Friday Morning Session,
December 15, 2017.

- - -

DEPUTY DIRECTOR PAYNE: We'll call the meeting of the Franklin County Board of Elections to order. We'll take roll.

Kim Marinello.

MEMBER MARINELLO: Here.

DEPUTY DIRECTOR PAYNE: Mike Sexton.

MEMBER SEXTON: Here.

DEPUTY DIRECTOR PAYNE: Doug Preisse.

(No response.)

DEPUTY DIRECTOR PAYNE: Brad Sinnott.

MEMBER SINNOTT: I'm here.

DEPUTY DIRECTOR PAYNE: We have a quorum.

The first item of business is the approval of the minutes from the November 6th, 2017 meeting and the November 21st, 2017 meeting of the Franklin County Board of Elections.

MEMBER MARINELLO: I move that the Board approve the minutes of the November 6th, 2017 and the November 21st, 2017 meetings of the Franklin County Board of Elections.

MEMBER SINNOTT: Second.

DEPUTY DIRECTOR PAYNE: All those in

1 favor, signify by saying aye.

2 (Thereupon, all members voted
3 affirmatively.)

4 DEPUTY DIRECTOR PAYNE: All opposed, same
5 sign.

6 (No response.)

7 DEPUTY DIRECTOR PAYNE: Motion carries.

8 The first item is the review of a
9 previously-rejected provisional ballot from Canal
10 Winchester.

11 Do you want to give us a historical --

12 DIRECTOR LEONARD: Well, at this point,
13 after discussing it with Counsel, is that this should
14 be considered a hearing of the Board to address this
15 particular provisional ballot. So, in effect, a
16 quasi judicial proceeding for purposes of evaluating
17 whether or not to accept or reject the provisional
18 ballot in this instance.

19 I'll begin by giving a little bit of
20 background.

21 MEMBER SINNOTT: Wait, wait. Have we
22 given notice that we're going to conduct a hearing
23 this morning?

24 DIRECTOR LEONARD: Yes. Notice was given
25 to two of the candidates involved. I'll give some

1 background.

2 The -- in this particular case, if you
3 recall, the Canal Winchester race for City Council
4 involved a single-vote margin.

5 The losing candidate, Bob Toledo, Robert
6 Toledo, made a public records request, asking for
7 information pertaining to the provisional ballots,
8 how many provisional ballots were cast, how many were
9 accepted, how many were rejected, names, address,
10 information of the individuals whose ballots were
11 rejected, and a copy of the front and back of the
12 provisional ballot envelope.

13 At that point we looked further into it
14 and determined that based on the information we had
15 that one of the ballots was in question, should not
16 have been rejected by the Board.

17 And so, with that, we determined that it
18 was appropriate for the Board to take up the matter,
19 to look at the ballot, look at the circumstances
20 surrounding that ballot at that point because it was
21 a one-vote margin.

22 Jill Amos and Robert Toledo were notified
23 of the hearing and they're present today.

24 DEPUTY DIRECTOR PAYNE: We also have
25 Mr. Spain who is the election official --

1 DIRECTOR LEONARD: Right.

2 DEPUTY DIRECTOR PAYNE: -- from Canal
3 Winchester.

4 DIRECTOR LEONARD: The voter involved,
5 the Deputy Director and I spoke with the voter who
6 cast the provisional ballot in question, and
7 explained to her the circumstances surrounding the
8 current situation, and I was able to obtain an
9 affidavit from the voter addressing the circumstances
10 of her casting her ballot.

11 The reason the ballot was originally
12 rejected was based on the conclusion by staff that
13 there was an indication that the voter had voted
14 twice, once on the machine and by provisional ballot,
15 and there was no explanation in the poll -- the
16 precinct workbook to explain why the individual was,
17 in the pollbook or on the poll pad, having checked in
18 the poll pad and also having cast a ballot.

19 In other instances where that occurred
20 and there was an explanation from the precinct
21 official in the precinct workbook, we accepted that
22 provisional ballot.

23 In this case the -- there was no
24 explanation by any of the polling officials
25 contemporaneous with the circumstances, so there was

1 nothing in the precinct workbook that explained why
2 this circumstance existed. And given that, we -- the
3 ballot was rejected, the provisional ballot was
4 rejected, because we had no way to determine that the
5 voter did not, in fact, vote twice, or voted on the
6 machine and was attempting to vote provisional, and
7 so we rejected the provisional ballot.

8 But having looked into it further, and
9 again we can have information provided by the poll
10 worker as well as the affidavit from the voter
11 themselves.

12 MEMBER SINNOTT: Let's back up in the
13 narrative so that we understand the situation going
14 into this morning. So there was a voter who appeared
15 at a Canal Winchester polling place.

16 DIRECTOR LEONARD: Correct.

17 MEMBER SINNOTT: That voter is Jennifer
18 Mason Broderick.

19 DIRECTOR LEONARD: Correct.

20 MEMBER SINNOTT: She cast a vote on a
21 machine?

22 DIRECTOR LEONARD: No.

23 MEMBER SINNOTT: She did not. What
24 happened when Ms. Broderick presented herself?

25 DIRECTOR LEONARD: According to the

1 affidavit, she indicates that she presented her
2 license, they swiped it. It indicated the -- her
3 name didn't show up. They looked at the paper log at
4 the polling location, looked for her name and address
5 in the paper log, it was listed as Jennifer Mason at
6 115 Pfeifer Drive in Canal Winchester. Her license
7 read Jennifer Broderick at 115 Pfeifer Drive. And
8 they expressed to her at that point you're going to
9 have to vote a provisional ballot, but they had
10 already processed her through the poll pad.

11 MEMBER SINNOTT: Although she was not
12 allowed to vote on a machine.

13 DIRECTOR LEONARD: Correct. So what it
14 would look like when it got back here was the poll
15 pad said she processed through the machine.

16 DEPUTY DIRECTOR PAYNE: She had an
17 authority-to-vote slip --

18 DIRECTOR LEONARD: She had an
19 authority-to-vote slip --

20 DEPUTY DIRECTOR PAYNE: -- to vote on a
21 machine.

22 DIRECTOR LEONARD: -- and she voted a
23 provisional ballot without any explanation in the
24 precinct workbook to explain why is this happening.

