side of the temporary sign, stretch the rubber band around the back of the pole to the other side, and secure the other loop around the front of the other side.

QUICK FIX

QUICK FIX

Problem: Obstacles or obstructions in walkways
Solution: Mark permanent obstructions with traffic cones; move portable obstructions out of the way.

WALKWAYS & TRIPPING HAZARDS

People with disabilities should be able to exit their vehicles, approach the building, and enter as freely as everyone else. At least one route of travel should be safe and accessible for everyone—wide enough for wheelchairs, free of tripping hazards, and clear of obstacles.

Walkways and tripping hazards at your specific location will be predetermined before Election Day, and your ADA folder will have specific instructions for you to follow. Basic guidelines are:

WALKWAYS

The accessible walkways at your voting location have been predetermined to be at least 36" wide to allow wheelchair access. As you walk the route outlined in your ADA folder, please check for permanent obstacles that may have been overlooked, and mark any you find with a traffic cone. In the case of obstacles that may have been accidentally moved onto the walkway, e.g. trash cans, thereby narrowing the accessible path, please move them out of the way.

UNEVEN THRESHOLDS & TRANSITIONS

Black rubber mats must be placed on either side of a doorway threshold or transition anytime there is a change in the height of the ground greater than 1/4". If a threshold is beveled, such that a wheelchair can roll up and over smoothly, no mat is needed. If, however, the threshold has a non-beveled edge greater than 1/4" black mats must be placed on either side to smooth and even the transition.

FLOOR OBSTRUCTIONS

From heat grates to potholes to the metal cleat cleaners found in some school entrance ways, floor obstructions must be clearly marked. Use traffic cones to mark any potential obstructions, and create a clear path around them.

QUICK FIX

Problem: Uneven doorway threshold or transition

Solution: Level the surface with black rubber mats placed on either side as necessary.

GOOD TO KNOW

If an exterior door does not have an accessible handle and must be propped open, as a courtesy advise the facilities manager or other person in charge of your voting location building of the necessity to keep the door propped. It's likely that they have already been informed, but it's always nice to make sure they understand the situation.

DOORS & DOORWAYS

All voters, regardless of disabilities, should be able to open doors independently and move freely through the doorway. Please double check to ensure that each doorway on your location's accessible route is:

EQUIPPED WITH AN ACCESSIBLE HANDLE

All door handles must be operable with one hand without requiring grasping, turning or twisting. Lever-type handles that can be pushed down with a closed fist may remain closed. Doors with all other types of handles must be propped open.

ADA lever-type handle

**QUICK FIX:**

Problem: Door handle can't be operated with a closed fist

Solution: Prop door open with attached stopper or with temporary rubber stops found on the Machine Cart

WALL PROTRUSIONS

The interior accessible route must connect the Accessible Entrance with the designated voting area or room. Hallways, lobby areas, corridors, and interior rooms and spaces must all be checked for wall protrusions that could impede the circulation path or cause injury.

- Your ADA folder will identify any and all objects that protrude 4" or more into the circulation path, and that are between 27" and 80" from the floor. It is your job to place a traffic cone underneath each one, if any.
- If the wall protrusion has a corner that juts out farther than its base, a cone must also be placed directly beneath the corner.

QUICK FIX:

Problem: You spot a wall protrusion that wasn't called out in your ADA Folder, but which you think could cause an injury.

Solution: Go ahead, and place a traffic cone beneath it just in case; It's always better to be safe than sorry.

Typical protrusions:

- Drinking fountains
- Defibrillators
- Fire alarm boxes
- Trophy Cases
- Air Conditioners
- Fire extinguishers
- Counter Tops

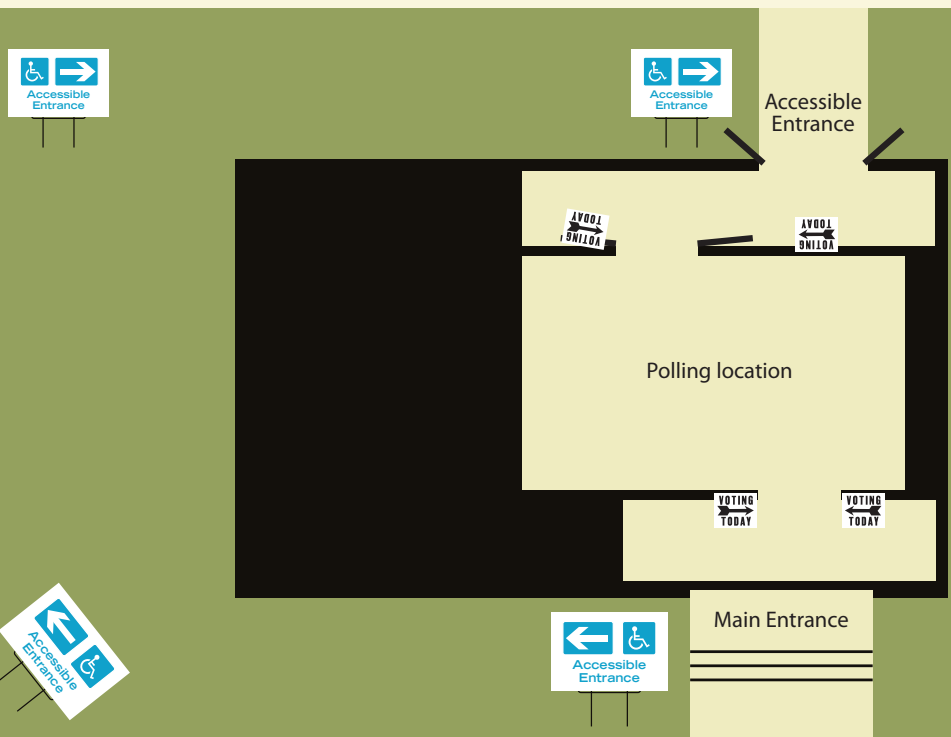

GOOD TO KNOW

Remember to think about the interior route from the accessible entrance to the voting area. It may be necessary to post additional “Voting Today” signs along the new interior route to make the way clear.

**QUICK FIX**

Problem: Signs difficult to see
Solution: Reposition signs slightly, or add more signs

WAYFINDING

Directions to Alternative Entrances

An accessible polling location must have at least ONE accessible entrance—connected to an accessible route to the voting area—that a person with a disability can access independently.

Your ADA folder will have instructions as to where to place wayfinding signs in order to show the way to a designated handicapped-accessible entrance. Once you’ve posted all the signs, walk the route again to ensure all signs are positioned correctly. Specifically:

- Make sure at least one “Accessible Entrance” sign is visible from the Handicap parking spaces.
- As you walk the route, stop by each “Accessible Entrance” sign and make sure you can see the next sign.
- Ensure that all signs are positioned with the arrows pointing the correct direction.
- Crouch to seated height to ensure no bushes or other obstacles are blocking the view of the next sign.

If, after walking the route, you determine more signs are needed, place them as necessary.

CURBSIDE VOTING

When a voter is unable to enter the Polling Location, it is every PEO's responsibility to make sure he or she is given the opportunity to cast his or her ballot from a curbside vehicle. Although Curbside Voting falls under the ultimate purview of the Voting Location Manager, ALL PEO's are permitted to help any voter who chooses to vote curbside. Please see the Voting Location Manager section of this manual for further details on assisting Curbside Voters.

ONCE AGAIN, PLEASE REMEMBER:

A team will have visited every voting location prior to Election Day to determine the temporary ADA needs of each specific site. Your role is not to change their decisions, but merely to follow the simple instructions in the official ADA folder in your VLM Supply Bag.

We're confident that our ADA team will have covered all the important bases to make each location accessible to all, but if you see something that you think might have been missed, discuss it with your rovers when they visit your location during the day.

THE VOTING LOCATION MANAGER

As a Voting Location Manager, it is your job to:

Remember, as the VLM, your behavior sets the tone for the entire election. Be sure to treat all PEOs and voters with the utmost courtesy.

- check and arrange the location, inside and out
- manage the polling place throughout the day

PART ONE:

INITIAL PREPARATIONS

AS VOTING LOCATION MANAGER, YOUR RESPONSIBILITIES BEGIN WELL BEFORE ELECTION DAY.

