DEPUTY DIRECTOR PAYNE: Looks like
we have a quorum, but I will take the roll call.

Kim Marinello.

MEMBER MARINELLO: Here.

DEPUTY DIRECTOR PAYNE: Mike Sexton.

MEMBER SEXTON: Here.

DEPUTY DIRECTOR PAYNE: Doug
Preisse.

CHAIRMAN PREISSE: Here.

DEPUTY DIRECTOR PAYNE: And Brad
Sinnott.

MEMBER SINNOTT: Here.

DEPUTY DIRECTOR PAYNE: We do indeed
have a quorum.

The approval of the minutes. I
believe you were sent the November 4th, 2019,
minutes of the Board of Elections. Are there any
deletions, additions, or corrections? If not, I
would accept a motion to approve those minutes.

MEMBER MARINELLO: I move that the
Board approve the minutes of the November 4th, 2019
meeting of the Franklin County Board of Elections

1 as submitted.

2 CHAIRMAN PREISSE: Second.

3 DEPUTY DIRECTOR PAYNE: All those in
4 favor of the motion signify by saying aye.

5 (Vote taken.)

6 DEPUTY DIRECTOR PAYNE: All opposed,
7 same sign.

8 (No response.)

9 DEPUTY DIRECTOR PAYNE: Motion
10 carries.

11 The next item on the agenda is the
12 paper ballot allocation for the March 17th primary
13 election. You may recall that the Secretary of
14 State has a directive that requires us -- requires
15 the Board to approve the paper ballot allocation as
16 well as the machine and e-pollbook allocation.

17 So Carla, if you want to do the
18 paper ballot allocation first.

19 MS. PATTON: The Secretary of State
20 requires that we do a paper ballot allocation as
21 well as a machine and poll pad allocation no later
22 than 90 days prior to the election in even numbered
23 elections; therefore, Exhibit A is before you. We
24 reviewed 2016 and 2018 voting numbers, and at this
25 point in time prior to the filing deadline we have

1 to assume that every precinct split is active for
2 this election.

3 So what we've done is we've taken
4 the numbers from the previous like election with
5 the highest numbers and we've done five percent
6 more than the maximum number of provisional ballots
7 plus another 20 percent of the maximum number of
8 election day ballots being cast in the like
9 election. We then rounded those up to poll pads of
10 25 for the major parties, and that's what the
11 allocation set before you on the major party ballot
12 allocation column is. For the minor parties for
13 the primary, we will do a pad of 15 ballots for
14 each one of those. This allocation is subject to
15 change with the possible inclusion of ballot on
16 demand printing at the polling locations on
17 election day; but for right now this is the
18 allocation that we present to you for approval.

19 DEPUTY DIRECTOR PAYNE: And if I'm
20 correct, Carla, we have to have the Board approve
21 this on three separate occasions so if it does
22 change we --

23 MS. PATTON: We will present you
24 with another allocation within 30 days prior to the
25 primary election as well with any updates and

1 changes.

2 DEPUTY DIRECTOR PAYNE: Any
3 questions for Carla?

4 MEMBER SEXTON: So how many did we
5 increase for provisionals from when we used 2016
6 and 2018?

7 MS. PATTON: So we took the higher
8 of those two elections and took that number plus an
9 additional five percent on top of that, which is
10 required by the Secretary of State's directive.

11 MEMBER SEXTON: So the higher of the
12 two elections was 2016 or 2018? I assume '16.

13 MS. PATTON: 2016.

14 MEMBER SEXTON: Yeah.

15 MS. PATTON: And then to handle our
16 election paper by choice voters we took the
17 20 percent of the election day ballots cast to
18 include in that number to handle the paper by
19 choice voters who are --

20 MEMBER SEXTON: From the general
21 election?

22 MS. PATTON: The primary election.

23 MEMBER SEXTON: Of the primary
24 election in May?

25 MS. PATTON: Yes. It's all based on

1 primary elections, like elections.

2 MEMBER SEXTON: Okay.

3 With that, I would move the Board
4 adopt the paper ballot allocation formula on
5 Exhibit A compiled by the board staff for the March
6 17th, 2020 primary election.

7 DEPUTY DIRECTOR PAYNE: Is there a
8 second?

9 CHAIRMAN PREISSE: Second.

10 DEPUTY DIRECTOR PAYNE: All those in
11 favor signify by saying aye.

12 (Vote taken.)

13 DEPUTY DIRECTOR PAYNE: All opposed,
14 same sign.

15 (No response.)

16 DEPUTY DIRECTOR PAYNE: The Motion
17 carries.

18 The next item on the agenda is
19 voting machine and e-pollbook allocation for the
20 March 17 primary election.

21 Carla, I'll turn it over to you for
22 that.

23 MS. PATTON: In front of you you
24 have Exhibit B, the machine and poll pad allocation
25 for this allocation for the number of marking

1 devices. We are assigning one marking device for
2 every 245 active voters in Franklin County, and
3 that's how you come up with the number under the
4 column 2020 ballot marker assignments. Based off
5 of that, the 2020 ballot counter assignments is
6 one -- at least one for every nine ballot marking
7 devices in a location. For the poll pads, that is
8 based on one poll pad with no less than three for
9 every 800 registered voters in a location.
10 These -- The poll pad allocation is based on the
11 same number of voters we've done in the past. The
12 marking device allocations, we did increase the
13 number of marking devices as we acquired another
14 694 earlier this month to deploy out for the next
15 election. So that did lower the ratio down to one
16 for every 245 active voters.

17 And again, this is an allocation
18 that we will have to re-present to you within
19 30 days. And we will look at some of the issues
20 that are filed for the election to determine if the
21 additional marking devices need to go into certain
22 areas based on issues being presented on the
23 ballot.

24 MEMBER SINNOTT: Okay.

25 CHAIRMAN PREISSE: Looks good.

1 MEMBER SINNOTT: I move that the
2 Board adopt the voting machine and e-pollbook
3 allocation formula in Exhibit B compiled by the
4 board staff for the March 17, 2020 primary
5 election.

6 DEPUTY DIRECTOR PAYNE: Is there a
7 second?

8 MEMBER SEXTON: Second.

9 DEPUTY DIRECTOR PAYNE: All those in
10 favor of the motion signify by saying aye.

11 (Vote taken.)

12 DEPUTY DIRECTOR PAYNE: All opposed,
13 same sign.

14 (No response.)

15 DEPUTY DIRECTOR PAYNE: Motion
16 carries.

17 The next item on the agenda is the
18 two percent cost of living raise for all full-time
19 employees. As you may remember, we're presently
20 constrained by month-to-month budgeting. We would
21 ask the Board for a two percent cost of living
22 raise for the pay periods December 6th and
23 December 20th if the Board is so inclined.

24 DIRECTOR LEONARD: And when the
25 Board of Commissioners allocated a monthly

1 appropriation for the month of November and the
2 month of December there were sufficient funds that
3 would allow for the cost of living adjustment.