25 We've had it happen in other instances in

1 the county this election, but the poll workers would
2 put an explanation to explain to us on the back-end
3 this is what happened and the voter only cast one
4 ballot. In this particular instance there was no
5 information in the precinct workbook explaining why
6 that circumstance had occurred.

7 MEMBER SINNOTT: So the provisional
8 ballot made it to the Board, correct?

9 DIRECTOR LEONARD: Uh-huh.

10 MEMBER SINNOTT: And what was the Board's
11 action?

12 DEPUTY DIRECTOR PAYNE: The Board's
13 action, we had a total of 22 provisional ballots, 20
14 of those in Canal Winchester were accepted, there
15 were two rejected. One was rejected because a voter
16 didn't have a voter registration. And then this
17 particular ballot was rejected because it appeared
18 that the voter had voted twice and, if they voted on
19 a machine, we obviously couldn't accept the
20 provisional ballot.

21 DIRECTOR LEONARD: And that's why it was
22 rejected.

23 DEPUTY DIRECTOR PAYNE: Right.

24 DIRECTOR LEONARD: So based on the
25 information the Board has --

1 DEPUTY DIRECTOR PAYNE: The Board made
2 the correct decision based on the information they
3 had. Now there's new information that --

4 MEMBER SINNOTT: Effectively this matter
5 is coming back for reconsideration?

6 DIRECTOR LEONARD: Uh-huh. And we are
7 authorized, under the Ohio Revised Code, to amend and
8 review the circumstances.

9 MEMBER SINNOTT: Does the Secretary's
10 office agree with that?

11 DIRECTOR LEONARD: Yes. I spoke with the
12 Secretary of State's office and they, in fact, felt
13 this was the best method by which to correct the
14 situation here.

15 MEMBER SINNOTT: We still have the
16 provisional ballot.

17 DIRECTOR LEONARD: And we still have the
18 provisional ballot. It's been maintained under lock
19 and key.

20 MEMBER SINNOTT: Okay. Well, let's --
21 why don't we first hear from the voter.

22 DIRECTOR LEONARD: Well, the only thing
23 we have from the voter is the affidavit.

24 MEMBER SINNOTT: I'm sorry. The voter
25 isn't with us.

1 DIRECTOR LEONARD: She had to work today
2 and was not able to make it.

3 MEMBER SINNOTT: We do have the poll
4 worker though?

5 DEPUTY DIRECTOR PAYNE: Yes.

6 DIRECTOR LEONARD: We do have the poll
7 worker.

8 MEMBER SINNOTT: Let me read the
9 affidavit, then we'll hear from the poll worker.

10 DIRECTOR LEONARD: I don't know, again,
11 if you'd want to accept this as an exhibit after
12 you've reviewed it. The original, I believe our
13 court reporter has the original.

14 MS. BROWN: I have it right here.

15 DIRECTOR LEONARD: Oh, you have the
16 original.

17 MEMBER SINNOTT: Let's mark the affidavit
18 of Jennifer Mason Broderick as Exhibit A.

19 (EXHIBIT A MARKED FOR IDENTIFICATION.)

20 MEMBER SINNOTT: I'm prepared to hear
21 from the poll worker. Is the poll worker present?

22 DIRECTOR LEONARD: Yes.

23 MR. SPAIN: I'm here.

24 MEMBER SINNOTT: Please step over to the
25 lecturn --

1 DIRECTOR LEONARD: A little closer to the
2 court reporter.

3 MEMBER SINNOTT: -- and be sworn in.
4 (Witness sworn.)

5 MEMBER SINNOTT: Good morning. Thank you
6 for joining us.

7 MR. SPAIN: Not a problem.

8 MEMBER SINNOTT: What's your name?

9 MR. SPAIN: It's Charles Spain.

10 MEMBER SINNOTT: And, Mr. Spain, what do
11 you know about Ms. Broderick's ballot?

12 MR. SPAIN: I do remember the incident.
13 It was just -- at the time it was just like a normal
14 incident that was coming up.

15 MEMBER SINNOTT: You were a poll worker?

16 MR. SPAIN: I was a poll worker working
17 as the roster judge. I was seated in the middle of
18 the table. The paper judge was on my left side and
19 two other roster judges on the right.

20 She came in, swiped her ID, it didn't
21 come up right away, but then she told us she had just
22 changed her name. So we did a look-up on the old
23 name, found it on the pad. I started to do the name
24 change through the pad, through the poll pad. I
25 turned it around for her to check everything.

1 And then, as she completed it, it was
2 mentioned that we needed to do the whole name change
3 paperwork and everything and that's when the paper
4 judge said, well, we can do it provisionally.

5 So I handed him the slip and the
6 paperwork was handed over and she moved over to the
7 paper table to fill out the provisional ballot and do
8 the paperwork that way.

9 It was mentioned we should document this,
10 but then things got busy, so I then moved on to
11 processing other voters. So, at that point, I
12 unfortunately just passed it off.

13 MEMBER SINNOTT: Did Ms. Broderick
14 mention why she changed her name?

15 MR. SPAIN: I didn't ask. She had
16 another ID with the other name; same address, same
17 photo. I was assuming it was a marriage, but we were
18 starting to do the whole process and that's when it
19 was passed over to the paper judge.

20 MEMBER SINNOTT: It sounds as though you
21 have a clear recollection that she did not vote on a
22 voting machine then.

23 MR. SPAIN: No, she didn't. The paper
24 judge was right beside me. She didn't leave the
25 table. I remember that she didn't leave to go to the

1 machines. She stayed at the table because we were
2 like right up against the wall and we were all
3 together on the one table, the paper judge and the
4 roster judges.

5 MEMBER SINNOTT: Okay. Does anyone have
6 any questions?

7 MEMBER SEXTON: I don't.

8 DIRECTOR LEONARD: And again, the Board,
9 if they choose to, want to break to deliberate or
10 they can simply make a decision.

11 MEMBER SINNOTT: I don't think we're
12 quite finished with the hearing.

13 Thank you very much. We appreciate you
14 coming forward and helping us understand things.

15 MR. SPAIN: Not a problem. Thank you.

16 MEMBER SINNOTT: I believe I heard that
17 the two candidates, who are separated by a single
18 vote in the Canal Winchester election, are both
19 present today?

