Monday Morning Session
May 18, 2020
3:28 p.m.

- - -

DEPUTY DIRECTOR PAYNE: We are ready
to bring this meeting to order. I'll take roll.

Kim Marinello.

MEMBER MARINELLO: Here.

DEPUTY DIRECTOR PAYNE: Mike Sexton.

MEMBER SEXTON: Here.

DEPUTY DIRECTOR PAYNE: Doug
Preisse.

CHAIRMAN PREISSE: I'm here.

DEPUTY DIRECTOR PAYNE: And Brad
Sinnott.

MEMBER SINNOTT: Here.

DEPUTY DIRECTOR PAYNE: We do have a
quorum.

The first item on the agenda is the
approval of the minutes from our April 6th meeting
and our April 27th meeting. I believe you were
sent both of those minutes.

If there aren't any corrections,
deletions, or additions I would entertain a motion
to accept those minutes.

MEMBER MARINELLO: Mr. Chariman, I

1 move that the Board approve the minutes of the
2 April 6th and April 27, 2020, meetings of the
3 Franklin County Board of Elections as submitted.

4 CHAIRMAN PREISSE: Second.

5 DEPUTY DIRECTOR PAYNE: All those in
6 favor of the motion signify by saying aye.

7 (Vote taken.)

8 DEPUTY DIRECTOR PAYNE: All opposed,
9 same sign.

10 (No response.)

11 DEPUTY DIRECTOR PAYNE: Motion
12 carries.

13 The next item on the agenda is the
14 approval of provisional ballots for counting in
15 this primary election.

16 I'm going to ask Sara Ziemba to come
17 to the podium and explain our process and what
18 we've done here.

19 MS. ZIEMBA: Good morning everyone.
20 Thank you for allowing me to speak today on the
21 provisional processing two weeks that just
22 concluded here in the voter services department.

23 Again, I'm Sara Ziemba, the
24 supervisor of the voter services department, and
25 I'm going to present the provisional ballot portion

1 of this meeting. Following the conclusion of the
2 extended 2020 primary election, 18 members of the
3 voter services staff worked in bipartisan teams to
4 process provisional ballots that were cast during
5 the 2020 primary election. Voter services manager
6 Mel Fuhrmann was out of the office for a medical
7 procedure during the processing period, and so
8 Antone White and myself served as the Democrat and
9 Republican supervisors during the process. I'd
10 like to offer a heartfelt thanks to Antone for
11 being such a great partner through the process. As
12 you probably know, this is my first time doing
13 this. So it was a learning experience in the most
14 unusual circumstances possible really with the
15 virus and everything. So thank you, Antone, and
16 thank you to all the voter services staff who
17 worked diligently to make sure we upheld the
18 bipartisan processing procedures in both a socially
19 distance and also with the recommended hygiene
20 policies of wearing masks and gloves and sanitizing
21 everything. So they did a great job. I just
22 wanted to recognize their accomplishments during
23 the last two weeks.

24 If you will look at Exhibit A, I
25 will just go over briefly the various categories

1 here that we have just to clarify anything, answer
2 questions you might have about that.

3 So the grand total of all the
4 accepted provisional ballots that we have during
5 the whole voting period, which started back
6 February 19th all the way until the in-person
7 voting on 4-28-2020, the total for accepted
8 provisional ballots that we recommend to the Board
9 to accept are 2,866. So that includes everything
10 that we recommend to be accepted.

11 And then I'll just go down -- if
12 this is the right procedure, go down the rejection
13 reasons and just give a little brief explanation
14 about why we recommend those to be rejected by the
15 Board today.

16 The first category you see there is
17 that the voter was not registered in the state of
18 Ohio. That's a total of 230 provisional ballots.
19 On these, voter services staff does a search both
20 of our countywide database and the Secretary of
21 State's statewide voter database, researches on
22 each one to make sure that we located the voter if
23 they are registered in the state of Ohio. And all
24 230 of these provisional ballots, they were cast by
25 voters who are not currently registered in the

1 state of Ohio and thus they are recommended for
2 rejection by the Board.

3 The next two categories on Exhibit A
4 will be wrong precinct and location and wrong
5 precinct and correct location. Both of those have
6 a total of zero because this time we did not have
7 polling locations open for voters to vote out in
8 the county. So everyone has voted either here at
9 the Board of Elections in the early vote center on
10 4-28 or voted by mail. So we didn't have a case
11 where a voter would have went to the wrong precinct
12 or the wrong location. So that's why those totals
13 are zero.