4 MEMBER MARINELLO: I move that the
5 Board approve the two percent cost of living pay
6 increase to all full-time Board of Elections staff
7 employed as of January 1st, 2019, retroactive to
8 November 11th and that this increase stands as a
9 one-time increase specific to the upcoming pay
10 periods of December 6th and December 20th, as we
11 are presently constrained by month-to-month
12 budgeting.

13 DEPUTY DIRECTOR PAYNE: Is there a
14 second?

15 CHAIRMAN PREISSE: Second.

16 DEPUTY DIRECTOR PAYNE: All those in
17 favor of the motion signify by saying aye.

18 (Vote taken.)

19 DEPUTY DIRECTOR PAYNE: All opposed,
20 same sign.

21 (No response.)

22 DEPUTY DIRECTOR PAYNE: Motion
23 carries.

24 The next item on the agenda is the
25 Board of Elections parking policy for the March

1 17th primary. And I'll turn that over to Ed
2 Leonard, Director.

3 DIRECTOR LEONARD: Because of the
4 reduction in the number of available parking spaces
5 in the Board of Elections complex, we felt it
6 necessary to help alleviate the parking crunch that
7 we're going to experience at the early vote center.
8 Both for the primary election and the general
9 election, we needed to implement a policy that
10 relates to both the employees so that the Director
11 and Deputy Director have the authority to make
12 requirements for the Board employees to park off
13 site and then we would provide a shuttle to shuttle
14 the employees from off-site parking to the Board of
15 Elections site, but also to provide for the ability
16 to limit the parking in front of the Board of
17 Elections building to just voter parking and those
18 conducting official business.

19 As many of you probably have seen,
20 we have a lot of campaigns that will park a vehicle
21 in the lot during the early vote cycle and just
22 camp out the entire day. That takes up a space for
23 a voter, and this -- with this upcoming 2020
24 election we simply need to make sure that every
25 space available is available for a voter.

1 CHAIRMAN PREISSE: So how do you
2 envision managing that, --

3 DIRECTOR LEONARD: Again, I --

4 CHAIRMAN PREISSE: -- denying
5 campaigns --

6 DIRECTOR LEONARD: Well, what we
7 wanted to do was to provide a space where they can
8 have at least two spaces --

9 CHAIRMAN PREISSE: Which would be
10 where?

11 DIRECTOR LEONARD: Somewhere on the
12 lot in front of the building that we would provide
13 designated spaces where anybody can operate. They
14 have to learn to share it, but that would at least
15 provide it. But if there's a vehicle out there
16 with a campaign candidate banner on it, we'd have
17 to ask them to move their vehicle because that's
18 not what the -- it's the vehicle -- the spaces are
19 reserved for voters as opposed to campaigns and
20 candidates and volunteers.

21 DEPUTY DIRECTOR PAYNE: And a lot of
22 campaigns have been doing that willingly anyway,
23 moving. I mean, they're allowed to be out there.
24 We are just asking that their vehicles not be out
25 there.

1 DIRECTOR LEONARD: This would not in
2 any way constrain their ability to campaign. Well,
3 it would in the fact that they can't park a vehicle
4 outside that hundred foot line, but they could
5 still stand and pass out handbills and literature
6 and so forth.

7 MEMBER MARINELLO: Is there going to
8 be somebody out there with security?

9 DIRECTOR LEONARD: We'll have staff
10 out there that will be helping guide voters to
11 vacant parking spaces and that sort of thing. So
12 there will be folks out there. We have sheriff's
13 deputies out there as well to advise. And we've
14 done it in the past where we've had to advise a
15 group that they couldn't take up spaces and they
16 were advised that you either move your tent or the
17 sheriff's deputies are going to move it for you,
18 and they willingly move their tent.

19 MEMBER SINNOTT: Yeah. I think we
20 would continue to get cooperation from the
21 campaigns.

22 DIRECTOR LEONARD: And part of the
23 reason for having it at this stage was so that we
24 could advise the campaigns when they file their
25 candidacies on the 18th, when they file their

1 petitions, that we can have a notice for them so
2 they can be made aware of this as early in the
3 process as possible.

4 MEMBER SINNOTT: And then the idea
5 is as to board employees, we're going to tell them
6 that during the period that the early vote center
7 is in operation that they're supposed to park not
8 around the board offices but at a remote site and
9 then we will shuttle them down from that remote
10 site to their jobs at the board?

11 DIRECTOR LEONARD: Right. And for
12 the primary it may not need to be for the entire
13 28-day period.

14 DEPUTY DIRECTOR PAYNE: Maybe three
15 days.

16 DIRECTOR LEONARD: It might be a few
17 days when we anticipate the heaviest turnout.

18 MEMBER SINNOTT: Because of
19 construction around the board offices in recent
20 times, how many parking spots have we lost?

21 DIRECTOR LEONARD: In this entire
22 complex, we -- 256 were lost with the construction
23 and then we gained back -- I think in total we've
24 lost 165 net. Because there were additional spaces
25 when we re-stripped the parking lot that gained us

1 some additional parking spaces, but a net loss of I
2 believe it's 163 spaces, somewhere in that --

3 MEMBER SINNOTT: How many parking
4 spots do we gain if we have employees parking in
5 the remote lot?

6 DIRECTOR LEONARD: It could be
7 anywhere from 130 to 160. So --

8 MEMBER SINNOTT: Where is that
9 remote lot going to be?

10 DIRECTOR LEONARD: Right now we made
11 arrangements with Ascension Lutheran, which is kind
12 of catty-corner from our location. It's right next
13 to the Chase Bank, and there's an office building
14 there. They don't utilize their -- There's a rear
15 parking lot to the back that they don't really
16 utilize at all. So that, and then on the weekends
17 we'd be able to utilize JFS parking lot and
18 potentially taxation as well. In the past they
19 made that available to us, the Department of
20 Taxation.

21 MEMBER SINNOTT: Are we leasing
22 these remote parking locations?

23 DIRECTOR LEONARD: The Ascension
24 Lutheran, yes. And I forget the cost per day. I
25 can't recall exactly what the cost was. There was

1 a daily fee that we would pay per, but it wasn't --
2 I'm trying to think. Maybe \$1,500 for the entire
3 period of early vote if we used it every single
4 day. So it wasn't a huge amount.

5 MEMBER SINNOTT: And then the state
6 agency allows us to use their parking lot for free?

7 DIRECTOR LEONARD: Correct.

8 MEMBER SINNOTT: What does it cost,
9 then, to shuttle employees in each day?

10 DIRECTOR LEONARD: For each shuttle
11 bus it's 655 a day for about a 13-hour day.

12 DEPUTY DIRECTOR PAYNE: But we're
13 thinking of using only three days.

14 DIRECTOR LEONARD: Depending the
15 number of days that we use in the primary and the
16 general.

17 CHAIRMAN PREISSE: And it's on the
18 other side of the street, right, the other side of
19 Morse?

20 DIRECTOR LEONARD: Yeah.

21 DEPUTY DIRECTOR PAYNE: It's just
22 beyond the fire station.

23 DIRECTOR LEONARD: And in the
24 general election we did a test to see, you know,
25 how functional that would be and found it to be --

1 that it worked well for us.