20 DIRECTOR LEONARD: Both are present
21 today, yes.

22 MEMBER SINNOTT: And they are Mr. Toledo.

23 DEPUTY DIRECTOR PAYNE: And Ms. Amos.

24 MEMBER SINNOTT: And Ms. Amos.

25 DEPUTY DIRECTOR PAYNE: A-m-o-s.

1 MEMBER SINNOTT: Okay. Going in
2 alphabetical order. Ms. Amos, are you here?

3 MS. AMOS: Yes.

4 MEMBER SINNOTT: Do you have any evidence
5 or argument you'd like to present on this subject?

6 MS. AMOS: Just a few words, please.

7 MEMBER SINNOTT: Just come over.

8 MS. AMOS: Thank you.

9 MEMBER SINNOTT: And if you're going to
10 share observations with us, why don't you go ahead
11 and be sworn in as well.

12 (Witness sworn.)

13 MEMBER SINNOTT: Please, what would you
14 like to tell us.

15 MS. AMOS: Good morning.

16 MEMBER SINNOTT: Good morning.

17 CHAIRMAN PREISSE: Good morning.

18 MEMBER MARINELLO: Good morning.

19 MS. AMOS: You can imagine being here is
20 not my favorite thing.

21 MEMBER SINNOTT: It is ours.

22 (Laughter.)

23 MS. AMOS: Since you're of the Board, I'm
24 really glad to hear that, that you enjoy this.

25 This has been a rollercoaster ride for my

1 family. This has been up and down. You're elected,
2 here's your cert, you know, now let's wait for a
3 recount, now let's not, let's -- now we're back
4 questioning everything, now we're certified, you can
5 announce it. My kids have said, "Oh, this is so
6 exciting." And then I get a knock on my door and
7 everything changes.

8 On November 7th, we won the race by 1.
9 We were waiting for all of the extra ballots to come
10 in.

11 On November 23rd, I received a message
12 from Bob Toledo on my Facebook account that said,
13 "Jill, I wanted to wish you and your family a Happy
14 Thanksgiving. Also, if you have not heard, but your
15 1 vote held up." This will do -- "They will do an
16 auto recount but it won't change. Congrats."

17 So I have this nice letter that was sent
18 to me, very nice, and I said, "Oh, I haven't heard
19 from Fairfield County, this is so exciting."

20 The recount took place. I was still up a
21 vote by 1. I get a note from Jeff Mackey who, by the
22 way, just for the record, has been wonderful to deal
23 with.

24 December 9th, I ran into Bob Toledo at
25 the Craft Fair and he asked me, "Did you hear about

1 the ballot?"

2 I said, "No. I have no idea what you're
3 talking about." Well, what I did not know, what he
4 failed to mention was that he had put in a records
5 request; a very specific records request.

6 Most voters seeking information would
7 have asked for all the election information, not only
8 the provisionals but the absentee ballots and
9 potentially your log books, your pollbooks, things
10 like that. To be so specific to ask for the one item
11 that's now being called into question I find to be a
12 little odd.

13 But he said, "But don't worry." He said,
14 "Jill, I told them not to worry about this. This is
15 over. You have won."

16 I also have a statement from the person
17 that was standing next to me that day, who heard the
18 exact same thing I did, where he said, "I asked for
19 this to be over, it's done."

20 Well, to my surprise, I received a knock
21 on my door on Tuesday. Ms. Suzanne Brown knocked on
22 my door, very nice, dropping a letter off, and said
23 that Mr. Toledo had put in a request for these
24 records to be pulled.

25 I have later found out that there is a

1 relationship, outside of the Board of Elections,
2 between the two of them. So you have to understand
3 my concerns that there potentially were lines crossed
4 in this and we just wanted to bring it to your
5 attention.

6 MEMBER MARINELLO: Between who?

7 MS. AMOS: The Brown family and
8 Mr. Toledo.

9 MEMBER MARINELLO: Oh.

10 MS. AMOS: Unfortunately, as I've had to
11 tell all of my followers because we've all said,
12 "Yeah, this is so exciting and we're ready." As I've
13 had to tell people, the first thing that has come out
14 of my neighbors' mouths are, "Well, you know they're
15 friends with...." And I said, "Stop right there, I'm
16 not going into what I can't prove."

17 All I'm saying is that I've had to call
18 it into question personally the fact that his request
19 was so specific just led me to feel very
20 uncomfortable.

21 I was assured by the Board of Elections,
22 by Ed yesterday, that they did have a conversation
23 and that they are going to speak with the staff and
24 ensure that in the future if there are folks that are
25 related or in the same community as members that are

1 in the debate, so to speak, between Mr. Toledo and I,
2 that they will not have conversations that could
3 potentially be misconstrued.

4 And I'm not saying anything was wrong,
5 but you have to admit, from my side, that it just
6 doesn't feel right when very specifically he targeted
7 a provisional ballot, provisional ballots in general.

8 So that's all I wanted to say. I just
9 wanted it to be on the record that my concerns, I do
10 believe every vote counts and I completely understand
11 revisiting this, but it just did not settle right
12 with me.

13 This is my first time running, not
14 Mr. Toledo's, and he has represented our school
15 district very well in the past. It's not -- it is my
16 first time running, so this was a very big eye-opener
17 and one that I hope never to write a book on because
18 I'm not sure it would make for a good read, but thank
19 you for your time.

20 MEMBER SINNOTT: Don't leave.

21 MS. AMOS: Yes.

22 MEMBER SINNOTT: I want to make sure I
23 understand what you do know and what you don't know
24 in this instance.

25 MS. AMOS: Yes.

1 MEMBER SINNOTT: So you believe that
2 Mr. Toledo inquired about papers related to the vote
3 of Ms. Broderick in particular.

4 MS. AMOS: Not specifically, no. My
5 question is to whether he was given a -- given
6 information that there could be potentially a problem
7 with a paper. His request does not specifically
8 point it out, but it is specific to the provisionals
9 only, not to any of the other ballots that were cast.

