P R O C E E D I N G S

- - - - -

DIRECTOR ANTHONY: Good morning. I would like to start -- call to order the Franklin County Board of Elections meeting. I'll do the roll call.

Kimberly Marinello.

BOARD MEMBER MARINELLO: Here.

DIRECTOR ANTHONY: Greg Haas.

BOARD MEMBER HAAS: Here.

DIRECTOR ANTHONY: Doug Preisse.

CHAIRMAN PREISSE: Here.

DIRECTOR ANTHONY: And Brad Sinnott.

BOARD MEMBER SINNOTT: Here.

DIRECTOR ANTHONY: Mr. Chairman, we have a full house.

CHAIRMAN PREISSE: Thank you for calling us to order. Now I'll ask our long familiar Assistant County Prosecutor to introduce his colleague to the Board.

MR. ANDERSON: Tim will be actually kind of replacing me in the day-to-day, in dealing with elections matters for the Prosecutor's office. He works in business, on the business staff with me, and

1 you're not completely rid of me, but Tim will be more  
2 the person that you'll see at your monthly meetings  
3 and I'll only show up on probably special occasions  
4 and election day so that -- Tim will --

5 BOARD MEMBER HAAS: Welcome, Tim.

6 BOARD MEMBER MARINELLO: Welcome.

7 MR. LECKLIDER: Thank you.

8 CHAIRMAN PREISSE: Yes, welcome indeed.

9 MS. SHAFFER: What is the last name?

10 MR. LECKLIDER: L-e-c-k-l-i-d-e-r.

11 MS. SHAFFER: Thank you.

12 CHAIRMAN PREISSE: Thank you. Okay.

13 DIRECTOR ANTHONY: The first item on the  
14 agenda will be the approval of the minutes of the  
15 May 19th and the 27th and the June 2nd meetings by  
16 the Board of Elections as submitted.

17 BOARD MEMBER HAAS: I move the Board  
18 approve the minutes of the May 19th, May 27th, and  
19 June 2nd meetings of the Board of Elections as  
20 submitted.

21 DIRECTOR ANTHONY: Is there a second?

22 BOARD MEMBER MARINELLO: Second.

23 DIRECTOR ANTHONY: All those in favor?

24 (All ayes heard.)

1           DIRECTOR ANTHONY: I will now -- I will  
2 send this around for everyone's signature.

3           The second item on the agenda will be to  
4 set the early vote hours for the August Special. As  
5 you all know, we've got a new directive from the  
6 Secretary of State's office that set the hours for  
7 our elections. So we just want to codify that with a  
8 board vote.

9           BOARD MEMBER SINNOTT: Well, I'll move  
10 that the Board rescind the in-person absentee voting  
11 hours for the August 5th Special Election established  
12 at the Board's June 2nd meeting, and replace them  
13 with the hours set by the Secretary of State  
14 Directive 2014-17.

15           DIRECTOR ANTHONY: Is there a second?

16           BOARD MEMBER HAAS: Second.

17           DIRECTOR ANTHONY: All those in favor?

18           (All ayes heard.)

19           DIRECTOR ANTHONY: Those opposed?

20           (No response.)

21           DIRECTOR ANTHONY: The ayes have it.

22           The next item on the agenda would be the  
23 machine allocation for the August Special Election  
24 and you have that in Exhibit A.

1           DEPUTY DIRECTOR WALCH: We have a Special  
2 Election in the Licking Heights School District for  
3 the August Special on August 5th. Per one of our  
4 last meetings we did consolidate some of those  
5 locations down into three locations. Before you in  
6 Exhibit A is the machine allocation formula that is  
7 based off our normal allocation formula of one  
8 machine for every 175 registered voters in that  
9 polling location.

10           BOARD MEMBER SINNOTT: There's not much  
11 in Franklin County that participates in this Special  
12 Election.

13           DEPUTY DIRECTOR WALCH: No, there's about  
14 -- I think it was around 7,000 or so registered  
15 voters, somewhere in that neighborhood.

16           BOARD MEMBER MARINELLO: Mr. Chairman, I  
17 move the Board adopt the voting machine allocation  
18 formula in Exhibit A compiled by the Board staff for  
19 the August 5th, 2014, Special Election.

20           DIRECTOR ANTHONY: Is there a second?

21           BOARD MEMBER SINNOTT: Second.

22           DIRECTOR ANTHONY: All those in favor?

23           (All ayes heard.)

24           DIRECTOR ANTHONY: Motion carries.

1           The next item is the paper ballot  
2 allocation for the August Special and that's in  
3 Exhibit B.

4           DEPUTY DIRECTOR WALCH: Again, these  
5 paper ballot allocations are always done by ballot  
6 style because we do have usually numerous ballot  
7 styles based on precinct and everything. For this  
8 issue there actually will only be one style because  
9 there's only one issue on the ballot so you can't  
10 really do any rotation with that or anything so  
11 because there's only one. On Exhibit B is a formula  
12 that will basically allocate 25 paper ballots for  
13 each precinct and precinct split that is in this  
14 Special Election.

15           BOARD MEMBER SINNOTT: All right. Then I  
16 move the Board adopt the paper ballot allocation  
17 formula in Exhibit B compiled by the Board staff for  
18 the August 5th, 2014, Special Election.

19           DIRECTOR ANTHONY: Is there a second?

20           BOARD MEMBER HAAS: Second.

21           DIRECTOR ANTHONY: All those in favor?

22           (All ayes heard.)