Before Election Day Setup:

- Visit your voting location.
 - Check parking and accessibility for disabled voters.
 - Find out where voting location is to be set up, and which door will be unlocked.
 - Check availability and possible placement of tables and chairs.
 - Ensure you have a contact number for a person in the facility in case you need assistance.
 - Check for the location of lights, light switches, and power outlets.
 - Verify that the correct machine carts have been delivered, or confirm with the Board of Elections when they will arrive.
 - Check on availability of restrooms, kitchen, microwave, refrigerator and/or water.
 - Thank your building contact for use of the facility.
- Verify you have received a Supply Pick-up Card (APPENDIX 7) in the mail. Please notify the BOE if you did NOT receive.

On the Sunday before Election Day:

- Pick up your VLM Supply Bag and Touchpad(s) at the Board of Elections Warehouse.
 - Drive to the BOE located at 1700 Morse Road anytime between 8:00am and 1:00pm
 - Don't forget to bring your signed Supply Pick-up Card
 - Check for a tag on your Supply Bag indicating whether a key to your polling location is enclosed

TOUCHPADS WILL BE SEALED IN A CASE. DO NOT OPEN CASE UNTIL MONDAY NIGHT SET-UP.

Check all supplies in the VLM Supply Bag against the Supply Checklist also included in the bag to make sure you have everything you need.

- Be certain to check for the ADA Folder with specific instructions/diagrams concerning parking and accessibility for disabled voters.
- If any of your supplies are missing, call (614) 525-6703

Check to ensure the Touchpad(s) Case you received are the ones assigned to your LID number.

IT IS IMPERATIVE THAT YOU CHECK YOUR VLM SUPPLY BAG FOR THE ADA FOLDER CONCERNING PARKING AND ACCESSIBILITY FOR DISABLED VOTERS AS INSTRUCTIONS MAY HAVE CHANGED, AND WE MUST ENSURE COMPLIANCE.

Familiarize yourself with and charge your cell phone so that it is ready to go when you reach your Voting Location.

On the Monday night before Election Day, one of the following will be delivered to your voting location by courier:

- Supplemental Paper List
OR
- Notice of No Additional Absentee Voters

GOOD TO KNOW

The Voting Location Supply Listing (APPENDIX 2) is a detailed list that identifies which supplies you should have at the beginning of the Election and where they are located.

PART TWO:

VOTING LOCATION SETUP

SETUP OVERVIEW

As a Voting Location Manager, it is your job to oversee the set up of the voting location, including the machines, room arrangements, and placement of signs, flags, and temporary ADA equipment, inside and out.

Your polling location should be set up to be efficient, convenient and accessible to all voters, including persons with disabilities. Although some polling locations offer a significant challenge, you need to ensure that the flow of traffic is logical, and that all equipment can easily be assessed by election officials and voters.

THE IDEAL POLLING LOCATION

In general, you want to set up your polling location to ensure:

- PEOs can observe voters entering, going through the voting process, and leaving
- Every step of the voting process is open to the voter's view (except, of course, how others are voting)
- Tables and materials are organized efficiently, and all necessary voting supplies are easily accessible to PEOs
- All voters, including those with disabilities, can easily get into and out of the polling place, have access to any voting device, and are able to easily read any signs and information postings
- Voters can move easily from the Roster Table to the place where they mark their ballot and then to the exit to cast the ballot
- Machines or voting compartments are arranged for privacy and safety
- Directional signs are posted outside the entrance and throughout the building
- Small flags and "No Campaigning" signs are placed 100 feet from the entrance
- Large flag is placed at the main entrance
- All required signs and voter registration lists are prominently posted inside the polling location
- Food, drinks and snacks are located in an area separate from voting supplies and equipment.

GOOD TO KNOW

The flags are required by law to identify the outer boundary of the 100-foot electioneering-free zone for the polling place.

GOOD TO KNOW

You can use sand-filled plastic jugs or other heavy objects to secure signs and flags if no grassy area is available.

GOOD TO KNOW

The key attached to the cell phone bag opens the security locks on all storage carts. Make sure you know where it is at all times.

These charges will be billed to the Board of Elections, and in turn will be billed to the Voting Location Manager who either used or allowed others to use the phone for personal business. A VLM who allows cell phone abuse will not be allowed to act as a PEO in any future elections.

If the suggested setup impedes voter privacy, use your best judgment in setting up the voting equipment

- Work with Roster Judge(s) to position the Roster Tables to ensure an unobstructed view of voters from sign-in to voting, and to set up Touchpad components

Tables should be positioned so that PEOs are able to:

- Access electrical outlets for Touchpad printers
- Monitor activity at the entrance so that no one can enter the polling place unobserved
- Ensure that everyone who enters the polling location checks in

- Working with the Paper Ballot Judge(s) set up the Provisional Ballot Booth(s), and the equipment for Regular voters voting on a Pre-printed ballot.

- Work with the Machine Judges to set up the Ballot Counter and place the Ballot Marker tables, Ballot Markers and Kiosk. Ensure Ballot Counter is placed by exit

PLACEMENT OF FLAGS AND VOTING/CAMPAIGNING SIGNS

- ❑ Remove the small U.S. flags and the yellow “No Campaigning Beyond This Point” signs from Compartment #1 of the Machine Cart.
- ❑ Remove the large U.S. Flag from the Machine Cart and place at the main entrance to the voting location.
- ❑ Place at least two small flags and the yellow “No Campaigning Beyond This Point” signs 100 feet from the entrance to the voting location. See diagram below.
 - Use the 100-foot ball of string in your Office Supplies Kit to measure the correct distance if necessary.
 - If there is no place to post the signs (i.e. no grassy area, etc.), place them as far as possible **without going over 100 feet**.

Campaigning is prohibited within 100 feet of the entrance or entrances voters must use, as well as within the entire building itself.

In the above diagram, the 100-foot radius overlaps the thoroughfare. Notice that the area within which campaigning is prohibited extends across the street.

In the above diagram, the 100-foot radius does not overlap the thoroughfare. Place flags and signs accordingly.

- Strategically place the “Voting Today” signs from the entrance through the voting location to guide voters through the building.

- Tape the remaining voting location signs inside to a prominent location where voters can easily see them:

 - If it appears envelopes have been tampered with, contact the BOE Hotline.
 - All envelopes, used and unused, can be placed in the large brown paper bag to be returned at the end of the election

- Using one of the passwords, touch *Get Started* and log into the Touchpad, following the on-screen prompts that will include instructions for entering the second password
 - Alpha characters will be entered in the section on the left; numerical characters will be entered in the section on the right

YOU ONLY NEED **ONE TOUCHPAD TO BE OPENED AND UPDATED** (BY UPLOADING THE ABSENTEE SUPPLEMENTAL LIST) TO BEGIN PROCESSING VOTERS.

- Repeat log-in process, as outlined previously, for all other Touchpads.
 - Ensure all Touchpad syncing icons are green.

IF ALL OF YOUR TOUCHPADS FAIL TO TURN ON (NOT THE PRINTERS) OR IF YOU RECEIVED TOUCHPADS THAT WERE ASSIGNED TO ANOTHER LOCATION, OPEN THE BUMPER PACKET IN THE VLM SUPPLY BAG, AND USE THE CONTENTS TO PROCESS VOTERS UNTIL YOU ARE ABLE TO CONTACT THE BOE AND RESOLVE THE PROBLEM.

MANAGING THE POLLING PLACE

KNOWING WHO'S WHO

THE LOCATION LIAISON—ELECTION DAY ONLY

If your location has been assigned a Location Liaison for Election Day, you may assign them duties including:

- Assisting Voters with navigating the Voting Location
- Reminding Voters to have IDs ready
- Ensuring Voters deposit ballots before exiting
- Welcoming Voters and answering non-election questions

THE FOLLOWING NON-PEOS ARE ALLOWED IN THE POLLING PLACE:

- **VOTERS**
- **CHILDREN OF VOTERS who are not yet of voting age**
- **OTHER PERSONS ASSIGNED TO A PRECINCT by the Board of Elections or the Secretary of State**
- **THE SECRETARY OF STATE'S LEGAL REPRESENTATIVE(S)**
- **EMPLOYEE(S) OF THE FACILITY housing the polling place**
- **PERSONS ASSISTING VOTERS**

A voter may ask for assistance in marking the ballot because of blindness, disability, illiteracy or language barrier. The voter may choose anyone he or she wants to provide assistance with the exception of:

- their employer
- an agent of their employer
- an officer or agent of their union, if any
- a candidate on the precinct's ballot.