10 And he would not have had -- I just don't
11 feel like he would have had such a specific request,
12 because he could have asked for the absentee ballots
13 and what was denied out of the absentee as well, or,
14 for the general election, to see the pollbooks and
15 see who did vote.

16 MEMBER SINNOTT: Ms. Amos, do you have
17 any information that reflects on whether
18 Ms. Broderick did vote at a machine?

19 MS. AMOS: I do not. I am not familiar
20 with this person at all. And I feel absolutely
21 horrible, personally, that she is being dragged
22 through this, because now I have her name and
23 Mr. Toledo has her name, and I just don't feel that's
24 right in the first place. I just -- her vote should
25 be confidential. It should be -- you know, everybody

1 wants their vote to count, nobody really wants their
2 vote to be public, so in this case it will be.

3 MEMBER SINNOTT: Well, you understand
4 that there's never going to be a revelation as to how
5 she voted.

6 MS. AMOS: Oh, I know, and I'm not asking
7 for that. I just wanted it to be on the record that
8 I had some concerns over how this was -- so.

9 MEMBER SINNOTT: Any other questions for
10 Ms. Amos?

11 MEMBER SEXTON: You had stated someone
12 was with you when you were there and you showed a
13 little piece of paper earlier? Is that --

14 MS. AMOS: I have a statement from my
15 friend who was -- there was two of us working a craft
16 fair at the high school when Mr. Toledo approached
17 us. So I asked her to please write a statement out
18 that I could bring to court today -- or to bring to
19 the session today. And -- and I'll read you what
20 hers says.

21 It says, "To Whom it May Concern: On
22 Saturday, December 9, 2017, I was assisting Jill Amos
23 in setting up a table at the Canal Winchester Craft
24 Fair. During this time Bob Toledo was discussing
25 with Jill the results of the November 2017 election.

1 I heard him say to her that although there was a
2 group of people encouraging him to look into some
3 extra ballot that was, or was not included in the
4 certified election results, he told them to put it to
5 rest and let her have it. Sincerely, Joan P.
6 Hatley."

7 MEMBER SINNOTT: Would you --

8 MS. AMOS: This will be the second time
9 that this man has told me that he wanted to put it to
10 rest.

11 MEMBER SINNOTT: Would you like that
12 paper you just read from to be seen by the Board?

13 MS. AMOS: Sure.

14 MEMBER SINNOTT: All right. We'll accept
15 that as Hearing Exhibit B.

16 MS. AMOS: Would you like a copy of his
17 Facebook post as well?

18 MEMBER SINNOTT: If you want to present
19 it. It's your choice.

20 MS. AMOS: I mean I think that's my main
21 concern is this man has obviously made it very clear
22 that in his opinion I had won several times, and then
23 to have it -- to have to go through this. I
24 apologize, I only brought three copies with me.

25 MEMBER SINNOTT: That's okay. Let's do

1 it like this: Would you give the statement you just
 2 read from to the court reporter and she'll mark it
 3 Exhibit B. We only need a single copy of any
 4 document you want us to see.

5 MS. AMOS: Okay.

6 (EXHIBIT B MARKED FOR IDENTIFICATION.)

7 MEMBER SINNOTT: Then the next paper you
 8 want us to see, that will be marked Exhibit C.

9 MS. AMOS: Thank you.

10 (EXHIBIT C MARKED FOR IDENTIFICATION.)

11 MEMBER SINNOTT: Are there any other
 12 papers you want to submit?

13 MS. AMOS: No. I think that will be it.

14 MEMBER SINNOTT: Then we'll receive both
 15 Exhibits B and C then.

16 Anything else you'd like to tell us,
 17 Ms. Amos?

18 MS. AMOS: No. Thank you so much.

19 MEMBER SINNOTT: Thank you for being here
 20 this morning.

21 All right. Mr. Toledo?

22 If you'll step to the lecturn and be
 23 sworn.

24 (Witness sworn.)

25 MEMBER SINNOTT: Mr. Toledo, thank you

1 for being here this morning. Is there any evidence
2 or argument you would like to present on the pending
3 matter?

4 MR. TOLEDO: There is no evidence or
5 argument. The reality of it is being new to the
6 election process, too, I've only been on the ballot
7 once before, I've never been that close, so I had no
8 idea how it worked.

9 I have known -- we've known each other
10 since our kids played baseball together, so I knew
11 somebody I could call and ask questions to; that was
12 it.

13 MEMBER SINNOTT: You're pointing towards
14 Suzanne Brown?

15 MR. TOLEDO: Suzanne Brown.

16 MEMBER SINNOTT: Okay.

17 MR. TOLEDO: So she -- the thing that
18 there's something going on behind, there's nothing.
19 She didn't tell me anything I didn't know. The
20 reality was we were at the Wine Shop one night and
21 she came up to me and, you know, we were talking and
22 she said there would be an automatic recount. I
23 said, "What does that entail?" I had no idea. I
24 said, "Is it going to even change?" I said,
25 "Everything is computerized nowadays. How would it

1 change?"

2 And she said, "Well, you know, sometimes
3 there can be one or two off or whatever. It could be
4 from absentees. It could be from provisional
5 ballots."

6 She goes, "You can always do a records
7 request."

8 I said, "Well, how do I do it? What do I
9 put on there?" And she gave me examples of how to do
10 it and that's what I did.

11 There was nothing. She didn't tell me
12 specifics. She didn't know anything. I don't know
13 who this person is. I don't know what the ballot is.
14 Heck, the vote could be for Jill. I don't know.

15 Now, with that being said, the first
16 time -- Jill's absolutely 100 percent right -- on
17 Facebook I did congratulate her because I thought the
18 thing was certified. I assumed it was over, you
19 know? And then I get the records request and find
20 out there's one ballot that hasn't been counted out
21 there.

22 So then we were at a show this past
23 weekend, and she is right, I said to her the point
24 that there is another ballot in question, I really
25 wished this would be over. Her exact words that Joan

1 Hadley said did not come up, those exact words, I can
2 tell you that right now because I didn't say that.

3 But the reality of it is, I mean, none of
4 us know what this ballot is, but I did spend a lot of
5 my personal money, so I'm just curious to know what
6 the ballot is and where the election -- where the
7 vote went. It could go anywhere. None of us know.
8 There is no inside information there. And that's
9 all.