23           DIRECTOR ANTHONY: Motion carries.

24           The next item on the agenda is we have to

1 prepare an Election Administration Plan per directive  
2 2014-16. I must add that Dana worked very hard on  
3 this. We certainly appreciate all the hard work that  
4 Dana did on this on putting this plan forward and  
5 it's before you as a big packet of information.

6 There were some changes to the plan that  
7 we submitted in -- the last plan we submitted was in  
8 2012. So there was some additions as a result of  
9 directives and state law.

10 And, Dana, since you did the yeoman's  
11 work on this, I'll let you kind of walk us through  
12 this.

13 DEPUTY DIRECTOR WALCH: Well, thank you  
14 for those kind words, Bill. This was an effort by  
15 the bipartisan staff here at the Board of Elections.

16 A number of the items in here were the  
17 same from 2012 because we haven't changed procedure  
18 on some of them, obviously, but there were, as Bill  
19 mentioned, some changes that we had to make.

20 With the Directive 2014-16, the Secretary  
21 of State basically provides us with a template that  
22 we have to follow and questions that we have to  
23 answer. As we go through those, and with the help of  
24 the bipartisan staff here at the Board, we've put

1 together the 127-page plan that is -- that is before  
2 you today so that I believe addresses all the  
3 questions in there that were asked of us in  
4 preparation.

5 This is really a good thing for us to do  
6 because it has us go through and look at our  
7 procedures and how we do plan for the upcoming  
8 gubernatorial election, election-wise. And so it's a  
9 good thing for us to have to go through and  
10 really, you know, take a good, solid look at how we  
11 plan and how we prepare for an upcoming major  
12 election like we're having this November. So I think  
13 we produced a very quality product that will be  
14 submitted to the Secretary of State's office per the  
15 directive.

16 BOARD MEMBER MARINELLO: Thanks, Dana.

17 BOARD MEMBER HAAS: I move that the Board  
18 adopt the Election Administration Plan developed by  
19 the Board of Elections staff for the 2014 General  
20 Election and that this plan be submitted to the Ohio  
21 Secretary of State's office as required by Directive  
22 2014-16.

23 DIRECTOR ANTHONY: Is there a second?

24 BOARD MEMBER MARINELLO: Second.

1 DIRECTOR ANTHONY: All those in favor?

2 (All eyes heard.)

3 DIRECTOR ANTHONY: Motion carries. I'm  
4 passing around, we all have to sign off on this, I'm  
5 passing around just the sign-off sheet since everyone  
6 already has a copy of that in their possession.

7 The next item on the agenda would be we  
8 have some precinct boundary changes.

9 DEPUTY DIRECTOR WALCH: And we have with  
10 us, I believe Matt Rushay is here. There he is.  
11 He's behind the podium back there.

12 The first ones are in -- the first one is  
13 in the City of Columbus. We had Columbus -- well,  
14 there's a couple in Columbus, Columbus 46-B, Columbus  
15 46-D, Columbus 82-D, and Columbus 82-E, were all over  
16 -- through growth, were all over the maximum number  
17 of voters permitted in a precinct. So we went  
18 through the process of splitting those precincts.

19 Matt, is there anything you want to add  
20 as to -- Matt Rushay is our precinct guy and is the  
21 one who took care of this. So, Matt, I don't know if  
22 you have anything that you want to add to this, but  
23 we split those precincts, didn't create any ward  
24 issues or anything like that, there were no ward

1 boundary changes because those are done by the  
2 municipality, but to get us in compliance with the  
3 maximum number of voters permitted, which is 1,400,  
4 we had to go through the process of splitting these  
5 precincts.

6 CHAIRMAN PREISSE: Looks good.

7 BOARD MEMBER MARINELLO: I move the Board  
8 approve the precinct boundary changes in the City of  
9 Columbus, recommended by the staff in Exhibit C, and  
10 that these new precinct boundaries are to take effect  
11 on August 6, 2014.

12 BOARD MEMBER HAAS: Second.

13 DIRECTOR ANTHONY: All those in favor?

14 (All ayes heard.)

15 DIRECTOR ANTHONY: Motion carries.

16 The next item on the agenda would be ward  
17 and precinct boundary changes in the City of  
18 Reynoldsburg.

19 DEPUTY DIRECTOR WALCH: These ones are  
20 slightly different in that these are ward boundary  
21 changes that were adopted and approved by the City of  
22 Reynoldsburg. As I said earlier, municipalities set  
23 their own wards, we then set the precincts within  
24 those wards, and before you is some realignment of

1 Reynoldsburg City wards.

2 They do comply with the law of having to  
3 follow census geography which is a requirement for  
4 precincts in the state, and, thus, since precincts  
5 make up the wards, the wards themselves have to  
6 follow precinct boundaries also; these do that.

7 And so, then, we are asking for approval  
8 of the ward -- acceptance of the ward boundary  
9 changes and then the subsequent precinct boundary  
10 changes within those wards.

11 BOARD MEMBER HAAS: Do we know if there  
12 was any dissent in Reynoldsburg over any of these  
13 changes? Is there anybody here from Reynoldsburg  
14 that --

15 DEPUTY DIRECTOR WALCH: Matt, do you know  
16 of any, if there was any --

17 MR. RUSHAY: I missed the question.

18 DEPUTY DIRECTOR WALCH: Was there any  
19 dissent that we know of on these new ward boundaries  
20 in Reynoldsburg? I'm not familiar with that. I  
21 don't know either way.