2 CHAIRMAN PREISSE: I asked the
3 question at a previous meeting that I was concerned
4 that the employees might be walking back and forth;
5 but you suggested then, or one of you did, that
6 they won't do that because it's too far. But it's
7 only about a quarter of a mile, isn't it, or an
8 eighth of a mile?

9 DIRECTOR LEONARD: I'm not sure of
10 the exact distance, but it's not very far. We've
11 had a couple of people, you know, some of our
12 younger employees, who went ahead and walked that.
13 I walked it on one occasion, as well.

14 MEMBER SINNOTT: I thought you said
15 the younger employees, Ed.

16 DIRECTOR LEONARD: Exactly. That's
17 what I said, I'm not so young.

18 MEMBER SINNOTT: So in summary, what
19 would it cost the taxpayers to do this remote
20 parking plan for board employees during the early
21 vote period?

22 DIRECTOR LEONARD: If we did it for
23 the entire cycle, it would be about 15,000 to
24 shuttle staff, for the parking and the shuttling of
25 staff.

1 DEPUTY DIRECTOR PAYNE: If you did
2 it every day. But we're thinking -- I think I did
3 the formula and I think it's \$214 a day if we only
4 use three days. So I guess we'll determine that.
5 And then what were we thinking? For the 28-day
6 period you said \$1,500?

7 DIRECTOR LEONARD: For the lot,
8 right.

9 DEPUTY DIRECTOR PAYNE: For the lot.

10 MEMBER SEXTON: So what we're
11 deciding today is for the primary election only?

12 DIRECTOR LEONARD: No. This is for
13 the policy in general that then gives us the
14 authority to do it as we need it. So the primary
15 and general.

16 MEMBER SEXTON: So it gives the
17 authority to the Director and Deputy Director to up
18 to 28 days for either election, primary or general?

19 DIRECTOR LEONARD: Right.

20 CHAIRMAN PREISSE: Okay. Work in
21 progress.

22 MEMBER SEXTON: I move the Board
23 adopt the early vote center parking policy that
24 establishes standards within the Franklin County
25 Board of Elections regarding parking in and around

1 the early vote center during the 28-day period of
2 in-person absentee voting.

3 CHAIRMAN PREISSE: Second.

4 DEPUTY DIRECTOR PAYNE: All those in
5 favor of the motion signify by saying aye.

6 (Vote taken.)

7 DEPUTY DIRECTOR PAYNE: All opposed,
8 same sign.

9 (No response.)

10 DEPUTY DIRECTOR PAYNE: Motion
11 carries.

12 The next item on the agenda is the
13 TMH Solutions contract with Jo Campbell.

14 DIRECTOR LEONARD: Board members, as
15 you're aware, we have had a project management
16 consultant contract with TMH Solutions for the last
17 year and almost a year and a half. And the project
18 manager, Jo Campbell, has done a great job for us
19 in assisting us in the preparation of the
20 implementation of the new voting equipment and at
21 the same time doing -- working on the Tenex voter
22 registration software, both the whole contracting
23 process, the bid evaluation process. And really
24 now we've -- we entered into that contract this
25 summer and we have begun the implementation

1 process. And this project management contract
2 would assist us in continuing to work on the
3 implementation of the voter registration software
4 system for 2020.

5 DEPUTY DIRECTOR PAYNE: And you're
6 thinking -- would we go through -- would we use
7 this contract for the full year or --

8 DIRECTOR LEONARD: I wouldn't
9 anticipate that we'll use it for the full year
10 because the implementation -- we expect the
11 implementation of the voter registration software
12 to be accomplished by July of 2020. And there may
13 be additional hours beyond that as we go through
14 the ballots towards election day, but I don't
15 anticipate that we would need it for the full year.
16 And I would -- my hope is that once we implement in
17 July that the number of hours will start to tail
18 off as we get closer to election day. The amount
19 remains -- the hourly rate remains the same from
20 the last contract the Board authorized, and the
21 number of hours --

22 DEPUTY DIRECTOR PAYNE: In the last
23 contract it was 2,000 I believe we authorized, and
24 this time it's 1,500 that we're asking for.

25 DIRECTOR LEONARD: 1,500. Which

1 would -- based on the current rate of usage of the
2 hours, it would take us through probably October of
3 next year; although, it might be slightly less if
4 she works more hours in the coming -- in the first
5 few months of 2020.

6 MEMBER SINNOTT: How long has TMH
7 been providing this service?

8 DIRECTOR LEONARD: Since May of
9 2018.

10 MEMBER SINNOTT: Can we envision a
11 time when we will not need to contract with TMH for
12 this?

13 DIRECTOR LEONARD: It will end at
14 some point.

15 DEPUTY DIRECTOR PAYNE: July
16 probably.

17 MEMBER SINNOTT: July of 2020?

18 DIRECTOR LEONARD: It might be a
19 little bit longer because that's with the
20 implementation, but then I would imagine there will
21 still be some project activity that will take place
22 after the implementation. And that's why I've
23 scaled back the hours from 2,000 to 1,500.

24 MEMBER SINNOTT: Okay.

25 Then I move that the Board authorize

1 the Director and Deputy Director to enter into a
2 contract with TMH Solutions with Jo Campbell to
3 continue their service as project manager with the
4 Tenex migration at the hourly rate of \$115 with
5 hours not to exceed 1,500 and the total amount of
6 the contract not to exceed \$172,500, the terms of
7 the contract to run from January 1, 2020 through
8 December 31, 2020.

9 MEMBER MARINELLO: Second.

10 DEPUTY DIRECTOR PAYNE: All those in
11 favor of the motion signify by saying aye.

12 (Vote taken.)

13 DEPUTY DIRECTOR PAYNE: All opposed,
14 same sign.

15 (No response.)

16 DEPUTY DIRECTOR PAYNE: Motion
17 carries.

18 The next item on the agenda is the
19 UPS, the uninterruptible power supply purchase.
20 And I could let Carolyn explain in detail what it
21 is; but for a novice here, it's a battery backup
22 for all servers and routers and it's one of the
23 critical items that's required by the Secretary of
24 State. We have to have this. So basically if our
25 power supply goes down, there's a short period of

1 time --

2 Right, Carolyn?

3 MS. GORUP: Yes.

4 DEPUTY DIRECTOR PAYNE: -- that we
5 use it.

6 MS. GORUP: There's a minimal maybe
7 30 seconds between the time the power goes out and
8 the generator kicks in, and this keeps everything
9 up and running continuously. That's what the UPS
10 is.