10 MEMBER SINNOTT: Okay. Any questions for
11 Mr. Toledo?

12 MEMBER MARINELLO: No.

13 MEMBER SINNOTT: Mr. Toledo, thank you
14 for joining us this morning.

15 MR. TOLEDO: Thank you.

16 DIRECTOR LEONARD: I don't know if you'd
17 like to know in terms of sequence of events here at
18 the Board in terms of handling the public records
19 request?

20 MEMBER SINNOTT: I -- I don't see any
21 relevant issue there.

22 Well, I'll make some observations and
23 then we'll go down the table and see if anyone has
24 something to add.

25 It seems to me as though our main

1 objective here ought to be getting it right

2 DIRECTOR LEONARD: Correct.

3 MEMBER SINNOTT: I'm informed that we
4 have the statutory authority to reconsider the
5 certification of the vote. There has been
6 significant new information presented to the Board
7 since the time of the exclusion of the provisional
8 ballot.

9 I am persuaded both by the affidavit of
10 Ms. Broderick and the testimony of the poll worker
11 who dealt with her on Election Day that she was not
12 afforded an opportunity to vote at a machine on
13 Election Day and she did not vote at a machine on
14 Election Day, which would render her provisional
15 ballot the only vote that she cast in the
16 November 2017 election.

17 I -- I can understand the sentiment
18 expressed by Ms. Amos about how once your opponent
19 concedes in politics, that's generally considered to
20 be the final word on the subject.

21 I can remember the -- the first Bush
22 election where the concession was considered
23 important. But, at the same time, a concession is
24 not of any legal significance; it can't substitute
25 for the outcome of the vote.

1 So I don't see any commentary that
2 Mr. Toledo offered about the outcome of the race
3 following the election as being binding or important
4 to this decision.

5 For the reason that I think Ms. Broderick
6 cast only one vote in the November 2017 election and
7 that being on her provisional ballot, my motion is to
8 count that ballot.

9 MEMBER MARINELLO: I agree.

10 MEMBER SEXTON: I agree as well. I
11 think, looking at this, we should -- we should count
12 this ballot and I would second that motion.

13 MEMBER SINNOTT: It's been suggested to
14 me that our motion then should read that the Board
15 accept the provisional ballot as valid, and authorize
16 the opening, counting, and inclusion in the official
17 canvass of said provisional ballot cast in Canal
18 Winchester in the November 7, 2017, General Election.

19 DEPUTY DIRECTOR PAYNE: Is there a
20 second?

21 MEMBER SEXTON: Second.

22 DEPUTY DIRECTOR PAYNE: All those in
23 favor, signify by saying aye.

24 (Thereupon, all members voted
25 affirmatively.)

1 DEPUTY DIRECTOR PAYNE: All those
2 opposed, same sign.

3 (No response.)

4 DEPUTY DIRECTOR PAYNE: Motion carries.

5 MEMBER SINNOTT: What will be our
6 process, then, for having this ballot counted and
7 included in the --

8 DEPUTY DIRECTOR PAYNE: We have had this
9 ballot under lock and key. And, since it's been out,
10 it's been accompanied by both a Republican and a
11 Democrat. We have the ballot sealed in the envelope
12 that it's always been sealed in. If the Board would
13 like to open it here and now, they can do that.

14 DIRECTOR LEONARD: The --

15 MEMBER MARINELLO: I'm dying to find out.

16 DIRECTOR LEONARD: Have the Board open
17 the ballot, review that particular race. If a vote
18 has been cast for Ms. Amos and Mr. Toledo, the margin
19 of 1 would be sustained. And so, again, looking for
20 what the vote was in that race.

21 If the vote cast by Ms. -- by the voter
22 results in a tie, the Board should announce that at
23 this point so that then we can give the ballot back
24 to the staff, they can make the changes to the entire
25 canvass report, so they would add any votes that the

1 voter had cast for any race, make that change to the
2 canvass, and then we present it back to the Board
3 to -- for it to be recertified.

4 If there's a tie in the race, that the
5 candidates would know right now, we can break that
6 tie, so that when the Board staff comes back with the
7 amended canvass report, the Board can certify and
8 announce who the winner is.

9 MEMBER SINNOTT: Well, one way or the
10 other, Ms. Broderick's vote on everything is going to
11 be included in the official canvass.

12 DIRECTOR LEONARD: Correct. But the
13 only one --

14 MEMBER SINNOTT: Yeah.

15 DIRECTOR LEONARD: -- is this race.

16 MEMBER SINNOTT: Ms. Amos, Mr. Toledo, do
17 you have an objection to our opening the envelope and
18 seeing what's in there now as to your race?

19 MS. AMOS: I think we're both ready to
20 get this over with.

21 MEMBER SINNOTT: I suspect so. Well, if
22 it's agreeable then, why don't --

23 DEPUTY DIRECTOR PAYNE: Do you want to
24 point out where the race is on the ballot?

25 MEMBER SINNOTT: I think you're blocking

1 the view.

2 (Laughter.)

3 (Provisional ballot is opened and viewed
4 by the Board members.)

5 DIRECTOR LEONARD: It doesn't change the
6 outcome of the race.

7 MEMBER MARINELLO: You spoiled the
8 surprise, Ed.

9 DIRECTOR LEONARD: Sorry.

10 MEMBER SINNOTT: Ms. Amos, Mr. Toledo, we
11 can tell you that this does not change the outcome.

12 MS. AMOS: Okay.

13 MEMBER SINNOTT: So please go about
14 incorporating this provisional ballot into the
15 official canvass.

16 MEMBER MARINELLO: Congratulations.

17 DIRECTOR LEONARD: Carla, was the slip in
18 the envelope? The authority-to-vote slip?

19 MS. PATTON: No, it is not.

20 DIRECTOR LEONARD: So you're going to --

21 MS. PATTON: We're going to include it in
22 the report of the results.

23 DEPUTY DIRECTOR PAYNE: And then we'll
24 bring back a report and they we'll certify the
25 results, an amended report, that we will give to the

1 Secretary of State's office.

2 While they're doing that, we did have a
3 voter registration challenge, and I'll call on Debbie
4 Roberts to present that. And you might remember that
5 this is a voter registration challenge that we had at
6 a previous meeting of the Board and you had asked for
7 some additional information or clarification.