22 BOARD MEMBER HAAS: Okay. The main  
23 question I wanted to make sure if there was anybody  
24 here from Reynoldsburg that wanted to comment.

1 MR. RUSHAY: I'm not aware of any  
2 dissent.

3 BOARD MEMBER HAAS: Okay.

4 BOARD MEMBER SINNOTT: Dana, these are  
5 ward boundary changes?

6 DEPUTY DIRECTOR WALCH: That is correct  
7 and also subsequent precinct boundary changes that  
8 were necessitated by the change in wards. Does that  
9 make sense?

10 BOARD MEMBER SINNOTT: Reynoldsburg will  
11 stay at four wards.

12 DEPUTY DIRECTOR WALCH: That is correct.

13 BOARD MEMBER MARINELLO: Mr. Chairman, I  
14 move the Board approve the ward boundary changes  
15 adopted by the City of Reynoldsburg and the  
16 subsequent precinct boundary changes recommended by  
17 the Board of Elections staff in Exhibit D, and that  
18 these new ward and precinct boundaries are to take  
19 effect on August 6, 2014.

20 DIRECTOR ANTHONY: Is there a second?

21 BOARD MEMBER SINNOTT: As a former ward  
22 boundary chairman in Reynoldsburg, I am proud to  
23 second that motion.

24 DIRECTOR ANTHONY: All those in favor?

1 (All eyes heard.)

2 DIRECTOR ANTHONY: Motion carries.

3 The next item on the agenda is the -- you  
4 guys wanted an update on our move to 1700 Morse Road,  
5 so we're going to try to give you an update on our  
6 move to Morse Road.

7 And I'm not sure how to start, we have a  
8 young lady here by the name of Teresa Bird and she  
9 has been our move coordinator. She has taught me a  
10 lot about moving. I thought you put stuff in a box  
11 and you just kind of move and couldn't find it. But  
12 she's been really helpful, she's trained our staff,  
13 making sure that Dana and I get our offices cleaned  
14 which is probably a big task for her to do.

15 So I'll let her kind of start it and then  
16 we can kind of add some -- well, I do want to say  
17 that everything looks to be going pretty smoothly  
18 from our end. We do expect to have the move start on  
19 our end, and Teresa will go more with discussing  
20 more.

21 But July 11th we're going to close our  
22 offices here, send staff home for a much-needed R&R,  
23 a few of us still have to work, Dana and me and  
24 Suzanne, which I should also mention Suzanne Brown

1 was our move coordinator, working with Teresa and  
2 Pizzuti and PFM, and she did a great job. I cannot  
3 express my pleasure for the work that she has done to  
4 make this a seamless move, and it's been hard, we  
5 are, you know, moving a board this size takes a lot  
6 of time. So Suzanne --

7 MS. BROWN: Thank you.

8 DIRECTOR ANTHONY: -- publicly, I would  
9 like to thank you for all your hard work.

10 MS. BROWN: Thank you.

11 BOARD MEMBER MARINELLO: Thank you,  
12 Suzanne.

13 DIRECTOR ANTHONY: And with that -- Dana,  
14 do you have something you'd like to add?

15 DEPUTY DIRECTOR WALCH: No. I just would  
16 like to thank Suzanne too. She and I talked about it  
17 last night. She's been very helpful throughout this  
18 entire process because, as you can imagine, moving an  
19 organization like this is not an easy task.

20 So it is our intentions, Bill mentioned  
21 briefly, to move, to begin to move, the move actually  
22 will begin Thursday after we close on July 11, but  
23 our office will be closed -- I'm sorry, Thursday,  
24 June [verbatim] 10th, our office will be closed on

1 Friday, July 11th, and Monday, July 14th we'll be  
2 closed to the public, but the staff will appear that  
3 day, will be in the office that day to unpack and  
4 make sure computers are working, phones are working,  
5 things of that sort, but then we fully expect to be,  
6 and we've noticed that to everybody too, that we will  
7 be closed those days. So we fully expect to be up  
8 and operational on July 15th. And I will turn it  
9 over to Teresa.

10 MS. BIRD: I'm Teresa Bird from Pizzuti,  
11 and pretty much I walked around, a lot of people are  
12 packed, during the process of packing if they need  
13 more crates they come in here and get them. We have  
14 some shelving that has been taken down already.

15 We will begin moving items over to the  
16 new building on Monday the 7th. Also, on Monday the  
17 7th we will start assembling the furniture that has  
18 been purchased. Furniture installation will go the  
19 7th, 8th, and 9th. Also, we'll pre-move certain  
20 things in order to make it less of a bottleneck when  
21 we start officially moving people after hours on the  
22 10th.

23 We'll be here on -- I'll be here pretty  
24 much every day, and I come in, I check on everybody,

1 if they need anything, we take care of them. Suzanne  
2 takes care of them, even if I'm not here she takes  
3 care of them.

4 So pretty much, as Dana said, we start  
5 moving people at 5:00 on Thursday night and then  
6 continue Friday, then open up on Monday,  
7 troubleshoot, I get a list of issues, I hand them off  
8 to whomever I need to hand them off to. IT, phones,  
9 myself, whatever needs to be done, we make sure  
10 you're happy and --

11 CHAIRMAN PREISSE: You're with -- are you  
12 with PFM?

13 MS. BIRD: No. I'm actually with Pizzuti  
14 Solutions.

15 CHAIRMAN PREISSE: Okay. You're with  
16 Pizzuti. So you've been assigned. When are you with  
17 us until? Is this your primary challenge until we're  
18 satisfied and we're up and running? How do you  
19 determine when we're mutually satisfied?