The voter may also receive assistance from two PEOs, each from a different political party. A voter may designate an Attorney-in-Fact to sign all election-related documents on his/her behalf and in his/her presence. The Attorney-in-Fact designation is specific to Ohio election law and is not a general power of attorney. If such an Attorney-in-Fact is on file with the Board of Elections, it is required to be noted in the Poll Book.

- **PERSONS CHECKING THE REGISTER OF VOTERS LISTS**

Any person may enter the polling location for the sole purpose of checking the Register of Voters List that is posted at 6:30 a.m., and updated at both 11:00 a.m. and 4:00 p.m. Such persons may not wear any electioneering clothing or accessories, and may not interfere with or disrupt the election. They may not take the posted Register of Voters List, and officials should take care to position it in such a way that it cannot be removed unnoticed. Persons checking the lists may take notes or photos, but should take care not to disrupt the Voting Location if they must use their cell phones.

THE FOLLOWING PEOPLE ARE ALLOWED IN THE POLLING PLACE WITH PROPER CREDENTIALS FROM THE COUNTY BOARD OF ELECTIONS:

- **CERTIFIED POLL OBSERVERS
(bearing a certificate of appointment)**

Certified Poll Observers must be appointed by the political parties, groups of candidates, or issue committees to observe the conduct of the Election. They are allowed in the Polling Location before (as early as 6:00 a.m.), during, and after the Election.

Before you permit an observer into the precinct's voting location, you must:

- Verify that he or she has a Certificate of Appointment for your location or precinct from a political party or other group. (*No Certificate, no admittance. Period.*)
- Retain the Certificate of Appointment while the Observer is on the premises
- Complete the Observer Log Sheet (APPENDIX 15) (on which you will log the in and out times of the visit)
- Have the Observer read aloud the oath on the Log Sheet before signing the log

Observers may:

- Watch, observe intently or assess activities
- Be in and about the polling place
- Observe discussions between Precinct Election Officials and ask questions (but not interfere)
- During downtimes, engage precinct election officials in casual conversation, including gathering information about how the voting location is being run
- Send and receive text messages, emails, instant messages, and similar non-verbal, electronic communications using a communication device or audio/video device

Observers may not:

- Handle materials
- Disrupt or intimidate voters or PEOs
- Violate the secrecy of the ballot or the privacy of the voter
- Engage in an audible conversation inside the polling location using a communication device or audio/video device
- Take photographs or record video within 20 feet of a voter
- Interfere with PEOs or slow down the operation of the polling location
- Interfere with voters in a way that interferes with or disrupts the Election
- Serve as enforcers of the laws
- Act as advocates for voters in front of the PEOs
- Engage in any kind of election campaigning

IF ANY VOTER OR PRECINCT ELECTION OFFICIAL COMPLAINS ABOUT THE ACTIONS OF AN OBSERVER, THE OBSERVER IS TO BE REMINDED OF WHAT HE/SHE CANNOT DO (SEE “WORKING WITH OBSERVERS” IN YOUR LOCATION WORKBOOK), AND CAN BE ASKED TO LEAVE THE PREMISES BY THE VLM UPON THE SECOND VIOLATION. IN THIS CASE, THE VOTING LOCATION MANAGER SHOULD CONTACT THE PEO HOTLINE AND DOCUMENT THE SITUATION ON THE PROBLEMS AND CORRECTIONS PAGE IN THE LOCATION WORKBOOK.

• CREDENTIALLED MEMBERS OF THE MEDIA

Representatives of the press are permitted inside the voting location—a right to access expressly protected by the First Amendment of the U.S. Constitution. However, they may not interfere with the PEOs, with voters' activities, or with voters signing in or voting. (See R.C. 3501.33 and R.C. 3501.35.)

If a member of the media arrives at your voting location, contact the Public Information Officer of the BOE at (614) 525-5351.

While members of the media are in your polling location, you should:

- Ask to see credentials
- Direct them to acceptable locations, taking into consideration the room layout and length of lines
- Warn them if they are engaging in unacceptable behavior and, if necessary, ask them to leave the premises

Members of the media may:

- Take pictures of the polling place, but not of a voter's Ballot Marker screen or a voter's paper ballot
- Live stream video that does not compromise voter privacy

Members of the media may not:

- Interfere with voters or PEOs
- Take pictures of a voter's Ballot Marker screen or paper ballot
- Compromise ballot secrecy or voter privacy

THE FOLLOWING PEOPLE ARE NOT ALLOWED IN THE POLLING PLACE:

- ANYONE OF VOTING AGE WHO IS NOT ELIGIBLE TO VOTE AT YOUR LOCATION AND IS NOT DESCRIBED IN THIS SECTION.
- CANDIDATES OR CAMPAIGN WORKERS WHO ARE CAMPAIGNING OR ELECTIONEERING.

OF COURSE CANDIDATES AND CAMPAIGNERS ARE ALLOWED TO VOTE, BUT THEY MUST NOT WEAR ANY ELECTIONEERING CLOTHING OR ACCESSORIES WHILE IN THE POLLING LOCATION.

GOOD TO KNOW

If a voter shows up to vote wearing campaign paraphernalia, please ask them to remove it or cover it as necessary. A voter who refuses to do so must be allowed to vote if the voter is entitled to do so (Revised Code 3501.33). You must report any such incident to the Board of Elections.

GOOD TO KNOW

You may be asked to check outside to ensure that electioneering is not occurring within 100 ft of the location.

• EXIT POLLSTERS

Persons conducting exit polls are not allowed inside the polling location. They are permitted to be outside the polling location—even within 100 feet of the entrance—but they should not interfere with an orderly voting process. They may not be located within 100 feet of the entrance if they are wearing clothing or accessories that promote or oppose any candidate or issue on the ballot.

• PEOPLE WHO ARE ELECTIONEERING

Campaigning/Electioneering or the posting and/or distribution of campaign material within 100 feet of the voting location is illegal. NOTE: If the line of waiting voters extends past the safe zone of 100 feet from the entrance to the voting location, electioneering is prohibited within 10 feet of any voter waiting outside the 100-foot zone to vote.

Electioneering includes, but is not limited to:

- Display, wearing or distribution of political badges, T-shirts, hats, stickers, pins, buttons, campaign literature, newspapers/magazines with political covers, campaign paraphernalia
- Any discussions of a political nature by voters, PEOs, or anyone else in the location, including cell phone conversations

• PEOPLE WHO ARE COLLECTING SIGNATURES FOR ISSUES AT THE POLLING LOCATION

Occasionally, groups may station persons outside a polling location to gather signatures on a petition. This must take place more than 100' from the entrance to the voting location.

• PEOPLE WHO ARE DISTRIBUTING FOOD

Ohio law prohibits anyone from procuring or offering “money or other valuable things to or for the use of another with the intent that it, or part thereof, shall be used to induce such person to vote or to refrain from voting.” Food, discounts, and other such inducements are “things of value” for purposes of the election law statutes of bribery.

IF YOU EXPERIENCE ANY ISSUES OR PROBLEMS WITH ELECTIONEERING, CALL THE PEO HOTLINE.

CHALLENGING VOTERS

A VOTER MAY BE CHALLENGED BY A PRECINCT ELECTION OFFICIAL FOR ANY OF THE FOLLOWING REASONS:

- Not a resident of the Precinct
- Not a resident of Ohio
- Not a U.S. Citizen
- Not of legal voting age

If a voter is challenged, you must:

- Have the voter complete the Affidavit Oath Examination of Person Challenged Form (APPENDIX 12) in the Roster Workbook
- Allow the voter to vote a regular ballot if PEOs are ABLE to determine that he/she is eligible to cast a ballot
- Give the voter a provisional ballot if PEOs are UNABLE to determine if he/she is eligible to cast a ballot

If the challenged voter refuses to fill out the Affidavit Oath Examination, you must:

- Give the voter a provisional ballot
- Make a note on the Problems and Corrections Page (APPENDIX 11) in the Location Workbook

FOR PARTISAN PRIMARY ELECTIONS ONLY:

If a precinct official has personal knowledge that a voter is not affiliated with or a member of the political party whose ballot he or she has requested, the precinct election official may challenge the voter and ask the voter to complete the Statement of a Person Challenged as to Party Affiliation (Form 10-W or Form 10-X).