11 DEPUTY DIRECTOR PAYNE: Right.

12 And on election day we experienced
13 that very --

14 MS. GORUP: We had a catastrophic
15 failure.

16 CHAIRMAN PREISSE: This past
17 election?

18 MS. GORUP: Yes.

19 CHAIRMAN PREISSE: What happened?

20 DEPUTY DIRECTOR PAYNE: We had a
21 power surge.

22 MS. GORUP: We don't really know why
23 the UPS failed, but it did. And we had to run and
24 unplug it from the UPS and plug it into the wall,
25 and it took a while for everything to come up. But

1 we've had several occasions where the power has
2 gone off and the UPS has done their job. We had an
3 election day not that long ago that we had a major
4 power outage in the area. And I was one of the
5 last to know because I was sitting back in my
6 office and everything was still running.

7 DIRECTOR LEONARD: So, again, the
8 importance of the uninterruptible power supply is
9 critical to the operation of the office. The ones
10 that are currently in place are aging, and so it's
11 recommended that we replace those UPS units. We're
12 still in the process of acquiring quotes for the
13 needed replacement. So we will obtain three quotes
14 for replacing five units, and once we receive that
15 quote we'll select the lowest cost vendor and --
16 But we've already spec'd out what we need in terms
17 of the -- what we need for the criteria for those
18 UPS units.

19 It's just a matter of we don't want
20 to delay in getting those, so we're just asking for
21 authority for the Director and Deputy Director to
22 purchase these UPS units at a cost not to exceed
23 80,000 total. So right now an additional -- one of
24 the first quotes was about 15,000, so we want to
25 make sure that if for some reason it's a little bit

1 higher that we have the authority up to 80,000 for
2 the five units.

3 MEMBER SINNOTT: Is there anything
4 to the installation of these units or is it just
5 buying the equipment?

6 DIRECTOR LEONARD: That's part of
7 the reason we wanted to make sure that we had a
8 little bit of extra in terms of delivery costs, but
9 it's my understanding it includes installation.

10 MS. GORUP: It does not include
11 installation.

12 DIRECTOR LEONARD: Does not. I'm
13 sorry.

14 MS. GORUP: But we have an
15 electrician that has done PM on it who is very
16 reasonably priced who will take care of
17 installation.

18 MEMBER SINNOTT: So will the 80
19 grand cover both the product and the installation?

20 DIRECTOR LEONARD: Or will they be
21 separate expenses?

22 MS. GORUP: They will probably be
23 separate expenses because we're not purchasing them
24 from All Electric.

25 DIRECTOR LEONARD: We may need to

1 come back for additional for that unless the Board
2 wants to authorize an additional amount, but we can
3 come back and ask for ratification of the expense.
4 We can let the Board know how much we anticipate
5 that installation cost, and if it exceeds the
6 \$10,000 authority that we currently have then we
7 can come back to the Board and ask for you to
8 ratify the decision at the next -- the
9 December 23rd board meeting.

10 MS. GORUP: I anticipate that the
11 installation would be significantly less.

12 MEMBER SINNOTT: Less than ten
13 grand, Carolyn?

14 MS. GORUP: Yeah, for the
15 installation.

16 MEMBER SINNOTT: Okay.

17 MEMBER SEXTON: I move the Board
18 authorize the Director and Deputy Director to
19 purchase the necessary uninterruptible power supply
20 equipment in an amount not to the exceed \$80,000.

21 CHAIRMAN PREISSE: Second.

22 DEPUTY DIRECTOR PAYNE: All those in
23 favor of the motion signify by saying aye.

24 (Vote taken.)

25 DEPUTY DIRECTOR PAYNE: All opposed,

1 same sign.

2 (No response.)

3 DEPUTY DIRECTOR PAYNE: Motion
4 carries.

5 The next item on the agenda is the
6 Legacy of Trainer awards dinner. Over the last
7 four years we have had at the end of year or the
8 beginning of the following year we've had a dinner
9 here at the Board of Elections to recognize our
10 trainers and other employees of the Board of
11 Elections. And we would like to ask the Board -- I
12 know Kim has been there on a number of occasions
13 and can attest to the morale that it builds and
14 that it's a good event. I think this year, Steve,
15 we may be considering a dinner right after work
16 maybe that would allow more of our employees here
17 at the Board of Elections to attend rather than
18 going home and coming back.

19 MEMBER MARINELLO: Good idea.

20 DEPUTY DIRECTOR PAYNE: So it will
21 be more inclusive. And then going forward, we
22 anticipate having an employee recognition dinner
23 where it includes everybody, poll workers. We
24 wouldn't invite all of them, but we would have
25 different -- you know, we might award a couple of

1 our poll workers, we might have staff, different
2 departments where we would award different members
3 of the staff. So --

4 MEMBER MARINELLO: That's separate
5 down the road?

6 DEPUTY DIRECTOR PAYNE: That would
7 be separate down the road, but I think we're
8 transitioning and we might be announcing that at
9 this Legacy of Trainers.

10 MEMBER MARINELLO: It's a really
11 good event.

12 I move that the Board accept a
13 resolution authorizing the staff to hold a Legacy
14 of Trainer awards dinner in late January 2020 at
15 the Franklin County Board of Elections and the
16 Board authorizes that the cost of the Legacy of
17 Trainer not to exceed the amount of \$2,500.

18 DEPUTY DIRECTOR PAYNE: Is there a
19 second?

20 CHAIRMAN PREISSE: Second.

21 DEPUTY DIRECTOR PAYNE: All those in
22 favor of the motion signify by saying aye.

23 (Vote taken.)

24 DEPUTY DIRECTOR PAYNE: All opposed,
25 same sign.

1 (No response.)

2 DEPUTY DIRECTOR PAYNE: Motion
3 carries.

4 The next item on the agenda -- and
5 it's in your packet -- is the certification of
6 candidate recounts. There was no change in the
7 recounts of the four races that we counted, and so
8 what we would ask for is an unchanged amended --
9 amendment to the abstract of the results.

10 Is there any -- is Jeff in here
11 or --

12 MS. PATTON: No, he's not.

13 DEPUTY DIRECTOR PAYNE: He's not.
14 Carla, do you want to talk? Is
15 there anything that we should mention about that?

16 MS. PATTON: So we hand counted the
17 five percent and then scanned those so everything
18 matched, which based on that we were able to scan
19 through the rest of the ballots through the
20 tabulation equipment. After doing all that, there
21 was no changes, as David explained, to any of the
22 races that were recounted.

23 DEPUTY DIRECTOR PAYNE: And those
24 four races were Worthington --

25 MS. PATTON: Worthington City

1 Council, Urbancrest Village Council, Prairie
2 Township Fiscal Officer, and the Hilliard City
3 School District Board of Education race.

4 MEMBER SEXTON: So I see that the
5 Worthington race remained obviously unchanged, but
6 just the comment that we had three candidates that
7 were one vote apart?

8 MS. PATTON: That is correct.

9 MEMBER SEXTON: And on the
10 Urbancrest race, was that the one where the tie --

11 MS. PATTON: That was the race where
12 it was a tie for the official count. A coin toss
13 was performed at the official certification in
14 which I believe Deborah Larkins Jackson was the
15 winner of that coin toss; therefore, the results of
16 the coin toss are confirmed based on the results of
17 the recount, still remaining a tie.