20 MS. BIRD: When handover occurs. Pretty  
21 much what happens is I will be with you all day on  
22 Monday and then I make sure your crates get picked up  
23 that Friday. And if you need anything in between  
24 then, I'm working off of the sheets, they turn in

1 these welcome sheets that say I have a problem, I  
2 have an electrical outlet in my cube that doesn't  
3 work. So I would then target the electricians and/or  
4 the furniture people, and I just work to oversee  
5 until the punch list is complete and we all agree  
6 that, you know, we've done all that we can do.

7 I mean if somebody requests a door on  
8 their cube, that's obviously something we're going to  
9 have to go back to them and say, you know, justify a  
10 business need and then we'll talk, but it's kind of  
11 one of those things where I would then pass it to  
12 Suzanne, Dana, and Bill, but, you know, we come to a  
13 mutual agreement that it's time.

14 DEPUTY DIRECTOR WALCH: It should -- I do  
15 want to note for the members of the Board and the  
16 public that our warehouse will not move until after  
17 the November election. There still is some work  
18 going on in the warehouse area back there, but as  
19 we've looked at this from the very beginning and the  
20 timelines that were in place, working out of the  
21 warehouse through this November made sense to us in  
22 the fact that in that way we only have to move all  
23 the equipment once, meaning the voting machines, over  
24 4,000 voting machines we'll put out. This way we'll

1       only have to move them once instead of twice. They  
2       will go out from our warehouse on Alum Creek and then  
3       be returned to the Morse Road location after the  
4       November election.

5                   BOARD MEMBER MARINELLO: Oh, good.

6                   DEPUTY DIRECTOR WALCH: So there's still  
7       a little bit of work going on out there, but that's  
8       coming along very well too.

9                   And for the members of the Board and the  
10       public, we do have up here both the drawing of the  
11       location and the pertinent carpetings and mouldings  
12       and wallpaper or whatever all is on there for all of  
13       you to take a look at.

14                   CHAIRMAN PREISSE: This may not be a  
15       Pizzuti question, per se, but as it relates to  
16       notifying the public effectively that we're no longer  
17       here and we're somewhere else when they come by to do  
18       whatever many tasks that sometimes they engage in,  
19       how -- what's our plan there?

20                   DEPUTY DIRECTOR WALCH: We have reached  
21       out to certainly vendors that we deal with already to  
22       alert them for, you know, correspondence that they  
23       send to us. It's been up on our website for quite  
24       some time. We've had a notice posted at the front

1 door for quite some time of our imminent move, and  
2 that will remain there for a while after we've moved,  
3 also, if anybody does show up here. We've done press  
4 releases on the issue also and we'll do another one,  
5 I think, next week, as just another reminder out  
6 there of our move later in the week.

7 BOARD MEMBER MARINELLO: Who -- who all  
8 got the postcard that was sent out?

9 DEPUTY DIRECTOR WALCH: We mainly sent  
10 that to vendors that we deal with, anybody who would  
11 need to send us billing information, things of that  
12 sort.

13 BOARD MEMBER MARINELLO: Well, I got  
14 something that said all financial and everything  
15 is, you know . . .

16 MS. BROWN: Jeff sent out a notice to  
17 candidates.

18 DEPUTY DIRECTOR WALCH: Oh, okay. We  
19 notified -- thank you, Suzanne. We did send out a  
20 notice to all affected candidates so they knew where  
21 to file campaign finance reports --

22 BOARD MEMBER MARINELLO: Okay.

23 DEPUTY DIRECTOR WALCH: -- and petitions  
24 and all that, you know, anything like that.

1 BOARD MEMBER MARINELLO: It was great.

2 DEPUTY DIRECTOR WALCH: Thank you for  
3 bringing that up.

4 BOARD MEMBER HAAS: Are we doing anything  
5 in terms of signage on Morse Road to make sure that  
6 people are aware?

7 DIRECTOR ANTHONY: Yeah. We're still in  
8 the process of -- they've given us some designs on  
9 some signage that's going up there. Hopefully that  
10 will be in place real soon. The big sign in front of  
11 the building, that has yet to be determined what that  
12 sign will look like, but that will be our main sign,  
13 that big sign that you can see from Morse Road.

14 BOARD MEMBER SINNOTT: How long will it  
15 be before our current space is reoccupied?

16 MS. BIRD: That is a PFM question and  
17 I've asked that and they said they want it as soon as  
18 possible. So they're going to have to get,  
19 particularly Charlie Huddle in there, to tear down  
20 the cubes and then they'll work on design. I don't  
21 know exactly what date that's going to be.

22 DEPUTY DIRECTOR WALCH: But I believe, in  
23 answer to your question, Mr. Sinnott, would be that  
24 about 13 minutes after we're out of here, work will

1 begin on moving the next occupant into this. That's  
2 what's been professed to us by PFM. I think that's  
3 fair to say.

4 MS. BIRD: That's the impression I've  
5 got.

6 BOARD MEMBER MARINELLO: Are you able to  
7 use all the old, like, voter registration cards or  
8 you have to get rid of them and search them down and  
9 dump them?