Form 10-X, Statements of Persons Challenged as to Party Affiliation for Primary Elections Only (APPENDIX 27) will be located in the Roster Workbook where applicable. This statement states that the person desires to be affiliated with and supports the principles of the political party whose primary ballot the person desires to vote.

GOOD TO KNOW

It's a felony to falsify an Election document

(Revised Code 3505.20)

If you suspect falsification, make a note in the Problems and Corrections Page of the Location Workbook.

CURBSIDE VOTING CHECKLIST

THE TOUCHPAD AND VOTING MACHINES NEVER LEAVE THE VOTING LOCATION, EVEN FOR CURBSIDE VOTERS.

Curbside Voting is a method of voting that allows a voter who is unable to access the polling location to cast a paper ballot outside the polling location from his or her vehicle. When notified that there is an individual outside of the polling location who would like to vote, it is the VLM's responsibility to ensure that two PEOs, one from each major political party, follow these steps:

IF AT ANY TIME YOU DETERMINE THAT THE VOTER IS A PROVISIONAL VOTER, STOP THE CURBSIDE PROCESS AND, INSTEAD, PROCESS THE VOTER ACCORDING TO THE "PROCESSING PROVISIONAL VOTERS CHECKLIST" IN THE PAPER BALLOT JUDGE SECTION. ENSURE PINK ENVELOPE IS SPOILED BY THE PAPER BALLOT JUDGE AND PLACED IN THE SPOILED BALLOT ENVELOPE.

Take Curbside Voting Envelope to the voter waiting in his/her vehicle, and retrieve the information necessary to complete the front of the envelope

- Do not take the Touchpad out of the polling location
 - Ask the voter to state his/her name
 - Ask the voter to state his/her current address
 - Ask the voter to state his/her year of birth
 - Ask the voter for his/her identification and ensure that it is valid
- If the Voter indicates they do not have a valid photo ID, continue processing as a Provisional Voter

USING THE PROBLEMS AND CORRECTIONS PAGE

THERE ARE PROBLEMS AND CORRECTIONS PAGES IN:

- The Roster Workbook
- The Location Workbook
- The Paper Ballot Judge Workbook

Although there are slight variations between the forms, they are—for the most part—more similar than different. We’ve featured the page from the Location Workbook as an example throughout this manual.

Use these pages to document unusual circumstances that might occur in the polling place on Election Day. Be as brief as you can in your factual description of the problem and how it was resolved (if it was). The Board of Elections staff will use this information to follow up.

INVENTORY OF CLOSING SEALS

- Follow the directions included on the Seals Inventory Sheet located in the VLM Supply Bag before 4:00 PM

PART FOUR:

ELECTION DAY: CLOSING THE POLLS AFTER 7:30 P.M.

CLOSING THE POLLS

Anyone still in line at 7:30 p.m. is allowed to vote. At 7:30 p.m., one of the judges should stand at the end of the line and inform anyone who arrives thereafter that the polls are officially closed. Once the last voter has voted, you are ready to secure the location and allow the Machine Judges to close the machines. This should be done at the same time the Roster and Paper Ballot Judges are finishing paperwork and packing away the supplies. Assist in disassembling the machines or closing other areas if needed.

- Ensure all judges have provided the necessary information to complete their corresponding section of the Election Day Balance Sheet in the Location Workbook
- Ensure the Paper Ballot Judge(s) have completed the following forms in the Paper Ballot Judge's Workbook; Pre-printed Ballot Station Security Seal Form, Tracking Pre-printed Ballots Used Sheet
- Ensure all Roster Judges have disassembled and returned all Touchpads to the VLM/VLD and placed ALL components in the Green Touchpad Printer Case(s)

PART TWO:

DURING THE ELECTION,
6:30 A.M. TO 7:30 P.M.

GOOD TO KNOW

If the voter has moved within the same precinct, and his or her name appears in the Touchpad, in order to update the county's voter files he or she must complete a Voter Registration Form. Regardless, he or she is eligible to cast a regular ballot.

If the voter has moved to a different precinct within the Voting Location, that voter must vote provisionally.

GOOD TO KNOW

A suspended Driver's License that is not expired may still be used as photo identification for voting.

UNDERSTANDING THE TWO TYPES OF VOTERS

REGULAR VOTERS

A Regular Voter is one who meets **ALL THREE** of the following criteria, and thereby is eligible to cast a regular ballot.

- The voter has a valid ID
- The voter is in the correct Precinct
- The voter's stated name is an acceptable match to the name that appears in the Touchpad(s)

THE VALID FORMS OF ID ARE:

- Current and valid Ohio Driver's License
- State of Ohio Photo ID
- Ohio Interim ID Form issued by BMV
- U.S. Passport or Passport Card
- U.S. Military ID Card issued by:
 - U.S. Army
 - U.S. Navy
 - U.S. Airforce
 - U.S. Marine Corps
 - U.S. Space Force
 - U.S. Coast Guard
 - U.S. Department of Veterans Affairs
 - Ohio National Guard

PROVISIONAL VOTERS

A Provisional Voter is one who meets **ONE** or **MORE** of the following criteria, and thereby must vote a paper ballot.

- The voter's name is not found in the Touchpad
- The voter is marked ABSENTEE or PROVISIONAL in the Touchpad
- The voter does not provide proper ID
- The voter has changed his or her name, and does not have the legal proof required to complete Form 10-L (Notice of Name Change)
- The voter has moved from one Franklin County Voting Precinct to another without changing his or her voter registration
- The voter was challenged before the election, a hearing was held, and the challenge was found to have merit by the Board of Elections
- The Voter's eligibility was challenged by the PEO on Election Day AND the Voter refuses to complete the Affidavit/Oath Examination of Person Challenged form

WHAT IF THE VOTER IS UNABLE TO CAST HIS/HER VOTE ON EITHER THE VOTING MACHINE OR ON A PRE-PRINTED BALLOT WITHOUT ASSISTANCE?

See "Assisting Voters with Specific Disabilities" for instruction

WHAT IS AN ATTORNEY-IN-FACT?

An Attorney-in-Fact is a person, not necessarily an attorney, of the voter's choice, who may sign all election-related documents on behalf of the voter.

- In order to have an Attorney-in-Fact, the voter must have filled out and filed the correct forms (Form 10F or 10G) with the Board of Elections prior to the election.
- At any time, the Attorney-in-Fact's power may be rescinded by completing the Attorney-in-Fact Revocation Form at the Board of Elections.
- If the voter has an Attorney-in-Fact on file with the Board of Elections, the Attorney-in-Fact's signature will be on file, and it will be noted in the Touchpad.
- The voter must have the Attorney-in-Fact accompany him or her to the polling place. If the Attorney-in-Fact is not present, the voter must vote provisionally.
- The Attorney-in-Fact may sign the voter's name in the Touchpad as long as the voter is present.

REGARDING POWER OF ATTORNEY

If a person holds a Power-of-Attorney for another, it does not necessarily mean that the person with the Power-of-Attorney has the special authority of an Attorney-in-Fact to sign elections-related documents. Because the Power-of-Attorney generally offers broad discretion to sign documents, many incorrectly believe that they can sign an elections document on behalf of the person who gave them the Power-of-Attorney responsibility. A person who holds Power-of-Attorney cannot, under any circumstance, sign an elections-related document for another voter unless a valid Attorney-in-Fact form is on file with the Board of Elections.