8 DIRECTOR LEONARD: If you recall at the
9 last Board meeting, we were presented with one of the
10 reports relating to the -- relating to the
11 individual, Matthew Nolan Ray, had registered again
12 in Franklin County and there was some -- didn't quite
13 understand the meaning of that, that report. And so,
14 Debbie Roberts will be able to give you some
15 clarification on that report and what it reflects.

16 MS. ROBERTS: Okay. So the chain of
17 events started when this voter updated his voter
18 registration on the SOS site and you can print out
19 what they did do online. It looks like this.

20 And he registered his name and his
21 address to be 6258 Wexford Woods Drive, Dublin, Ohio
22 43016. So that is done. It comes across. We accept
23 it. We have no reason not to ever accept it from the
24 SOS unless something flagged and it did not. So it's
25 in our system.

1 And then I print a report every day on
2 duplicates and that is this report that is in
3 question. And his name created a duplicate with
4 Licking County. And what matched was his BMV, his
5 driver's license number, his full name, his middle
6 name, birthdate, last name. So they merged to us and
7 we accepted it.

8 The M's on here is what I do that tells
9 me and is a record that they merged to us and I stamp
10 key and keep the records. So now he's our voter
11 here.

12 But we sent him an acknowledgment notice
13 which came back, which is on the last page of your
14 group there. Director Leonard also sent the letter
15 -- excuse me. Let me back up a minute.

16 So John Worley and his wife challenged
17 him. They've owned this home since 1992. They're
18 regular voters. As you can see on the challenge,
19 they received mail for this gentleman from us and the
20 Ohio Department of Motor Vehicles addressed to
21 Matthew Ray Nolan and Matthew Nolan Ray.

22 He does not live there. I've tried to
23 find him on his record here. He had a phone number.
24 I've tried calling him. His voice mail is not set up
25 so I couldn't leave him a message.

1 So my recommendation is that his
2 registration be cancelled.

3 Any questions?

4 CHAIRMAN PREISSE: Where was -- so when
5 you saw -- when you identified the duplicate name, it
6 was not a duplicate address.

7 MS. ROBERTS: Right. It comes across
8 from Licking County. What duplicated was his
9 driver's license number, his name, and date of birth.

10 DIRECTOR LEONARD: So what it reflected
11 was he was registering at this time at this Wexford
12 Woods Drive address.

13 MS. ROBERTS: Yes.

14 DIRECTOR LEONARD: And according to
15 Mr. Worley's statement in the challenge, he doesn't
16 live there.

17 MS. ROBERTS: Yeah. I've even called
18 Licking County to see if maybe he had a spouse, you
19 know, someone else that we could contact, but I don't
20 know where he is.

21 MEMBER SINNOTT: And you say the Worleys
22 have owned this residence for 25 years?

23 MS. ROBERTS: Yes.

24 MEMBER SINNOTT: Sounds like the plot
25 premise of a thriller.

1 CHAIRMAN PREISSE: Okay. It sounds like
2 due diligence has been done.

3 MS. ROBERTS: Yes, it has.

4 CHAIRMAN PREISSE: How do you feel with
5 moving?

6 MEMBER SEXTON: I'm fine with it.

7 I would move to -- so I would move the
8 Board approve the challenge to vote filed by John
9 Worley of 6258 Wexford Woods Drive, Dublin, Ohio,
10 43016, against Matthew Nolan Ray of 6258 Wexford
11 Woods Drive, Dublin Ohio, 43016, and order that
12 Matthew Nolan Ray's registration be removed in the
13 Franklin County voter file.

14 DEPUTY DIRECTOR PAYNE: Is there a
15 second?

16 CHAIRMAN PREISSE: Second.

17 DEPUTY DIRECTOR PAYNE: All those in
18 favor, signify by saying aye.

19 (Thereupon, all members voted
20 affirmatively.)

21 DEPUTY DIRECTOR PAYNE: All opposed, same
22 sign.

23 (No response.)

24 DEPUTY DIRECTOR PAYNE: Motion carries.

25 Thank you, Debbie.

1 We're still waiting, it appears, for the
2 certification numbers.

3 Do we want just to move to a discussion
4 of the employee handbook?

5 DIRECTOR LEONARD: Right. And I don't
6 know what the Board members have in front of them,
7 but I'll go ahead and distribute the memo that I
8 prepared, along with David, outlining the changes to
9 the employee manual.

10 The -- what you have in front of you is
11 the memo I drafted, along with the Deputy Director,
12 just to cover the basic concept of what we're doing
13 here. And then also the second packet is the actual
14 sections of the employee manual.

15 I think we may have discussed before the
16 fact that what we wanted to do is bring our employee
17 handbook or employee manual in line with the County's
18 employee manual. It just seemed to make sense.

19 It's been 1998 since the last time that
20 our Board handbook had been updated -- yeah -- and we
21 wanted to just make sure we had consistency. I
22 thought the best way to do that was to align it with
23 the County's manual.

24 The other part of it, too, is the
25 County's manual has been vetted by legal, it's been

1 vetted by HR. And so, the County's HR, they deal
2 with Union employees, unionized employees
3 represented, having to live under the employee
4 manual, that it's -- it's been scrutinized quite
5 thoroughly I'm sure, so.

6 But -- so the first part of the employee
7 manual. Our current employee manual has no welcoming
8 statement. It's just, boom, you start going right
9 into the -- into the particular provisions of the
10 employee manual. So we felt it appropriate to,
11 mirroring the County -- the County Commissioners'
12 general handbook, is to have a provision that kind of
13 welcomes that individual, and recognizes, goes
14 through an acknowledgment that they are receiving the
15 handbook, so that we can document, so that no
16 employee can say, "Well, I never got a copy of it."

17 And then, from this point forward, once
18 we do approve the final version, that the employees
19 will have -- we'll have a record that every employee
20 has received the most current. And if we ever need
21 to update it, we'll be able to update it easily
22 without having to go through all kinds of page number
23 changes.