10 DEPUTY DIRECTOR WALCH: We've certainly  
11 tried, as we have been preparing for this move, that  
12 anything that has an address on it, to certainly use  
13 as much stock as we possible could. And if we had to  
14 order any other materials in the interim, we only  
15 ordered, you know, very small amounts to get us  
16 through the end. So we've tried to deplete our  
17 stock, so to speak, as much as we possibly could, in  
18 moving up to the date of our moving.

19 DIRECTOR ANTHONY: And we also will have  
20 the August Special at the 1700 Morse Road address.  
21 So we have secured a place for that Special to be  
22 conducted at Morse Road.

23 BOARD MEMBER HAAS: I think signage that  
24 allows people to recognize that the Board is there,

1 and even some kind of temporary signage, early vote,  
2 about the election taking place there. So that we --  
3 more and more people are accustomed to that being --

4 DEPUTY DIRECTOR WALCH: There will also,  
5 I'm sorry, Greg. There also is -- there's also going  
6 to be lettering put on the side of the building that  
7 will -- in front of the building that will identify  
8 it in addition to however they end up doing the large  
9 high sign out there also. We can certainly speak  
10 with PFM. We talked to them about the possibility of  
11 even some temporary signage up there that best  
12 identifies the location until everything officially  
13 gets worked out.

14 BOARD MEMBER HAAS: Great.

15 MS. BROWN: He did tell us the lettering  
16 on the building itself will be in place by the 18th,  
17 he did tell us that at our move meeting last week.  
18 Is that still on target? Do you know?

19 MS. BIRD: I think it is. I'm not  
20 100 percent.

21 CHAIRMAN PREISSE: This may also be not a  
22 Pizzuti question, but have we learned some lessons,  
23 when we used the site as an early voting center, as  
24 related to ingress and egress and parking and all

1 those challenges, what's our, and I don't want to  
2 delay this discussion much more on these issues, but  
3 do we have a plan, have we discussed the plan for the  
4 parking out front and on the side?

5 DIRECTOR ANTHONY: We -- we're still, you  
6 know, the whole parking lot will be paved and so  
7 we'll still have -- yes, we're going to address that.

8 As you know, the warehouse -- early  
9 voting is not going to be quite like -- well, let me  
10 back up.

11 Since moving the warehouse up, they'll  
12 have a place for the cars to drive in and drive out  
13 on election eve, on election evening. So we are  
14 looking at how we're going to use that parking lot a  
15 lot better than we did during the early vote.

16 CHAIRMAN PREISSE: And part of our  
17 challenge, too, was people exercising their rights to  
18 campaign up there, but it became kind of an issue.  
19 So we might as well try to get in front of that.  
20 Probably going to be less of a challenge in a  
21 gubernatorial election than presidential, but,  
22 nonetheless, there will be some lessons to learn this  
23 November.

24 DEPUTY DIRECTOR WALCH: In the aftermath

1 of 2012, the presidential election, we sort of had a  
2 debriefing meeting after that to discuss some of  
3 those issues, with representatives of PFM and of the  
4 county sheriff's office, et cetera, and we did talk  
5 through a few scenarios of that when we face it again  
6 in the future.

7 But with regard to other years when we're  
8 fully in there and the warehouse is there, for  
9 example as Bill talked about, of how we drop off --  
10 pick up and drop off supplies a couple of days before  
11 election or on election night, we've already had some  
12 initial conversations, for example, with the county  
13 sheriff, to help us work through how we best have  
14 traffic flow through that area.

15 We don't have a plan yet, but we have had  
16 -- because we won't have to deal with it until 2015  
17 because that won't take place up there in the  
18 gubernatorial election, that will all take place out  
19 at the warehouse this year, but for -- we already  
20 have had some initial conversation with getting some  
21 assistance from those who know how to move traffic on  
22 this. So there --

23 CHAIRMAN PREISSE: There was some real  
24 safety issues and, you know, some tense moments

1 between rival political camps up there that I think  
2 it will be well served to think through what we can.  
3 I don't want to delay this conversation.

4 DEPUTY DIRECTOR WALCH: And we will -- we  
5 are -- we are doing that, yes.

6 DIRECTOR ANTHONY: You all, if you want  
7 to go up and look at the site, we could arrange a  
8 site visit.

9 CHAIRMAN PREISSE: I do, and I wonder,  
10 and, again, I keep delaying this, but let's think  
11 about some kind of open house for our --

12 DIRECTOR ANTHONY: I was just going to  
13 mention that next.

14 CHAIRMAN PREISSE: -- constituencies,  
15 office holders.

16 DEPUTY DIRECTOR WALCH: We have discussed  
17 that already, also, Mr. Chairman, and we want to get  
18 up there and kind of get in and get some stuff --

19 CHAIRMAN PREISSE: Right. Right.

20 DEPUTY DIRECTOR WALCH: -- put away  
21 before we did that, but we absolutely will be doing  
22 that and inviting the public to come in and see our  
23 new location.

24 DIRECTOR ANTHONY: And we already made

1 contact with the Northland area business association.  
2 So we -- so they'll be part of the whole grand  
3 opening, the whole Northland community. So we plan  
4 to make it a pretty good event.

5 CHAIRMAN PREISSE: Good.

6 DIRECTOR ANTHONY: So whenever you guys  
7 want to go, work with Dana and me and Suzanne and  
8 we'll get you up there before the 11th, before you  
9 can come up on the -- it will be kind of hectic on  
10 the 11th, though. You're welcome to come any time  
11 you want to come.

12 MS. BROWN: You sure the State is okay  
13 with that?

14 (Laughter.)