NOTES

A GUIDE TO VALID PHOTO IDs

A Photo ID is valid if it's OPEN

O Ohio Resident **P** Person matches photo **E** Not Expired **N** Name matches name in Touchpad

Ohio law does not allow a PEO to accept any form of ID from any state other than Ohio

Acceptable And Unacceptable Name Matches On Photo ID

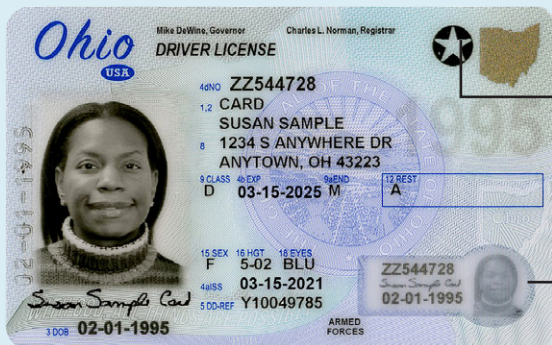

If minor differences exist, there is room for a little flexibility. Look at the photo on the ID to ensure that the voter is, indeed, the person representing himself or herself. Then check the chart below to see examples of acceptable and unacceptable name matches.

Name on Driver's License	Name in Touchpad	Acceptable match?
Cynthia Atkins	Cindy Atkins	YES
Alan Thompson	Alan Thomson	YES
Aaron W. Howell	Aaron Howell	YES
J. Bradley Stone	James B. Stone	YES
Lucy C. Dawson	Lucille Dawson	YES
F. Stanford Wayne	F. S. Wayne	YES
Mary Hendricks/Mary Jackson	Mary Hendricks-Jackson	YES
Melva M. Jones	Melva Smith	NO
Elizabeth Daughty	Edward Daughty	NO

NOTE: An Ohio Driver's License or State ID with an old address IS ACCEPTABLE as a valid form of identification necessary to cast a regular ballot when the voter's correct address is listed in the Touchpad.

A star may or may not appear on the license

MILITARY IDs

We accept Military IDs. We do, however, ask that a Precinct Election Official be allowed to determine that it is, indeed, the Military ID card of the person who is presenting it.

Please keep in mind that Military IDs:

- must include a name and photo
- may not include an expiration date (but if it does, the ID cannot be accepted if it has expired)
- Precinct election officials must accept the digital Veteran ID card(VIC), if the voter presents it

MAKE SURE EACH VOTER GETS HIS OR HER ID BACK. IF AN ID IS ACCIDENTALLY LEFT BEHIND, PLEASE PLACE IT IN THE CELL PHONE BAG WHICH GETS RETURNED TO THE B.O.E. WAREHOUSE ON ELECTION NIGHT.

PROCESSING VOTERS

Greet the Voter

Ask the Voter for a valid Photo ID

- Voters who arrive at your voting location must present you with a photo ID - either an Ohio Driver's License, Ohio Interim ID form issued by BMV, State of Ohio Identification Card, U.S. Passport or Passport Card, or U.S. Military ID Card. Ensure it is valid by checking against the criteria in "A Guide to Valid Photo IDs"

- If there are minor discrepancies (such as nickname) between the name on the photo ID and that on the Touchpad, see the *Acceptable and Unacceptable Name Matches* chart
- If the names are not an acceptable match, ask the voter if they have changed their name. If their name has changed, follow the *Name Change Guidelines* section

□ Return the Voter's ID

□ Ask the Voter to state their name and current address

GOOD TO KNOW

If the Voter has forgotten his/her photo ID, it's a good time to tell them they can either go home and get their ID or go to the BOE within four days and present a valid ID to make their Paper Ballot count.

Select *Continue* and touch *Process Next Voter*

IF THE TOUCHPAD FAILS TO PRINT THE ATV SLIP, ASK YOUR VLM FOR THE PAD OF ATV SLIPS (LOCATED IN THE VLM SUPPLY BAG) AND CONTINUE TO PROCESS THE VOTER BY HANDWRITING THE VOTER'S INFORMATION ON THE ATV SLIP.

- Give the Voter the printed ATV slip and a blank ballot card, offer them a ballot privacy folder, and direct them to the voting machines
 - If the Voter requests a pre-printed paper ballot, give them the ATV slip, offer them a ballot privacy folder, and direct them to the paper ballot table.

SPECIAL INSTRUCTIONS FOR PROCESSING A 17-YEAR-OLD VOTER (PRIMARY ELECTIONS ONLY)

ONLY PROVISIONAL VOTERS WHO EXPRESS A DISABILITY THAT PREVENTS THEM FROM USING A PRE-PRINTED PAPER BALLOT, AND WHO REQUEST TO VOTE ON THE BALLOT MARKER WILL BE ALLOWED TO DO SO. GOOD TO KNOW

Voters will have access to a list of authorized Write-in Candidates upon request.

ASSISTING A VOTER WHO WANTS TO CAST A WRITE-IN VOTE

The VLM will have a list of eligible write-in names of candidates and offices. If your form contains no names, your location has no write-in candidates, and therefore no “Write-in” button will appear on the Ballot Marker screen. If your form DOES contain names, a “Write-in” button will appear on the screen, and voters can write in their candidates by completing the following steps:

- Have the Voter press the *Write-In* button when presented with a list of candidates for a particular office.
 - A pop-up keyboard will appear on the screen.
- Have the Voter key in the candidate’s name and press *Accept*.
- Have the Voter return to the ballot. They should see that the write-in name has been recorded and added to the list of other candidates.
- Retrieve the Write-in List from the Voter and RETURN IT TO THE VLM—This is NOT an option!

NOTES

**GOOD TO KNOW**

For best results when feeding ballots into the Ballot Counter, make sure Marked Ballot Cards are inserted in the top slot, marked by a green arrow, and Pre-printed Ballots are fed into the wider slot below. If Marked Ballot Cards are fed into the wide slot, there's a chance they could jam the machine.

PROCESSING VOTERS: BALLOT COUNTER POSITION

As a Machine Judge, you will rotate between the positions of Ballot Marker/Kiosk, Ballot Counter, and Outside Worker throughout the day. Your VLM will assign you to a position and determine the rotation schedule.

- Position yourself between the exit door and the Ballot Counter
- Ensure no one leaves voting location holding a marked ballot card or pre-printed ballot
- As voters approach Ballot Counter, show them where to feed their marked ballots and ensure Ballots are accepted.
- Collect the Ballot Privacy Folders from the voters and return them to the Roster Table
- Offer each Voter who cast a ballot an "I Voted Today" sticker.

BALLOT COUNTER TROUBLESHOOTING OVERVOTING:

- If Voter has voted a pre-printed ballot, and has overvoted in any contest, a message will appear onscreen saying "You filled in too many ovals...these results will not count"
- The Voter may choose to have ballot returned or to cast ballot knowing parts will not count. Press either return or cast accordingly
- If Voter chooses to have ballot returned, contact the VLM who will follow steps to spoil a ballot

ALERT YOUR VLM/VLD IF ANY BALLOT BECOMES JAMMED IN THE BALLOT COUNTER

BALANCING THE PUBLIC COUNT

Two times a day (2:00pm. and after polls close), you are required to check the Public Count (the number of voters that day) for each Ballot Counter and record it, along with the number of ATVs issued and the number of fleeing voters on the Election Day Balance Sheet (APPENDIX 25).

When completing the Election Day Balance Sheet, access the Public Count reading on the Ballot Counter by selecting the magnifying glass icon

- Copy number of Pre-printed Ballots, number of Voted Ballot Cards, and Total Public Count reading from each Ballot Counter onto the appropriate line of the Election Day Balance Sheet. Tally all Total Public Counts to get the grand total.
- Count number of tick marks for Cancelled Ballots/Fleeing Voters and record total on the appropriate line of the Election Day Balance Sheet to get Number of Voters
- Count total number of (issued) ATVs from Machine Area and Paper Ballot Table), write each individual total on the Election Day Balance Sheet, and add together to get Total ATVs issued.
 - The counted issued ATVs will be carried forward into the next ATV count
- The VLM is responsible for counting the number of Curbside Voters, (17 YO Voters for Primary Elections only), recording the total on the Election Day Balance Sheet, and adding it to other totals to arrive at Number of Voters.
- The VLM will record the total number of Touchpad Check-in Counts for all Touchpads at the Roster Table in the correct box of the Election Day Balance Sheet.
- The VLM will ensure the Number of Voters, Total ATVs Issued and Touchpad Check-in-Counts are the same. If they are not, make a note in the Comment space provided on the Election Day Balance Sheet.