18 MEMBER SEXTON: So with that, I move
19 the Board certify the unchanged amended abstract of
20 the results from the candidate recount conducted on
21 Monday, December 2nd and Tuesday, December 3rd, as
22 listed on Exhibit C.

23 DEPUTY DIRECTOR PAYNE: Is there a
24 second?

25 CHAIRMAN PREISSE: Second.

1 DEPUTY DIRECTOR PAYNE: All those in
2 favor of the motion signify by saying aye.

3 (Vote taken.)

4 DEPUTY DIRECTOR PAYNE: All opposed,
5 same sign.

6 (No response.)

7 DEPUTY DIRECTOR PAYNE: Motion
8 carries.

9 There are a couple of items on the
10 agenda which include a background check update,
11 seasonal employee pay raise adjustment potentially,
12 and then a full-time employee merit pay
13 potentially.

14 Does the Board desire to go into
15 executive session for any or all of those items?

16 MEMBER SINNOTT: Well, we should --
17 pursuant to Ohio Revised Code Section 121.22(G) 1
18 and 3, I move that the Franklin County Board of
19 Elections go into executive session to consider the
20 appointment, employment, dismissal, discipline,
21 promotion, demotion, or compensation of a public
22 employee.

23 DEPUTY DIRECTOR PAYNE: Is there a
24 second?

25 MEMBER SEXTON: Second.

1 DEPUTY DIRECTOR PAYNE: All those in
2 favor -- Or I'm sorry. This requires a roll call.

3 Kim Marinello.

4 MEMBER MARINELLO: Yes.

5 DEPUTY DIRECTOR PAYNE: Michael
6 Sexton.

7 MEMBER SEXTON: Yes.

8 DEPUTY DIRECTOR PAYNE: Doug
9 Preisse.

10 CHAIRMAN PREISSE: Yes.

11 DEPUTY DIRECTOR PAYNE: And Brad
12 Sinnott.

13 MEMBER SINNOTT: Yes.

14 Motion carries. We're in executive
15 session.

16 (Recess for executive session at
17 approximately 10:40 a.m.)

18 (Back on the record at approximately
19 11:30 a.m.)

20 DEPUTY DIRECTOR PAYNE: I believe I
21 need a motion to move out of executive session.

22 MEMBER MARINELLO: I move that the
23 Franklin County Board of Elections adjourn from
24 executive session, and that no votes or official
25 actions were taken during the executive session.

1 DEPUTY DIRECTOR PAYNE: Is there a
2 second?

3 CHAIRMAN PREISSE: Second.

4 DEPUTY DIRECTOR PAYNE: Roll call.
5 Kim Marinello.

6 MEMBER MARINELLO: Yes.

7 DEPUTY DIRECTOR PAYNE: Mike Sexton.

8 MEMBER SEXTON: Yes.

9 DEPUTY DIRECTOR PAYNE: Doug
10 Preisse.

11 CHAIRMAN PREISSE: Yes.

12 DEPUTY DIRECTOR PAYNE: And Brad
13 Sinnott.

14 MEMBER SINNOTT: Yes.

15 DEPUTY DIRECTOR PAYNE: We're out of
16 executive session.

17 The first item on the agenda is the
18 seasonal employee pay adjustment.

19 Director, do you want to speak to
20 that briefly?

21 DIRECTOR LEONARD: As we -- The
22 motion you have or the item is to adjust our
23 seasonal salary scale. We did a slight adjustment
24 in 2018; but, again, I think given the work that
25 our seasonal staff does at the Board of Elections

1 that it is warranted that we increase the scale.
2 The thought was to increase the base of the salary
3 scale for each step on the salary scale by \$2,
4 which would then take the initial first step on the
5 salary scale -- so a brand new seasonal employee
6 would earn 12.73 an hour and then each step after
7 every four elections the employee would move to the
8 next step of the salary scale and that rate would
9 be increased by \$2 as well.

10 MEMBER SEXTON: I move that the
11 Board accept the Board of Elections seasonal
12 employee pay adjustments as listed on Exhibit D
13 effective January 6 of 2020.

14 CHAIRMAN PREISSE: Second.

15 DEPUTY DIRECTOR PAYNE: All those in
16 favor of the motion signify by saying aye.

17 (Vote taken.)

18 DEPUTY DIRECTOR PAYNE: All opposed,
19 same sign.

20 (No response.)

21 DEPUTY DIRECTOR PAYNE: Motion
22 carries.

23 The next item on the agenda is the
24 full-time employee merit pay raise.

25 Director, you want to talk to that?

1 DIRECTOR LEONARD: The exhibit that
2 we presented to you is Exhibit E. In that exhibit
3 it provides for the same hourly rate increase for
4 all employees who have worked with the Board of
5 Elections for the entire year of 2019. The
6 Commissioners have the funds in our budget to
7 provide a merit increase for our employees, and the
8 merit increase is for the employees that are listed
9 in that chart. The hourly amount is identical for
10 all of them, but obviously for some employees that
11 percentage amount would be more with the idea that
12 some of our lower paid employees will get more than
13 one and a half percent. But that provides an
14 increase for those folks -- for our full-time staff
15 on that list.

16 MEMBER SINNOTT: Then I move that
17 the Board accept the Board of Elections employee
18 merit pay raises on an hourly basis as listed on
19 Exhibit E, which I will now give to David Payne,
20 which is different from the Exhibit E that was
21 originally circulated --

22 DIRECTOR LEONARD: Yes.

23 MEMBER SINNOTT: -- quite slightly,
24 which shall be effective retroactive to January 18
25 pay period of 2019.

1 DIRECTOR LEONARD: And that last
2 adjustment was based on the number of pay periods
3 for 2019.

4 DEPUTY DIRECTOR PAYNE: Is there a
5 second?

6 MEMBER SEXTON: Second.

7 DEPUTY DIRECTOR PAYNE: All those in
8 favor of the motion signify by saying aye.

9 (Vote taken.)

10 DEPUTY DIRECTOR PAYNE: All opposed,
11 same sign.

12 (No response.)

13 DEPUTY DIRECTOR PAYNE: Motion
14 carries.

15 DEPUTY DIRECTOR PAYNE: The next
16 item on the agenda is the 2020 communications plan.
17 I'll turn that over to the chairman.

18 DIRECTOR LEONARD: The Board at the
19 past meeting received the memo of November 18th and
20 then did a presentation at the meeting of
21 November 22nd that outlined the rationale and
22 justification set forth in the memo, and so that's
23 where we are today.

24 CHAIRMAN PREISSE: Right.

25 And do we understand that there may

1 be someone in the audience who wishes to address
2 the Board on the communications plan issue?

3 MS. WATSON: Yes. I do.

4 MEMBER SINNOTT: You also ought to
5 explain the time constraint.

6 MR. PREISSE: Yes.

7 In the interest of the length of the
8 meeting and adopting the habits of the county
9 commissioners and the city council, loosely, but
10 not too loosely, we'd like to you limit public
11 comment to three minutes.