15 DIRECTOR ANTHONY: I'm not sure.

16 CHAIRMAN PREISSE: Well, thank you. If  
17 there's no other questions from Board members --  
18 Teresa, right?

19 MS. BIRD: Right.

20 CHAIRMAN PREISSE: Thank you, Teresa.

21 MS. BIRD: You'll see me for the  
22 warehouse move so I'll be back.

23 CHAIRMAN PREISSE: Wonderful. Okay.

24 DIRECTOR ANTHONY: Thanks.

1                   DEPUTY DIRECTOR WALCH: Thank you,  
2                   Teresa.

3                   DIRECTOR ANTHONY: The next item on the  
4                   agenda, Board Member Haas had asked me to put  
5                   together some information regarding the appointment  
6                   of observers during the 2012 election. And so, I put  
7                   together a packet for you guys for informational  
8                   purposes to take a look at it, based on Board Member  
9                   Haas' concerns about this issue. So what's before  
10                  you is just a communication between the Board and an  
11                  interested party as in connection with the whole  
12                  observer issue back in 2012.

13                  BOARD MEMBER SINNOTT: This is take-home  
14                  reading for us, Bill?

15                  DIRECTOR ANTHONY: Yes, it is.

16                  BOARD MEMBER SINNOTT: Okay.

17                  BOARD MEMBER HAAS: Well, you know, I  
18                  guess I want to understand what the next steps are on  
19                  this. I mean from my, you know, my question has  
20                  always been, has been for well before I got here that  
21                  there were a number of signatures on these forms that  
22                  apparently are not signatures but copies of  
23                  signatures that were attached to the forms.

24                  You know, I want to -- I want to know

1     what the next steps for -- first of all, my very  
2     first board meeting, which seems like five years ago  
3     but was actually just four months ago, this question  
4     was raised by a person in the audience and, you know,  
5     I recall how swiftly things moved after the 2000  
6     election -- 2008 election with voters, you know, I  
7     guess I want to understand why, you know, we're still  
8     at a point where we've got people who didn't want  
9     their names attached to something, attached to it,  
10    and . . .

11                 DIRECTOR ANTHONY: Well, part of what  
12    happened is that we assured all the Board and it  
13    never went anywhere because we pretty much wasn't  
14    directed to take it anywhere. So that's why I'm  
15    sharing it back with you again. And if you would  
16    like for us to pursue whatever you would like for us  
17    to pursue in regards to this, then you can direct the  
18    Board. But I thought I'd let you at least get all  
19    the information so you can digest it and then come  
20    back before us or, you know, do what you guys direct  
21    us to do.

22                 BOARD MEMBER HAAS: Okay. Well, I'm -- I  
23    appreciate the information and I'm going to read  
24    through it, but I am going to want to hear from the

1 Prosecutor's office about -- in some form --

2 MR. ANDERSON: There's nothing in front  
3 of the Prosecutor's office at this point. The Board  
4 needs to undertake, if it wishes to do that, an  
5 investigation, which it has not yet done. There is a  
6 process that's in place for investigation and  
7 referral which has been used on a number of  
8 occasions, but the Prosecutor's office can't do  
9 anything without the initial investigation.

10 BOARD MEMBER HAAS: So if I -- if I -- if  
11 a person signs other people's names, copies of names,  
12 applies them to a public document, the Prosecutor's  
13 office can't do anything?

14 MR. ANDERSON: The Prosecutor's office is  
15 not an investigative body; it's a prosecutor. We  
16 undertake a prosecutorial function. The  
17 investigation is carried out by an appropriate  
18 agency, whether that be CPD, the sheriff or, in this  
19 instance, the Board of Elections, which has  
20 investigative authority under Title 35.

21 BOARD MEMBER HAAS: Okay. I'm sorry. I  
22 guess it was my mistake. I thought in 2008 that the  
23 Prosecutor's office did quite a bit of investigating  
24 of the voters.

1 MR. ANDERSON: Actually, the Board of  
2 Elections staff did that.

3 BOARD MEMBER HAAS: Oh, okay. Well, we  
4 can definitely digest that.

5 Are there any questions?

6 MS. SHAFFER: Yeah. My name is Paddy  
7 Shaffer and I'm with the Ohio Election Justice  
8 Campaign. And I was here at the Board meeting in  
9 2012 with -- when that whole situation came together  
10 and my understanding is that from that day, True the  
11 Vote was blocked from having election observers. It  
12 was as a result of the signatures being used over and  
13 over on the election observer forms.

14 And I ran a five candidate election  
15 observer across the state two times, so I'm aware how  
16 that goes. I'm aware that the forms read that if  
17 you're caught -- I don't have the exact wording, but  
18 basically if you're filling them out knowingly in  
19 error, it's a felony, and I took that very seriously  
20 when I ran my own election observer project.

21 And so, the idea that those were used  
22 that way is atrocious and that we waited from 2012  
23 for an investigation. And so, I just, if I heard it  
24 correctly, I was just told that the Board of

1 Elections, it was referred to them not to investigate  
2 or not to look into it. Is that what you said, Bill?

3 DIRECTOR ANTHONY: No, that's not what I  
4 said. We were not directed to conduct an  
5 investigation. What we did in 2012 was we did not  
6 accept their observers for any site and so we  
7 instructed all of our poll workers and folks at the  
8 polling locations that if there was someone there  
9 from this organization, they would not be allowed to  
10 be an observer. That's the action we took at the  
11 Board meeting in 2012.