2

PART TWO:

DURING THE ELECTION,
6:30AM TO 7:30PM

GOOD TO KNOW

Do not open a pack of Pre-printed Ballots until you need that particular ballot style.

GOOD TO KNOW

For Primary Elections you must choose the correct Pre-printed Ballot based on the Voter's Party choice first, then Ballot Style number. This is because multiple parties may have the same ballot style number although they are different ballots.

GOOD TO KNOW

Remember: all actions printed in green are to be performed by a second Paper ballot Judge or your VLM/VLD

PROCESSING **REGULAR** PRE-PRINTED BALLOT VOTERS

- Take the Authority to Vote Slip and the RFPB from the Voter
- Select the correct Pre-printed Ballot, based on the information on the Authority-to-Vote Slip
 - Use last three numbers of the 6-digit Ballot Style printed on slip
 - Ballot Style Number is indicated in two places: on the ballot itself, designated by "ED Style" and at the right side of the stub.
- On the Pre-Printed Paper Voter Ballot Issued Log Form (APPENDIX 51), fill in all requested information
- Remove the ballot by tearing at the perforation and leaving the stub stapled to the pad
- Place tick mark in the appropriate box of the Tracking Pre-printed Ballots Used Sheet in the Paper Ballot Workbook
- Give the Ballot and ATV Slip to the second Paper Ballot Judge or VLM/VLD
- Ensure that the correct Pre-printed Ballot was issued to the voter according to the information on the ATV Slip
- Place the Authority-to-Vote Slip in the designated Authority-to-Vote Slip Envelope
 - Hand the Voter the Ballot and the Important Instructions
- Direct the voter to the area designated for Regular voters voting on a Pre-printed ballot
 - Remind the voter to vote both sides of all ballot pages and deposit completed Pre-printed Ballot at the Ballot Counter

NOTES

GOOD TO KNOW

Security is paramount in any election. Be sure to keep a close eye on the **Voted** Ballot Bags all day, and keep unused ballots, envelopes and handouts secured at all times.

GOOD TO KNOW

Having to vote a provisional ballot can be unnerving or intimidating for some voters. As a Paper Ballot Judge, you should do everything you can to make this process as simple for the voter as possible. Additionally, a federal court has determined that PEO error can sometimes be the reason that a Board of Elections is unable to count a voter's provisional ballot. To reduce the chances that you or the voter make a mistake in completing the Provisional Ballot Envelope, take your time to ensure that every necessary blank on the envelope is completed. Please do not fill in the blanks on a Provisional Ballot Envelope before one is needed. Doing so can lead to errors.

PROCESSING PROVISIONAL PRE-PRINTED BALLOT VOTERS

IF YOU NEED HELP PROCESSING A PROVISIONAL VOTER, CALL THE PROVISIONAL HOTLINE AT (614) 525-6455

- If a Voter's Reason for Paper Ballot Slip is marked "Redirected Voter":

Look up their current address in the Yellow Polling Location Street Guide or the County Street and Road Guide to confirm correct Polling Location

Tell the Voter again they need to go to their correct Voting Location

If the Voter chooses to go to their correct Voting Location and the location is open, send them to the Location printed on the Voter Redirection slip

On the Problems and Corrections page of the PBJ Workbook, record specific information regarding the Voting Location and address where the voter was sent

Explain to the voter that a Provisional Ballot cast in the wrong precinct cannot be counted. If the voter has not yet called the Provisional Voter Hotline, the voter can call (614) 525-6455 to discuss the issue

If the voter chooses to vote in this location, follow the steps below:

 - U.S. Department of Veteran Affairs ID Card
- Ensure photo ID is valid by checking against the criteria in "A Guide to Valid Photo IDs"
- If the voter indicates they don't have a valid photo ID continue processing as a Provisional Voter
- If the voter identifies as having a Religious Objection, contact your VLM/VLD and follow the steps for "If the voter identifies as having a Religious Objection"
- Signature and Date
- Party Affiliation (Primary Elections Only)

If the Voter identifies as having a Religious Objection, the VLM/VLD will follow these steps:

- Complete the Affidavit of Religious Objection form (Appendix 4)
- Write "RO" on top right corner of the Yellow Envelope; attach Affidavit to front of Provisional Envelope

Check address that Voter recorded on Provisional Envelope against the address on the RFPB to ensure Voter is processed correctly

- If the address on the Provisional Envelope matches the address on the RFPB, continue with next steps
- If the address on the Provisional Envelope does not match the address on the RFPB, check the address on the Provisional Envelope against the Yellow Polling Location Street Guide to ensure Voter votes in your location
- If address is not found, tell voter to go to correct voting location (ensure location is open) and complete the Voter Transfer form according to steps written on the form. Spoil any completed envelopes and place in the Spoiled Ballots Envelope
- On Problems & Corrections page of Paper Ballot Judge Workbook, record specific information regarding the voting location and address where voter was sent

IF VOTER CHOOSES TO VOTE IN THE CURRENT (WRONG) LOCATION:

- Explain to the voter that a Provisional Ballot cast in the wrong precinct cannot be counted. If the voter has not yet called the Provisional Voter Hotline, the voter can call (614) 525-6455 to discuss the issue
- Select any Pre-printed ballot from an open package
- Place an “X” in the check box in the upper left corner so it cannot be read by the Ballot Counter
- Use the Precinct Identifier and Ballot Style from the Pre-printed ballot that you’ve selected to fill in the box at the bottom of the Provisional Envelope
- Place an asterisk (*) next the Ballot Style # written at the bottom of the Provisional Envelope
- Fill in the LID#
- Make a note on the Problems and Corrections Page of the Paper Ballot Judge Workbook stating that the voter voted in the wrong location. Include the voter’s name, and the precinct and ballot style from the ballot issued to the voter
- Skip the next 2 steps

At any point throughout this process, if the voter chooses to go to his/her correct location, make a note in the Problems and Corrections pages of the Paper Ballot Judge Workbook. Spoil any completed ballots or envelopes and place in Spoiled Ballots Envelope.

- Place RFPB in the RFPB Envelope
- From the Yellow Polling Location Street Guide, fill in section at bottom of the Provisional Envelope (APPENDIX 29), including LID#, Precinct Identifier and Ballot Style Issued. Print your name and date
- Referring to the Ballot Style listed on the Provisional Envelope, select the correct Pre-printed Ballot and place an “X” in the check box in the upper left corner to ensure it cannot be read by the Ballot Counter
 - The Ballot Style Number is indicated in two places on each ballot: On the ballot itself, designated by “ED Style” and at the right side of the Ballot stub (APPENDIX 45).
 - Be sure to remove all pages (if multiples) of each ballot by tearing at the perforation and leaving the stub attached to the pad. There will be a page printed with a stop sign between each complete ballot.
- On the Pre-printed Paper Voter Ballot Issued Log Form (APPENDIX 52), fill in all requested information and mark voter as a Provisional Voter
- Be sure to remove the ballot by tearing at the perforation and leaving the stub stapled to the pad

- Place a tick mark in the appropriate “Ongoing Count” box of the Tracking Pre-printed Ballots Used Sheet (APPENDIX 38) in the Paper Ballot Judge’s Workbook
- Give the ballot and the Provisional Envelope to the second Paper Ballot Judge or the VLM/VLD

IF THE VOTER CANNOT OR WILL NOT PROVIDE A FORM OF IDENTIFICATION, HE/SHE MUST GO TO THE FRANKLIN COUNTY BOARD OF ELECTIONS ON OR BEFORE THE 4TH DAY FOLLOWING THE ELECTION TO PROVIDE A QUALIFYING FORM OF IDENTIFICATION. LET THEM KNOW THIS IS THE ONLY WAY THEIR BALLOT WILL COUNT. MAKE A NOTE ON THE PROBLEM & CORRECTIONS PAGE IN THE PAPER BALLOT JUDGE WORKBOOK

Double check to ensure there is an “X” in the check box in the upper left corner of the Voter’s Pre-printed Ballot. Verify the voter’s LID#, precinct identifier, and ballot style number in the Yellow Polling Location Street Guide

- *Confirm address by comparing the current Ohio address written on the Provisional Envelope to that in Yellow Polling Location Street Guide*
- *Ensure that the correct paper ballot was issued to the voter*
 - Compare the ballot style on the Pre-printed Ballot to the ballot style number in the Yellow Polling Location Street Guide
 - Compare the precinct identifier on the Pre-printed Ballot to the precinct identifier in the Yellow Polling Location Street Guide
- *Use the Provisional Envelope Template to ensure all required information has been filled in on the Provisional Envelope*
- **Hand the Pre-printed Ballot, Provisional Envelope and Important Instructions to the Voter and direct him/her to the Provisional Voting Booth**
 - Be sure to remind the voter to vote both sides of all ballot pages.