12 MS. WATSON: I'm good with that.

13 CHAIRMAN PREISSE: Yes. Good.
14 Okay. Please join us.

15 And if you would, for the record and
16 the stenographer, state your name and title.

17 MS. WATSON: First let me say I
18 bring you greetings from the oldest and the boldest
19 civil rights organization in America. I'm Nana
20 Watson, your NAACP president, and we have been
21 joined today by the Columbus Urban League and the
22 Baptist Ministry Alliance.

23 (Brief recess for reporter
24 clarification.)

25 MS. WATSON: Those groups are here

1 this morning requesting that you release resources
2 under your funding option three for voter education
3 and paid media initiatives in association with the
4 single primary and full general elections messaging
5 for voter education programming. You did not
6 release those funds in 2019. The NAACP requested
7 that and we're asking that you vote on that today
8 and release it.

9 And on a side note, I want you to
10 know this summer I contacted Mr. Sinnott and
11 Mr. Preisse to talk about our issues with that. It
12 was a very short conversation. You assured me, the
13 NAACP, that you would get back with us. You did
14 not do that. And that's very troubling to the
15 NAACP that you did not keep your word.

16 As you know, we are a non-partisan
17 organization. We do not endorse candidates, we
18 endorse issues. And again, our request is that you
19 release the funds under funding option three. And
20 if you can't do that today, we're going to request
21 that the Secretary of State break the tie. And I'm
22 sure none of you want to be accused of voter
23 suppression. Thank you so very much.

24 CHAIRMAN PREISSE: Thank you.

25 For the record, I'd like to state

1 that you and I never did speak.

2 MEMBER SINNOTT: That's not true.
3 Actually, we reached you together by phone and you
4 were unable to speak at that time.

5 MS. WATSON: That's right.

6 MEMBER SINNOTT: It is also true
7 that if we never had oral communication it's very
8 easy to reach Mr. Preisse and --

9 MS. WATSON: I'm sorry?

10 MEMBER SINNOTT: I said if we didn't
11 have oral communication of the sort that you
12 wanted, it is very easy to reach Mr. Preisse and me
13 by email or regular mail.

14 MR. PREISSE: I just want to state
15 for the record -- and then I will look forward to
16 spending as much time as we can together as soon as
17 we can -- when you suggest I didn't keep my word, I
18 never made any that I recall commitment, statement,
19 or any kind of communication of a word that I
20 needed to keep. So I'm delighted and look forward
21 very soon to getting together and would love to do
22 that. And if you've got have a pen, I'll give you
23 my cell phone right now.

24 MS. WATSON: No. I just need to
25 clarify that I did have a conversation. It was on

1 the phone with the both of you. You said you would
2 get back and you did not. So that to the NAACP is
3 you didn't keep your word, but we can have a
4 conversation. I'm here on behalf of the NAACP to
5 request that you release the funds.

6 CHAIRMAN PREISSE: Well, and we
7 welcome you here today and again in the future and
8 we're delighted you're here and appreciate your
9 comment. We're not scheduled to have a vote on the
10 matter today, and there's plenty of time for
11 continued communication from the public, from
12 leaders of important institutions such as yourself,
13 and we'll keep the conversation going.

14 MS. WATSON: How will we do that?
15 Will you reach out to me or would you rather that I
16 reach out to you?

17 CHAIRMAN PREISSE: Well, I've
18 offered my cell phone. If you give me yours right
19 now, I'll call you this afternoon.

20 MS. WATSON: 614-824-8525.

21 CHAIRMAN PREISSE: Thank you.

22 MS. WATSON: Uh-huh.

23 MEMBER SINNOTT: Miss Watson, your
24 organization supports an expenditure of how much in
25 taxpayer money for television ads, radio ads,

1 newspaper ads, and related production?

2 MS. WATSON: I think that's under
3 your option three --

4 MEMBER SINNOTT: Yes.

5 MS. WATSON: -- in the
6 communications plan. I do not have those figures
7 before me, but it is option three. And
8 Mr. Leonard, maybe you can --

9 DIRECTOR LEONARD: The figure in
10 option three under the proposal is a total of
11 \$660,250.

12 MEMBER SINNOTT: 668,000 for those
13 items?

14 DIRECTOR LEONARD: I said 660.

15 MEMBER SINNOTT: 660. Okay.

16 CHAIRMAN PREISSE: Thank you very
17 much.

18 MS. WATSON: Thank you.

19 MEMBER SEXTON: Just to clarify,
20 Mr. Chairman, I thought we were in agreement that
21 we were going to have a vote today. So I spoke
22 with Mr. Sinnott at the last meeting that we simply
23 put the four options on the table, we had presented
24 them, and that we were going to meet today to
25 discuss --

1 MEMBER SINNOTT: My recollection --

2 MEMBER SEXTON: Why would we --

3 MEMBER SINNOTT: My recollection,
4 too, is that the Board never made a motion related
5 to the document that was presented to the Board on
6 November 18 under the title "communication plan"
7 and that we would vote on that motion today.

8 CHAIRMAN PREISSE: The motion is not
9 out of order, but it was not my understanding that
10 we were certain to vote on that. If somebody makes
11 a motion --

12 MEMBER SEXTON: I just wanted to
13 clarify that. I thought that was the
14 understanding.

15 MS. HYKES: Could I speak, as well?

16 CHAIRMAN PREISSE: Three minutes, if
17 you would, please. Identify yourself for the
18 stenographer.

19 MS. HYKES: Thank you. I'm Barb
20 Hykes. I'm here as the president of the League of
21 Women Voters of Metropolitan Columbus, an
22 organization that has spent the past 100 years
23 helping to make democracy work. Thank you to the
24 Board members. Thank you, Director Leonard, for
25 allowing me to speak.

1 I also want to thank you for your
2 participation with the League of Women Voters the
3 past couple of years in educating Girl Scouts about
4 their civic responsibilities and enabling them to
5 learn how to vote.

6 I was at a middle school wrestling
7 match last week waiting for my grandson to get to
8 take the mat, and to begin the event they played
9 the National Anthem. That caused me to reflect.
10 Wow. Wouldn't it be great if we made as much of a
11 fuss about publicity for voting and voting as we do
12 making sure that everyone stands for the National
13 Anthem. Both of those are very emblematic of our
14 democracy: the flag, the National Anthem, and the
15 right to vote. We need to make our voices heard
16 about the right to vote.

17 I'm here today to ask you to take
18 that challenge, to publicize the elections for this
19 year. We know that there's going to be tons of
20 candidate advertising; there's not a doubt about
21 that. What doesn't come up in the candidate
22 advertising, though, is where to vote, how to vote,
23 when to vote. One of the questions I've been
24 asking people I've talked to is what is the last
25 day to register to vote. And since we have an

1 early primary this year, I've gotten a lot of wrong
2 answers. And it's critical that people know when
3 they have to be registered by in order to be able
4 to vote.