12 MS. SHAFFER: So you're saying that you  
13 were advised to not investigate, but then I was --

14 DIRECTOR ANTHONY: No, I didn't say that,  
15 Paddy.

16 MS. SHAFFER: Okay.

17 DIRECTOR ANTHONY: I said we were not  
18 instructed to conduct an investigation. We were  
19 instructed to stop those observers from being  
20 observers and that's the only thing we did. We  
21 stopped them from becoming observers and we did not  
22 go any further at that point.

23 MS. SHAFFER: But if it was, let's say an  
24 elderly person who is confused that voted twice, they

1 would definitely be investigated, but someone that  
2 has forms that on them say that it's a felony to use  
3 them wrongly, can do that over and over even when  
4 they were asked to --

5 CHAIRMAN PREISSE: I'm going to, you  
6 know --

7 MS. SHAFFER: -- candidate to --

8 CHAIRMAN PREISSE: -- Paddy, I'm --  
9 Greg's brought this up a couple times, I'm glad he  
10 did, but as this sits before me, I can't reconstruct  
11 in my head what you have clearly, that you believe in  
12 yours as it relates to the history here. As I  
13 recall, and I think as, Bill, you just suggested,  
14 these observers never were placed or permitted to be  
15 placed because there were some rescissions at least  
16 by some candidates.

17 I don't want to cut you off here because  
18 I don't want to hear more about it, but I'm just not  
19 sure this is the most effective forum -- format or  
20 forum to do that because I think there needs to be a  
21 lot of back and forth which is going to be better  
22 handled if that's all right.

23 I think this is your principle concern,  
24 Greg, if we're going to get to what your questions

1 are, which I think go back to how did this come  
2 together and who was involved and what should have  
3 been done or might still should be done, what  
4 transpired.

5 BOARD MEMBER HAAS: Yeah.

6 CHAIRMAN PREISSE: We get involved into  
7 the nitty-gritty on this basis --

8 BOARD MEMBER HAAS: Right.

9 CHAIRMAN PREISSE: -- I don't think we're  
10 going to make progress.

11 MS. SHAFFER: It's just that it's very  
12 serious there was -- we had that one which I  
13 certainly would be happy --

14 CHAIRMAN PREISSE: I -- I understand the  
15 serious -- I'm trying to help all of us understand  
16 that if this isn't helping me, and I suspect it's not  
17 going to help -- this dialogue probably isn't going  
18 to help us get to the heart of it. At a subsequent  
19 board meeting, if there's things to discuss, then, by  
20 all means, you're always welcome to come back and  
21 address those in that -- in that organized fashion.

22 MS. SHAFFER: I would. And I'd love to  
23 have a copy of what your update papers are today,  
24 so --

1           CHAIRMAN PREISSE: I suspect it's a  
2 public document.

3           MS. SHAFFER: I'll write a records  
4 request while I'm here and see if I can get copies.

5           There was another situation in 2012 that  
6 came up regarding election observers and True the  
7 Vote, and I don't know what you're aware of, but  
8 here's the stories I was told.

9           CHAIRMAN PREISSE: You know what, I'm  
10 sorry, I'd love to hear the story, but I think you  
11 need to -- I think you want to get together with  
12 staff or --

13          MS. SHAFFER: This is real, real  
14 important and it involves the Board of Elections.

15          CHAIRMAN PREISSE: Okay.

16          MS. SHAFFER: So the thing that everyone  
17 hears it, wants at the same time, and as you're going  
18 to start looking at it, is there an investigation, is  
19 there not an investigation --

20          CHAIRMAN PREISSE: Okay. Paddy, thank  
21 you. Get to the point.

22          MS. SHAFFER: The point is, okay, I got  
23 the story secondhand. So if you want to go further  
24 with this, I could unite you with the actual person

1 that told the story, but here it is as I understand  
2 it.

3           Someone that was a poll worker for the  
4 General Election in 2012 got a notice that came via  
5 e-mail and so it showed up as a Board of Elections  
6 typed notice that there was yet another poll worker  
7 training meeting. This person went to the training  
8 meeting and what it was was True the Vote there. It  
9 wasn't a Board of Elections meeting version; it was  
10 True the Vote training poll workers on what they  
11 wanted them to do at the polls.

12           So if you'd like to know more about that,  
13 I'd be happy to connect you with the person that the  
14 story came from. And it concerned me because I  
15 didn't know that outside groups could rally the poll  
16 workers and have private meetings with them.

17           BOARD MEMBER HAAS: I would like to ask  
18 the staff to conduct an investigation, if that's  
19 acceptable, I'd like to ask the Board to ask the  
20 staff to conduct -- to hear what people have to say  
21 on all sides of this.

22           But the point is an excellent point, if  
23 the Board is being used in some form or was used in  
24 some form in 2012, under the auspice, under the false

1 impression that we're doing something when some  
2 political group is doing something, we need to take  
3 that obviously, and I know everybody here does, very  
4 seriously.

5 CHAIRMAN PREISSE: Yeah.

6 BOARD MEMBER HAAS: And so, we need to  
7 look into that.

8 The second thing, which is important and  
9 I just, you know, I think we've got -- we need to  
10 look carefully, we've got documents where citizens  
11 and elected officials' signatures appear very clearly  
12 to have been abused and, you know, I understand the  
13 Prosecutor is not an investigator, but I'd like us,  
14 then, to do whatever we're going to do and turn it  
15 over to the Prosecutor, but, you know, we all, I know  
16 every time this has come up, we're all -- we all  
17 share the concern that --

18 CHAIRMAN PREISSE: But I don't think  
19 we're making progress. Forgive me for saying that.  
20 I think this is progress.