If the voter is in the correct voting location and insists on voting a ballot other than the one assigned to him/her based on current address:

- Spoil the voter's issued ballot
- Complete the Form 12-D (Provisional Voter Precinct Verification form) (APPENDIX 35)
- Review steps 4 and 5 on the form with the voter
- Adhere form to the front of the Provisional Envelope
- Write "12-D" on the top of the Envelope
- Give the voter the Ballot he/she requested, and place an "X" on the upper left-hand corner of the Ballot so that it can't be read by the Ballot Counter
- Make a note on the Problems and Corrections Page of the Paper Ballot Judge Workbook stating that the voter insists on voting a wrong ballot. Include the voter's name, and the precinct and ballot style from the ballot issued to the voter

- Once the voter has finished voting, ensure that he or she places the ballot in the Provisional Ballot Envelope, seals it, and deposits it into the Voted Ballot Bag**
 - The voter can fold the ballot page(s) once if necessary to fit it into the envelope
- Give and explain to the voter the Provisional Ballot Notice (APPENDIX 36) before they leave the polling location**
- Give the voter an "Ohio Voted" sticker**

REASONS UNDER OHIO LAW FOR ISSUING A PROVISIONAL BALLOT

Ohio law outlines specific situations in which a provisional ballot should be issued:

- The voter's name does not appear in the Touchpad
- The voter has changed his or her name and is unable to provide the legal proof required to complete Form 10-L
- The voter has moved into your precinct but did not update his or her registration with the Board of Elections 30 days prior to the election
- A message appears in the Touchpad stating that the voter requested an absentee ballot or voted an earlier provisional ballot
- A message appears in the Touchpad stating that a Notice of Election card sent to the voter by the Board of Elections was returned as undeliverable
- The voter is unable or refuses to provide a valid ID
- The voter has changed his/her name and moved to a different precinct without updating his/her address by the Voter Registration Deadline of 30 days prior to the election
- The voter's signature does not match the signature on file at the Board of Elections
- The voter has been challenged and the challenge has either not been resolved or has been resolved against the voter

Provisional Voter Precinct Verification Form

Complete this form whenever a voter's name does not appear in the signature poll book or poll list, the voter is in the wrong precinct of the correct multiple-precinct polling place and the voter insists on casting a provisional ballot in the wrong precinct.

STEP 1 Find the voter's address in the Voting Location Guide.

STEP 2 Write the name or number of the voter's correct precinct below:

STEP 3 Write the name and address of the voter's correct polling place below, if different from where you are now:

STEP 4 Instruct the voter to go to his or her correct precinct to cast a provisional ballot.

STEP 5 Instruct the voter that casting the wrong-precinct provisional ballot in this precinct would result in all or a portion of the votes on the ballot being rejected.

I affirm under penalty of election falsification that I followed Steps 1 through 5 above but the voter refused to travel to the correct precinct and insists on voting a wrong-precinct provisional ballot in this precinct. I issued the provisional ballot contained in the envelope to which this verification is attached.

PROVISIONAL BALLOT NOTICE

This notice must be provided to every person who votes a provisional ballot.

A PROVISIONAL VOTER HOTLINE IS AVAILABLE: To learn if you need to provide a required form of photo identification in order for your ballot to be counted or to learn after the official certification whether it was counted, please call the PROVISIONAL VOTER HOTLINE at:

(866) OHIO-VOTE (866-644-6868)

This hotline is available until the end of the month following the election. If you are required to provide more information (see below) for your ballot to count, you have **until the fourth day after the election** to supply the board of elections with the required information. You can learn whether you need to provide any other information by reading the information below or by calling (866) OHIO-VOTE, or you may call the board of elections directly. A directory of boards of elections is located online at:

Your Board of Elections is: _____

County Board of Elections

Board office hours:

The Provisional Voter Hotline will also allow you to learn after the official certification whether your provisional ballot was counted, and if it was not counted, why it was not counted.

IN THE FOLLOWING SITUATIONS YOU MUST PROVIDE PROOF OF IDENTITY OR ADDITIONAL INFORMATION TO THE BOARD OF ELECTIONS WITHIN 4 DAYS AFTER THE ELECTION:

1. You did not present photo identification and did not complete an affidavit of religious objection.
2. Your right to vote had been challenged and heard by the board of elections at a hearing held before the election, and the board determined that the challenge had merit.

In these situations, the law requires that your ballot can be counted only if you appear at the office of the board of elections and provide to the board any additional information necessary to determine your eligibility.

The following are acceptable forms of photo identification:

- A driver's license, state ID card, or interim ID form issued by the Ohio BMV;
- A US passport or passport card; or
- A US military ID card, Ohio National Guard ID card, or US Department of Veterans Affairs ID card.

If you do not have a photo identification due to a religious objection, you may complete an affidavit of religious objection. You may ask elections staff for an affidavit form.

COUNTY STREET AND ROAD GUIDE WITH VOTING LOCATION LISTING

This Guide is designed to help you find the correct voting precinct and voting location for lost voters.

The guide is divided into two sections: The *County Street and Road Guide* (white pages) and the *Voting Location Listing* (green pages).

The County Street and Road Guide lists all streets and roads in Franklin County alphabetically and by house number ranges (even, odd, and all). Directional indicators will not affect the alpha listing (i.e. N Addison Pl will be found in the A section, not the N section). When you have located the voter's address range, find the precinct name listed after the zip code for that range*. If the precinct does not vote at your location, write the precinct name on the *Voter Transfer Form* and determine the proper voting location for that precinct in the *Voting Location Listing* (green pages).

The *Voter Location Listing* contains all the voting locations in alphabetical order by precinct name*. Next to the precinct name is the assigned voting location name and address. Write the location name and address on the

*At some locations, not all precincts will have something to vote on. In the *County Street and Road Guide*, if there is no election for an address, the precinct column will indicate "No Ballot". Precincts that do not have an election will not appear in the *Voting Location Listing* because

ENVELOPE FOR 17-YEAR-OLD VOTERS

INSTRUCTIONS FOR 17-YEAR-OLD VOTERS

17-Year Old Voter Instructions: Voting Your Optical Scan Ballot

A 17-year old registered voter who will be 18 years of age on or before the date of the next general election may vote in a primary election, including for Presidential delegates. You CANNOT vote on: any candidacy for a state or county political party's central committee, or any question or issue, such as a school tax levy, charter amendment, or local liquor option.

Please read the following instructions on how to mark your ballot:

1. Before marking your ballot, make sure that there are not any marks on it.
2. If there are marks on the ballot, please return the ballot to the election officials for a clean ballot with no marks already on it.
3. Read the directions on the unmarked ballot carefully before you vote:
 - ✓ If the ballot allows you to cast **one** vote for a particular office, you may fill in only **one** oval or box on your ballot.
 - ✓ If the ballot allows you to cast more than **one** vote for the same office, you may fill in the maximum number of ovals or boxes allowed by the directions.
 - ✓ If you vote for fewer candidates than the maximum number allowed by the directions for a particular office, you have under voted that contest and your vote will be counted
 - ✓ If you vote for more candidates than the maximum number allowed by the directions for a particular office, you have over voted that contest and your vote for that contest only will NOT be counted.
4. Use the pen or pencil provided to mark your vote on the optical scan ballot.
5. Completely fill in the oval or box to the **left** of the candidate's name you want to vote for.
6. To cast a vote for a person who has filed to be a **write-in** candidate:
 - ✓ Find the blank line provided on the ballot under the names of candidates listed for that particular office.
 - ✓ Fill in the oval or box to the left of that blank line.
 - ✓ Clearly write the name of the write-in candidate on the blank line. Only votes for a person who previously filed with the board of election to become a write-in candidate will be counted.
7. If you have questions, ask the election officials for assistance.
8. If you make an error while marking your ballot, please take your ballot to the election officials. The election officials will void that ballot and give you a new one. You may request up to two replacement ballots.
9. Once you have completed marking your ballot, review it to make sure it reflects your votes and place it in the envelope given to you.
10. Once you place your ballot in the envelope given to you and return it to the election officials, you may not request another ballot.
11. Your ballot will be sent to the county board of elections with all the other ballots after the polls close. Your ballot does not identify you; your vote is secret.
12. CONGRATULATIONS! You have voted for the first time and taken an important first step toward being a lifelong voter and a regular participant in your government.