5 They also need to know things like
6 how to get an application for an absentee ballot or
7 when they can get an application for absentee.
8 Here in your lobby the other day I noticed a little
9 Xerox piece of paper that said, oh, by the way, if
10 you turn in that application before the end of the
11 year it doesn't really work for next year's
12 election, you need to turn it in -- I don't think
13 that's obvious to a lot of people. They need the
14 information. They need to know what provisional
15 voting is about and when provisional voting is
16 appropriate.

17 There was a beautiful letter to the
18 editor complimenting the Board for one of our
19 disabled voters being able to vote curbside; but
20 they only found out they could vote curbside after
21 coming to the polling place, realizing they
22 couldn't get into it, going home, contacting the
23 Board, and then finding that they could have gone
24 in and asked for curbside voting. So, you know,
25 these are things the public needs to know about.

1 Very importantly, they need
2 reassurance also. They need reassurance their
3 votes are going to count, they need reassurance
4 that there's not going to be interference in our
5 election. They're hearing and seeing lots of
6 things about cyber attack this and cyber attack
7 that. They need reassurance that the Board has
8 taken measures to prevent cyber attacks from
9 affecting their vote. Again, knowing that
10 candidate advertising is just going to saturate the
11 TV, the Board of Elections could be that calm voice
12 helping people to exercise their right to vote.

13 Not everyone had the experience that
14 I did. I had a grandmother who was not able to
15 vote until after four of her children had been
16 born. And that is a woman who was there the first
17 election after the 19th Amendment passed. And
18 believe me, you did not come to dinner at her house
19 on election day without a sticker on your shirt;
20 otherwise, you were probably not going to be seated
21 at the table.

22 Voting is important. We need to get
23 that message out. We need to reenforce that
24 message, and it's a precious right. Please help us
25 inform our electorate. Please release the funds to

1 do the communication plan so that our voters know
2 where, when, how, and why they should be voting.
3 Thank you.

4 CHAIRMAN PREISSE: Thank you very
5 much.

6 MEMBER MARINELLO: Thank you.

7 MEMBER SEXTON: Mr. Chairman, we'll
8 save our speeches if you'd like and move straight
9 to the motions here.

10 I would make the first motion. I
11 move that the Director and Deputy Director move
12 forward with the implementation of the 2020
13 communication plan as presented by the Director in
14 his memo of November 18th, 2019, and that the
15 Director and Deputy Director are authorized to
16 execute the contracts, expend funds appropriated
17 for fiscal year 2020 by the Board of County
18 Commissioners in substantial conformance with the
19 paid media budget outlined in funding option four
20 of the Director's November 18th, 2019, memo in the
21 amount of \$512,000.

22 DEPUTY DIRECTOR PAYNE: Is there a
23 second?

24 MEMBER MARINELLO: Second.

25 DEPUTY DIRECTOR PAYNE: Take roll

1 call?

2 MEMBER SINNOTT: Yeah. There should
3 be discussion.

4 CHAIRMAN PREISSE: Is there
5 discussion?

6 MEMBER SINNOTT: Mike, you
7 generously offered not to engage in a long speech,
8 but were there a few things you'd like to say in
9 support of your motion? I do have a few
10 observations made of the motion.

11 MEMBER SEXTON: I'll let you go
12 first and I may have another motion after this.

13 MEMBER SINNOTT: Thank you.

14 So the motion calls for spending
15 \$512,000 of Franklin County taxpayer money on
16 television, radio, and print ads that would,
17 according to the presentation that we heard at the
18 last board meeting, advise people that there is an
19 internet and in order to obtain information about
20 how and where to vote in Franklin County someone
21 ought to go to the internet for that information.

22 Before the internet, the voter would
23 discover that there is great information being
24 provided by this board already at public expense on
25 those very subjects. This needs to be put in some

1 context. The average household income in our
2 community is a little less than \$60,000. So what
3 this proposal calls for is spending on TV ads,
4 radio ads, and print ads to tell people that
5 there's an internet and you can get information
6 about how to vote and where to vote off of the
7 internet by taking the total household income for
8 eight or nine Franklin County households and
9 devoting that amount in taxpayer money to that
10 purpose. I do not see that as being a sound
11 expenditure of taxpayer money.

12 It's also true that we should always
13 be concerned as a board of elections about the
14 uniform administration of elections in Ohio. We
15 should not have 88 different election processes in
16 this state. We need to have a uniform
17 administration of elections. What the Franklin
18 County Commissioners are doing through this -- I'll
19 call it -- lavish spending proposal is proposing
20 that we spend hundreds of thousands of dollars
21 under one version of the plan, nearly a million
22 dollars, to get out the vote in heavily Democratic
23 Franklin County. That is a partisan action.

24 If the General Assembly were to
25 propose that there be a get-out-the-vote publicly

1 financed drive in Clermont, Butler, and Warren
2 Counties, we would all see that as being a part of
3 the partisan plan. This is a part of the partisan
4 plan.

5 Then, finally, it is troubling that
6 this plan is being generated by candidates for
7 public office, two of whom will be on the ballot in
8 2020. For very good reasons we do not turn to
9 those who participate as candidates in the election
10 process and ask them what should the election
11 process be. That is a determination to be made by
12 the Secretary of State and the Board of Elections.
13 It is of no more relevance what the three county
14 commissioners who are candidates for public office
15 every four years think about the administration of
16 elections in Franklin County than what Donald Trump
17 or Elizabeth Warren thinks about that subject. It
18 is the Board of Elections that has the exclusive
19 authority and responsibility to shape the election
20 process in Franklin County working in concert with
21 the instructions from the Ohio Secretary of State.
22 For all of those reasons, I vote -- or will vote in
23 a moment when the discussion ends "no" on the
24 pending motion.

25 CHAIRMAN PREISSE: Any other

1 discussion?

2 MEMBER SEXTON: Sure. Well, thank
3 you.

4 First, I don't think this is a
5 partisan plan. I mean, we've been working on this
6 plan for a long time. I sat down as well as Kim
7 Marinello and the Deputy Director. We met with
8 Deputy Director David Payne on August the 30th.
9 I've seen no plan from our Republicans on this side
10 of the aisle. We've obviously been going through
11 this all year.

12 Further, I don't think it's too much
13 to ask. I think this plan option is 60 cents per
14 voter in Franklin County if the commissioners are
15 willing to fund it and I think it's a good plan.
16 Overall, the goal is to -- this plan simply is not
17 to inform voters that there's an election
18 November 3rd, 2020; the goal is much more
19 comprehensive. Consequently, there are multiple
20 messages that we need to communicate to the voters
21 in 2020 informing and encouraging voters to vote
22 earlier or to utilize the early vote and by
23 absentee mail, informing voters about registering
24 and updating their voter registration, informing
25 voters about their voter ID requirements,

1 encouraging voters to verify voting locations in
2 advance of election day, and primary election day
3 is moved to March 17th. And with that, I'd like
4 to -- I think Kim would like to make some comments.

5 MEMBER MARINELLO: Yeah. Our main
6 job is to educate voters. I mean, we need to
7 reduce the amount of provisional ballots because
8 everyone I've ever talked to voting provisional is
9 unsure their vote even counted. And the only way
10 to do that is through voter education, and we have
11 resources to do it.