21 BOARD MEMBER HAAS: I agree.

22 CHAIRMAN PREISSE: But there needs to be  
23 a synthesis and sort of a thesis statement, what are  
24 we looking at, what did someone allegedly or someones

1 allegedly do.

2 BOARD MEMBER HAAS: Right.

3 CHAIRMAN PREISSE: And --

4 BOARD MEMBER HAAS: And then we can --

5 CHAIRMAN PREISSE: -- if there's further  
6 action the Board should take --

7 BOARD MEMBER HAAS: Right.

8 CHAIRMAN PREISSE: -- how do we pursue  
9 that. I'll ask Dana and Bill to get back to us. I  
10 don't think we need to vote on an investigation, per  
11 see, and say guys, Greg's been talking about this for  
12 some time, let's help him and all of us and try to  
13 focus in on what some of these unresolved questions  
14 are.

15 BOARD MEMBER SINNOTT: It's plainly the  
16 case that if a member of the public has information  
17 or an allegation that it issues that the Board staff  
18 investigate, then they will need to provide specific  
19 information and specific allegations so there could  
20 be focused inquiry --

21 BOARD MEMBER HAAS: Right.

22 BOARD MEMBER SINNOTT: And the Board is  
23 always open to its staff's receipt of such  
24 information and allegations.

1 MS. SHAFFER: I think the perfect format  
 2 would be if Greg's requesting an investigation, that  
 3 we toss that into the mix. What happened in 2012 --

4 CHAIRMAN PREISSE: Paddy, if you're  
 5 talking to someone who has a recollection or  
 6 evidence --

7 BOARD MEMBER HAAS: Yeah.

8 CHAIRMAN PREISSE: -- invitation --

9 BOARD MEMBER HAAS: Yeah.

10 CHAIRMAN PREISSE: -- you're telling us  
 11 about it here is helpful to open the issue, but it  
 12 doesn't progress any --

13 BOARD MEMBER HAAS: Right.

14 CHAIRMAN PREISSE: -- farther than that  
 15 because it's just secondhand.

16 BOARD MEMBER HAAS: It will have to be  
 17 firsthand. It will have to be firsthand, but I think  
 18 we --

19 MS. SHAFFER: That's how I understand.

20 BOARD MEMBER HAAS: -- all agree that the  
 21 Director and Deputy Director need to have some  
 22 discussions with all concerned.

23 MS. SHAFFER: All right. Well, I  
 24 appreciate that this issue is even being discussed

1 again, I do take it seriously, and I thank you for  
 2 your time today.

3 BOARD MEMBER HAAS: Paddy, thank you very  
 4 much.

5 CHAIRMAN PREISSE: Thank you.

6 BOARD MEMBER MARINELLO: Thank you,  
 7 Paddy.

8 MS. SHAFFER: You probably all know how  
 9 to find me so call me if you need to.

10 BOARD MEMBER HAAS: All right. Thank  
 11 you.

12 DIRECTOR ANTHONY: Paddy, what is your  
 13 phone number?

14 MS. SHAFFER: (614)266-5283. And the  
 15 spelling of my is P-a-d-d-y, and Shaffer is  
 16 S-h-a-f-f-e-r.

17 BOARD MEMBER HAAS: Thank you very much.

18 DIRECTOR ANTHONY: Thank you, Paddy.

19 BOARD MEMBER HAAS: I don't know if many  
 20 people are daring enough to put their phone number in  
 21 the public record.

22 (Laughter.)

23 MS. SHAFFER: You can put it on. I don't  
 24 care.

1                   DIRECTOR ANTHONY: Probably should have  
2 asked her that.

3                   (Laughter.)

4                   DIRECTOR ANTHONY: The next item on the  
5 agenda is to move into Executive Session to discuss  
6 an investigation of charges and complaints against a  
7 public employee. We need a motion if you guys still  
8 want to go into Executive Session.

9                   CHAIRMAN PREISSE: Is there a motion?

10                  BOARD MEMBER MARINELLO: Mr. Chairman, I  
11 move to move into Executive Session where no official  
12 actions will be taken. Pursuant to Ohio Revised Code  
13 121.22(G)(1), move into Executive Session to discuss  
14 the investigation of charges or complaints against a  
15 public employee. As I said, no official actions will  
16 be taken during the Executive Session.

17                  BOARD MEMBER SINNOTT: I'll second that.

18                  DIRECTOR ANTHONY: I'll do a roll call.  
19 Kimberly Marinello.

20                  BOARD MEMBER MARINELLO: Yes.

21                  DIRECTOR ANTHONY: Gregory Haas.

22                  BOARD MEMBER HAAS: Yes.

23                  DIRECTOR ANTHONY: Douglas Preisse.

24                  CHAIRMAN PREISSE: Yes.

1 DIRECTOR ANTHONY: Bradley Sinnott.

2 BOARD MEMBER SINNOTT: Yes.

3 DIRECTOR ANTHONY: We are now in  
4 Executive Session.

5 (Executive session.)

6 BOARD MEMBER SINNOTT: I move that the  
7 Franklin County Board of Elections adjourn from  
8 Executive Session and note that no votes or official  
9 actions were taken during the Executive Session.

10 DIRECTOR ANTHONY: Is there a second?