Letter Informing of 17-Year-Old Voters

Dear Precinct Election Official:

There are persons registered from your assigned voting location who are currently seventeen (17) years of age and who will turn eighteen (18) years of age on or before the date of the General Election. By law, these voters are permitted to nominate candidates to offices they will be eligible to vote for at the General Election.

A 17-Year-Old voter has a message printed on the record in the E-Poll Book. Have the voter sign the Electronic Poll Book at the Roster table. Issue the 17-Year-Old voter the printed 17 Y.O. ATV slip and have the voter report to the paper ballot station for a ballot.

At the Paper Ballot table, provide an orange lettered 17-Year-Old envelope, the 17-Year-Old voter instructions, and the correct paper ballot based on the voter's ballot style (obtained from 17 Y.O. ATV slip).

The 17-Year-Old voter will seal their marked ballot in the orange lettered envelope and drop it in the voted ballot bag.

NOTE: If you determine that a 17-Year-Old voter must vote a provisional ballot, please process that voter as a provisional voter.

STEPS TO USE THE BALLOT COUNTER AUXILIARY BIN TO COLLECT MARKED BALLOTS

If you are unable to clear a marked ballot that is jammed.

OR

SECRETARY OF STATE

FREQUENTLY ASKED QUESTIONS

1. Must a voter show to an election official an acceptable proof of identity to vote a regular ballot?

Yes. If they do not, they must vote a provisional ballot.

2. Are passports an acceptable form of voter ID?

Yes, Ohio law does include U.S. Passports and U.S. Passport Cards as acceptable forms of identification.

3. Who is required to transport voted ballots to the Board of Elections after the polls close?

The ballots and required voting materials and supplies are to be transported to the Board of Elections by a Voting Location Manager with a precinct election official, employee, or appointee of the board to whom an oath was given and who is a member of a different political party than the presiding judge. Please also refer to specific transport instructions provided by your Board of Elections for more details.

4. How should a precinct election official respond when a voter asks specific questions about candidates or issues?

Precinct election officials should respond that they cannot advise, instruct, or educate voters on candidates or issues.

5. If a voter arrives by 7:29 p.m., can they still vote?

Yes. Allow any voter in line at 7:30 p.m. to vote. At 7:30 p.m. lock the doors, if possible, or direct a precinct election official to stand at the end of line and inform any voters arriving after 7:30 p.m. that the polls are closed.

6. Is there a time limit for voters to vote?

Yes. Am. S.B. No. 10 was signed in March 2013, and establishes a ten-minute time limit when all machines are in use and voters are waiting to use them. The ten-minute time limit for occupying a voting compartment does not apply to any voter requiring the use of a disabled-accessible voting machine. Precinct election officials should be flexible in enforcing the time limit, and should ask voters who are taking longer than normal if they need assistance or explanation.

7. Can I refuse an irate or drunken voter?

No. If necessary, the sheriff, police or other peace officers may be called upon for assistance, but all electors should be allowed to vote. Use common sense, prudent judgment, and superior customer service when dealing with difficult voters.

8. What should a precinct election official do with a list of eligible write-in candidates provided by the Board of Elections?

The list should be shown to any voter who asks for a list of write-in candidates. Precinct election officials may not post the list.

9. A voter enters the polling location wearing campaign attire. What do you do?

Politely ask the voter to remove or cover the items, because, by law, the polling location must be free of any campaign paraphernalia, including attire. If the voter refuses, the voter can still vote, but you must notify the Board of Elections of the incident.

10. A voter brings an absentee ballot to the voting location. What do you do?

Absentee ballots cannot be accepted at the polling location on Election Day. Advise the voter that he or she can take the voted absentee ballot to the Board of Elections office by 7:30 p.m. on Election Day or vote a provisional ballot at the voting location.

11. Is the Secretary of State prescribed Identification Envelope - Provisional Ballot Affirmation (Form 12-B) that has been printed on a provisional ballot identification envelope sufficient to register a non-registered voter for future elections?

Yes. The envelope can be used to register a previously unregistered person if it is properly completed.

PROCEDURES FOR LATE VOTING

PROCEDURES IF COURTS RULE SOME OR ALL POLLING LOCATIONS MUST STAY OPEN BEYOND 7:30 P.M. (IF APPLICABLE)

If a court were to order that all or some of the polling places in Franklin County must stay open beyond 7:30 p.m., follow these procedures:

1. First, **DO NOTHING** unless the Board of Elections directly notifies your polling place with this information. Do **NOT** accept instructions or hearsay from the media, voters, observers, or general public. Remember, just because other locations might be ordered to stay open later, yours may not.

Voting Location Managers must make doubly sure the voting location cell phone has been plugged in and **TURNED ON** for the entire day. The Board of Elections will notify your location with details about any extended hours with a message directed to your cell phone. Always be sure to have someone answer the phone as soon as possible when it rings.

2. Let's say, for example, the courts rule that your voting location is one that must remain open until 8:30 p.m. (or another specified time):

FOR A SINGLE PRECINCT VOTING LOCATION

- a. At 7:30 p.m., send a Judge to the end of the line (if one exists), and note who the last voter is in line. Clearly indicate to all present that this is the last person allowed to be processed with normal voting procedures.
- b. Continue to allow others to get in line behind the person specified as the last voter at 7:30p.m. For individuals getting in line past 7:30 p.m.:
 1. Verify from the Yellow Polling Location Street Guide that the voter is in your precinct, and send the voter to the Paper Ballot Station to be processed.
 2. The voter **MUST VOTE A PROVISIONAL BALLOT** (this is Federal law). The voter **WILL NOT** sign the Touchpad. The voter **WILL NOT** vote on a Machine **NOR** vote a Regular Paper Ballot.
 3. The voter must complete a provisional envelope. You will still allow the machine exception for a voter with a disability.

4. In the upper right-hand corner of the Provisional Envelope, write:

“After Close of Polls by Order of the Court”

before you give it to the voter. The Board can then monitor voters who vote provisionally after the 7:30 normal location closing time.

Give the voter a correct ballot, based on his/her ballot style (make sure you provide all pages if the ballot contains multiple pages) and ask the voter to complete the ballot and place it in the Provisional Envelope prior to placing it in the *Voted* Ballot Bag(s).

Continue to vote all individuals in line from 7:30 p.m. to until 8:30 p.m. (or for whatever time the court has mandated) as PROVISIONAL VOTERS. Send a PEO to the end of the line at 8:30 p.m., for example. Announce at that time that voting is now closed and do not allow persons to enter the line.

FOR A MULTIPLE PRECINCT VOTING LOCATION

- a. The steps described above apply to a Multiple Precinct Location as well. However, it is possible that some precincts in the location will be allowed to vote after 7:30 p.m., and others will not.
- b. It is important that the Paper Ballot Judge check the Yellow Polling Location Street Guide and, using the Precinct Identifier, note each voter’s Precinct before allowing the voter to vote. If the voter does not belong in the precinct(s) specified in the court order, the voter is NOT eligible to vote.
- c. As in all cases, if a voter insists on voting, even though he/she lives in a Precinct that is not eligible to vote after the close of the polls, allow the voter to cast a PROVISIONAL BALLOT. However, only votes cast by eligible voters will be counted by the Franklin County Board of Elections.

IMPORTANT: REMEMBER TO KEEP ALL AREAS OF THE POLLING LOCATION OPEN, INCLUDING THE ROSTER TABLE AND ALL MACHINES, UNTIL THE LAST VOTER HAS VOTED.