12 In the beginning of the last
13 presidential there were 6,000 rejected provisional
14 ballots just because they didn't have the right
15 information, they weren't registered, they had the
16 wrong ID, they were at the wrong place. More
17 education could take care of that.

18 This is our job, not the political
19 parties or the candidates or third-party groups.
20 It's our job to educate the voters. And with this
21 day and age now with the foreign countries wanting
22 to stir things up, we've just got to -- you know,
23 and voters can be confused, we've got to get the
24 correct information out there and we have the
25 resources to do it.

1 DIRECTOR LEONARD: And Mr. Sinnott,
2 I just --

3 MEMBER SINNOTT: I'm sorry. We
4 really -- I don't think we're entertaining comment
5 from staff and members of the public at this point.
6 There's a motion pending, which is to be discussed
7 by the Board members.

8 CHAIRMAN PREISSE: Did you have a
9 comment on Kim's numbers?

10 MEMBER SINNOTT: Well, if I may,
11 I'll do this very briefly. I would like an
12 opportunity to respond to what the two board
13 members just said.

14 First of all, I believe we're in
15 agreement -- and we can review the transcript of
16 the last meeting of the Board -- it was agreed at
17 that time that television advertising, a radio
18 spot, an effective print ad is not going to explain
19 to a voter how to vote and where to vote. The only
20 thing that you can do through these very short
21 messages on those subjects is tell the voter that
22 there is an internet and you can obtain from the
23 Board of Elections information by visiting the
24 internet or by contacting the Board by telephone.
25 A great many people do that. So there is no

1 detailed, meaningful voter education that's going
2 to be accomplished through a 15 or 30-second
3 television ad. That's an illusion.

4 Chairman Sexton pointed out that
5 there has not been yet considered by the Board a
6 2020 communications plan that Chairman Preisse and
7 I have worked on. You may recall that there was a
8 communications plan presented to the Board in 2019
9 for that year. I'm pleased to report that on this
10 date in early December of 2019 we will be able to
11 circulate to the Board a 2020 communications plan
12 that outlines what the Board of Elections presently
13 has underway by way of communication with the
14 public about when to vote, how to vote, and where
15 to vote. It makes the observation that right now
16 that taxpayers are spending almost a quarter of a
17 million dollars, taxpayers in Franklin County, on
18 that subject and that does not take into account
19 what the Secretary of State will be spending from
20 Ohio taxpayers to deliver to every registered voter
21 in the state of Ohio an application for an absentee
22 ballot that will provide every single registered
23 voter with an opportunity to vote from home if that
24 is what the voter chooses to do. That is a
25 substantial public expense that is now being funded

1 by all Ohio taxpayers.

2 And relative to provisional voting,
3 of course, if a voter is qualified to vote and
4 casts a provisional ballot, then that ballot is
5 counted. I believe in 2016, the last presidential
6 election, there were 23,340 provisional ballots
7 cast. 3,480 of those were rejected. 2,237 were
8 rejected because the would-be voter wasn't
9 registered to vote, and another 133 were rejected
10 because the would-be voter was trying to vote
11 twice. That's the overwhelming majority of the
12 provisional ballots that were rejected. In terms
13 of the number of ballots that were cast
14 provisionally that were not accepted but were
15 excluded for a reason other than someone wasn't
16 registered to vote in the first place or was trying
17 to vote twice, that actually works out to be less
18 than one-fifth of one percent. I can't see
19 spending hundreds of thousands of dollars of
20 taxpayer money on TV ads and radio ads to address
21 something that 99.8 percent of our Franklin
22 Countians are able to do successfully. It's just
23 not an efficient use of taxpayer money.

24 Take a roll call?

25 CHAIRMAN PREISSE: There's a motion

1 and a second. There's been discussion. Let's call
2 the roll.

3 DEPUTY DIRECTOR PAYNE: Kim
4 Marinello?

5 MEMBER MARINELLO: Yes.

6 DEPUTY DIRECTOR PAYNE: Mike Sexton?

7 MEMBER SEXTON: Yes.

8 DEPUTY DIRECTOR PAYNE: Doug
9 Preisse?

10 CHAIRMAN PREISSE: No.

11 DEPUTY DIRECTOR PAYNE: Brad
12 Sinnott?

13 MEMBER SINNOTT: No.

14 CHAIRMAN PREISSE: Is there another
15 motion?

16 MEMBER SEXTON: Yes, I have another
17 motion.

18 Mr. Chairman, I move that the
19 Director and Deputy Director move forward with the
20 implementation of the 2020 communication plan as
21 presented by the Director in his memo of
22 November 18th, 2019, and that the Director and
23 Deputy Director are authorized to execute contracts
24 and expend funds appropriated for fiscal year 2020
25 by the Board of County Commissioners in substantial

1 conformance with the paid media budget outlined in
2 funding option three of the Director's
3 November 18th, 2019, memo in the amount of
4 \$660,250.

5 MEMBER MARINELLO: I second.

6 CHAIRMAN PREISSE: There's a motion
7 and second.

8 MEMBER SINNOTT: It sounds as though
9 that was essentially the motion we just voted on
10 except now the number has risen to \$660,000.

11 CHAIRMAN PREISSE: I think we've had
12 robust discussion. If there's no other discussion,
13 let's call the roll.

14 DEPUTY DIRECTOR PAYNE: Kim
15 Marinello?

16 MEMBER MARINELLO: Yes.

17 DEPUTY DIRECTOR PAYNE: Mike Sexton?

18 MEMBER SEXTON: Yes.

19 DEPUTY DIRECTOR PAYNE: Doug
20 Preisse?

21 CHAIRMAN PREISSE: No.

22 DEPUTY DIRECTOR PAYNE: Brad
23 Sinnott?

24 MEMBER SINNOTT: No.

25 DEPUTY DIRECTOR PAYNE: Is there any

1 other --

2 CHAIRMAN PREISSE: I'd like to just
3 state for the record, as Brad mentioned, there's a
4 robust amount of communication that the Board of
5 Elections -- our Board of Elections and the
6 Secretary of State's office currently engage in,
7 much of which is outlined in the draft
8 communication plan for 2020 that we have and will
9 distribute. And this discussion is not happening
10 in a vacuum. There's a heck of a lot that goes on
11 on a daily basis by the good bipartisan staff
12 employees here at the Board 365 days a year.

13 So I appreciate your comments.

14 MEMBER SEXTON: I'd just like to
15 comment that I think I received a copy of that at
16 9:51 a.m. this morning. Our plan has been out
17 there for -- you know, since November 18th. I
18 think it was 16 pages. I looked through it a
19 little bit, looked at the summary, and there did
20 not seem to be any -- You're right about some of
21 the stuff that our staff is doing. I think our
22 staff does a great job. I think we're going to
23 obviously have one of the highest voter turnouts
24 we've ever seen in Franklin County and we need to
25 adjust for the advertising accordingly.