24 The employee expectation section of it.
25 If you go through a couple of pages you'll have a

1 table of contents, which we didn't have or I've never
2 seen in our current manual, but it has a table of
3 contents that goes through what sections of the
4 employee manual and where do you find it.

5 But the first section deals with ethics.
6 Again, it's very, again, consistent with the County
7 Commissioners' policy and consistent with the Ohio
8 Revised Code.

9 You'll find the -- at Section 10.04 is
10 the employee, page 1 of 1, the ethics section. It
11 goes through -- again, it's all fairly
12 straightforward sections. Ethics. There's a fraud
13 reporting section in the manual. We've had some of
14 these provisions, but these -- the County
15 Commissioners' policy breaks it into very specific
16 divisions for each subject.

17 Nondiscrimination, civility in the
18 workplace and then an anti-harassment policy. And
19 the Americans with Disabilities, it would mirror the
20 County's policy with regard to our ADA compliance
21 when it comes to one another.

22 In the memo I pointed out a particular
23 section that the Commissioners actually have a
24 section that deals with, under employee expectations,
25 deals with workplace violence, and that -- our -- our

1 current -- I should say our current handbook has
2 something on workplace violence and that would be
3 replaced by the section in the Commissioners' manual
4 that deals with civility in the workplace. And
5 that's a broader range of behaviors that could be
6 detrimental in the workplace but don't necessarily
7 rise to the level of physical violence.

8 So the Board of Elections' handbook had a
9 provision that dealt with workplace violence; it
10 talked about physical violence. The County
11 Commissioners, the County policy manual has a broader
12 discussion of civility in the workplace and, again,
13 deals with things that don't necessarily rise to the
14 level of physical violence but are necessary for us
15 to have a policy addressing those.

16 And let's see. And then the second
17 section I mentioned about sexual harassment. The
18 Board of Commissioners' policy doesn't have a
19 specific section that addresses sexual harassment.
20 It deals with that as one of the items under -- under
21 the anti-harassment policy in the Commissioners'
22 handbook.

23 What we would intend to do, between now
24 and when you finalize a policy handbook, is to draft
25 a specific sexual harassment policy. I think under

1 the circumstances that we're seeing in this day and
2 age, I think it's appropriate for this Board to have
3 a specific policy that addresses sexual harassment.
4 And so, we're working with our HR specialist to help
5 put that together, so that when we finally do approve
6 this in the coming months that we'll have a specific
7 policy addressing sexual harassment.

8 And then finally there's just employment
9 related, further on in the book in the sections
10 under -- you'll see, you know, confidentiality
11 requirements, how to handle public records, nepotism
12 policy. Again, it's all fairly straightforward. A
13 green policy.

14 And then, again, some of the other are,
15 when you get into Section 20, Section 21, those just
16 deal with employment-related activity like we have
17 seasonal employees, the categories of employment.
18 You're a full-time employee, you can be a part-time
19 employee, or you may be a seasonal employee.

20 Personnel files, your service credit.
21 Again, having a specific section in our handbook that
22 deals with the employee, making sure that they notify
23 us of prior service, so we can make sure they're
24 getting all their service -- so we can make sure
25 they're getting all their service credit.

1 And then, finally, the last section is
2 the section under the 30s. Section 30-01 through, I
3 believe it's 33-01. And again, those are all with
4 regard to specific benefits.

5 Our current handbook that we're operating
6 under, it has one category that talks about all the
7 fringe benefits that employees would have. And so,
8 this policy manual would actually have a specific
9 section that deals with each and gives -- really the
10 purpose of it would be to give the employee a fuller
11 explanation of the benefits.

12 So you have a brand new employee who gets
13 this packet or gets this copy of the manual, it will
14 give them a more-detailed explanation of the benefits
15 that they're entitled to.

16 So for these three sections it would give
17 them an explanation of expectations, it would give
18 them an explanation of the, you know, how to deal
19 with employee records, and confidentiality, and then
20 finally it would deal with their benefits.

21 What we're intending to do in this is to
22 present you with the first three sections, give you
23 some time to look through these, ask questions if you
24 have questions. And then we would, at the next
25 meeting we could deal with the next three sections,

1 the 40s, the 50s, and the 60s. And then the
2 final meeting to address the handbook, we could
3 address the 60s, 70s, 80s, and 90s.

4 MEMBER SINNOTT: So you're working in
5 concert with the HR Department at the County?

6 DIRECTOR LEONARD: Uh-huh.

7 MEMBER SINNOTT: And you're developing an
8 employee handbook that is very similar to the County
9 employee --

10 DIRECTOR LEONARD: Correct.

11 MEMBER SINNOTT: -- manual.

12 The Acknowledgment of Receipt that is in
13 this sample, is it drawn directly from the one that
14 the County uses?

15 DIRECTOR LEONARD: Yes.

16 MEMBER SINNOTT: Okay. Many County
17 employees are part of a collective bargaining unit,
18 so there is a contract of employment that governs
19 their employment.

20 We do say that the handbook is not a
21 contract of employment. And I'm interested in Tim's
22 thought on this. Would we be wise to include the
23 statement that the employee acknowledges that he's an
24 employee at will? Which is essentially the status of
25 the Board's employees; they serve at the pleasure of

1 the Board. Is that something you would want to see
2 in the acknowledgment, Tim?

3 MR. LECKLIDER: It wouldn't hurt.

4 MEMBER SINNOTT: That's kind of my
5 thought, too, it wouldn't hurt. I don't know that
6 it's going to be all that helpful because it's
7 abundantly clear that all of the employees are
8 employees at will of the Board.

9 CHAIRMAN PREISSE: It's abundantly clear
10 because we know it or because we could point to words
11 somewhere?

12 MEMBER SINNOTT: We could point to the
13 statute and we could point to decades of practice and
14 probably even our annual resolution of hiring the
15 Board's staff, but it wouldn't hurt, and it's
16 something in the private sector that an employer
17 would want to have in there. I think it would be a
18 helpful addition. I can understand why it's not a
19 part of the County's standard Acknowledgment Of
20 Receipt, but our standard is different.

21 DIRECTOR LEONARD: We will do that. And
22 the idea would be that, going forward, they would get
23 -- is they would get a -- whenever there's an update
24 then they could just get an electronic version and
25 acknowledge that update. So it would simplify that

1 process.

2 DEPUTY DIRECTOR PAYNE: So if the Board
3 would like to see that, we can easily add that.

4 DIRECTOR LEONARD: And so, again, you can
5 take that with you if you haven't had a chance to
6 review it prior to today's meeting. If you have some
7 additional questions or comments, we could take those
8 up at the next meeting when we go into the next third
9 of the employee handbook.

10 The idea would be to consider the first
11 third today, the next third at January's meeting, and
12 then the final third of it at the February meeting.
13 And then, at that time, we would take a vote to
14 approve the manual as a whole, okay?

15 MEMBER SINNOTT: Sure.

16 DIRECTOR LEONARD: Are we prepared to
17 move forward?

18 DEPUTY DIRECTOR PAYNE: Any other
19 discussion on the employee handbook? If not, do you
20 want to just quickly describe what you brought to the
21 Board?

22 MS. PATTON: The first document I handed
23 you, which is in the upper left-hand corner, is
24 labeled "Franklin County Only" and in the right-hand
25 corner is labeled "Official Results - Amended."

1 My counterpart and I canvassed the
2 ballot, the ballot that was ordered to be opened, and
3 included that count into that report. So that shows
4 Franklin County only results with the ballot included
5 that was in question today.

6 DEPUTY DIRECTOR PAYNE: So we need to
7 recertify --

8 MS. PATTON: We recommend that you
9 certify those results.

10 The other document that was handed to you
11 was the "Most Populous" report that would also
12 include the overlapping county totals in the race,
13 but we need to certify the Franklin County only
14 results.

15 MEMBER SEXTON: I just had a question.
16 Are we certifying or recertifying or?

17 MS. PATTON: Recertifying.

18 DEPUTY DIRECTOR PAYNE: Recertifying.

19 MR. MACKEY: Amending our certification.

20 DEPUTY DIRECTOR PAYNE: Amending our --

21 MS. PATTON: We need to certify to amend
22 the official results.

23 MEMBER SEXTON: So I'll make a motion. I
24 would move that the Board amend and certify and
25 declare as final the official canvass of votes cast

1 at the November 7th election as amended and
 2 identified in the reports provided by the staff.

3 DEPUTY DIRECTOR PAYNE: Is there --

4 CHAIRMAN PREISSE: Second.

5 DEPUTY DIRECTOR PAYNE: All those in
 6 favor, signify by saying aye.

7 (Thereupon, all members voted
 8 affirmatively.)

9 DEPUTY DIRECTOR PAYNE: All opposed, same
 10 sign.

11 (No response.)

12 DEPUTY DIRECTOR PAYNE: Motion carries.

13 I don't believe there's anything else to
 14 come before the Board today.

15 DIRECTOR LEONARD: We are prepared to
 16 head into the holiday party. The Board members are
 17 welcome to join us.

18 DEPUTY DIRECTOR PAYNE: Is there a motion
 19 to adjourn?

20 MEMBER SINNOTT: There is.

21 DEPUTY DIRECTOR PAYNE: Is there a
 22 second?

23 MEMBER SEXTON: Second.

24 DEPUTY DIRECTOR PAYNE: All those in
 25 favor, signify by saying aye.

1 (Thereupon, all members voted
2 affirmatively.)

3 DEPUTY DIRECTOR PAYNE: All those
4 opposed, same sign.

5 (No response.)

6 DEPUTY DIRECTOR PAYNE: We are adjourned.
7 (Thereupon, at 11:33 a.m., the meeting
8 was adjourned.)

BEFORE THE FRANKLIN COUNTY BOARD OF ELECTIONS

AFFIDAVIT OF JENNIFER MASON BRODERICK

STATE OF OHIO,

COUNTY OF FRANKLIN, SS

I, Jennifer Mason Broderick, being first duly cautioned and SWORN, do hereby state the following based upon my personal knowledge and belief:

1. I currently reside at 115 Pfeifer Drive, Canal Winchester, Ohio 43110.
2. On Election Day, November 7, 2017, I voted at my polling location, David Evangelical Lutheran Church, 300 Groveport Road, Canal Winchester.
3. When I entered the polling location, I provided with my driver's license to the poll worker at the check-in table. The name as it appears on my driver's license is Jennifer L. Broderick.
4. The poll worker swiped my driver's license through the poll pad. He informed me that my name did not show up. He then proceeded to the paper log and looked for my name and address. In the paper log it was listed as Jennifer Mason at 115 Pfeifer Drive, Canal Winchester, Ohio.
5. The poll worker then conferred with another poll worker, sitting beside him. At this time, I was told that the name on the license did not match what was on record. They had me listed as Jennifer Mason in the system and poll book, and my driver's license stated Jennifer L Broderick. The poll worker at the check-in table told me that I would have to vote a paper ballot.

6. I proceeded to the end of the table where the poll worker gave me an envelope to fill out. I was then given a paper ballot to cast my vote in a privacy booth at the end of the table. After casting my vote on the various candidates and issues, I placed my ballot in the envelope and the envelope was then sealed in my presence.
7. I did not cast an absentee ballot before the November 7, 2017 Election Day. On Election Day, November 7th, the only ballot I cast was the paper ballot cast provisionally placed in the sealed envelope. I did not vote on the electronic voting machine that day.
8. I am voluntarily providing this statement.

FURTHER AFFIANT SAITH NAUGHT.

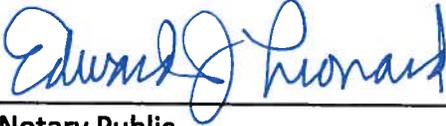

Jennifer Mason Broderick, Affiant

SWORN to before me and subscribed in my presence this 14th day of December, 2017.

To Who It May Concern:

On Saturday, December 9, 2017, I was assisting Jill Amos in setting up a table at the Canal Winchester Craft Fair. During this time Bob Toledo was discussing with Jill the results of the November 2017 election. I heard him say to her that although there was a group of people encouraging him to look into some extra ballot that was, or was not included in the certified election results, he told them to put it to rest and let her have it.

Sincerely,
Joan P. Hatley