14 The next item on there is no
15 signature, and there are four ballots that we have
16 that fall into this category. The voter just
17 failed to sign their name on their affirmation
18 statement, and that is one of the five fields that
19 are required to be completed by the voter in order
20 to be recommended for acceptance by the Board. So
21 we recommend those four that were lacking signature
22 be rejected by the Board.

23 The next one you'll see is no
24 printed name. Again, the printed name, that total
25 is eight. And that is another one of the five

1 required fields that the voter must complete on the
2 affirmation statement. And if the affirmation
3 statement doesn't contain the printed name, then
4 the Board must reject the provisional ballot
5 according to the manual. So, again, those are
6 eight recommended for rejection based on the fact
7 that they didn't print their name on the
8 affirmation statement.

9 The next category you'll see there
10 is the failed to provide a valid current address.
11 There are 16 provisional ballots that fall under
12 this category. These 16 voters did not -- either
13 they left the field blank and didn't put an address
14 there or they provided an address that was outside
15 of Franklin County. So we recommend that those are
16 rejected by the Board as well based on the fact
17 that they didn't give a valid Franklin County
18 address.

19 The next one is no ID. There are 23
20 provisional ballots that fall under this category,
21 and these voters failed to provide any form of
22 acceptable identification on the affirmation
23 statement and are recommended to be rejected by the
24 Board.

25 Just to explain a little bit about

1 what is an acceptable form of identification, it
2 would be the last four of your Social, your
3 driver's license number, state ID number, utility
4 bill, military ID, bank statement, or other
5 accepted document. And these provisional voters
6 just left that field blank and didn't provide
7 anything. So those 23 are recommended for
8 rejection based on that fact.

9 The next category we have is a
10 signature mismatch, and there are four ballots that
11 fall into this category. There must be a valid
12 signature that matches what we have on record for
13 the voter, and we had gone over at least three
14 times trying to look through all the documents we
15 have. We are as liberal as possible. If we can
16 identify a swoop or a slash of the T or the slant
17 of the handwriting, we will accept that signature.
18 These four were just -- there was nothing we could
19 find on file that resembled what the voter had
20 provided on their provisional affirmation
21 statement. So we recommend that those four be
22 rejected on that basis.

23 The next category we have is that
24 there are five that we recommend for rejection
25 based on the fact that they didn't provide a ballot

1 in an envelope. We have received five provisional
2 envelopes that were just empty and they had nothing
3 in them. So based on the fact that there's no
4 ballot to accept, we recommended that those are
5 rejected by the Board.

6 The next category is the voter has
7 already voted. There are 24 provisionals that fall
8 under this category. This may seem like a large
9 number. Typically, people know that you have one
10 vote per election. Because of the conflicting
11 information about when election day was, from
12 March 17th to June 2nd to April 28th, a lot of
13 voters were confused. They thought there were
14 three different elections, they thought once they
15 got the Secretary of State's postcard saying submit
16 your application that they could submit another
17 one, or that it was a new election. So we don't
18 think there was any malice on the intent of these
19 voters trying to get more than one vote. It was
20 just a sense of confusion that was out there, that
21 people either forgot they voted in the first one,
22 they thought it was a new election, or there were
23 also people that thought if their candidate
24 withdrew from the election that they were able to
25 pick a new one because that person was no longer in

1 the running. So there was just a lot of confusion
2 out there. And like I said, we don't think that
3 this was any malice or attempted fraud; it was just
4 confusion. So what we do recommend is because
5 these 24 voters had already had a ballot accepted
6 and counted by the Board that the second one of
7 these 24 be rejected by the Board.

8 The next category we have is
9 challenge of health. And we did not have any
10 voters who had their right to vote challenged and
11 to cast a ballot in this election. So that's why
12 there are zero there.

13 And then the next one on there is
14 date of birth missing. There are eight provisional
15 ballots that lacked any type of information on the
16 date of birth field. So it was just a blank field
17 there. And unlike the ones that I'll talk about in
18 a little bit where the Board may review them to
19 accept them, if there is nothing on the field, the
20 affirmation statement does not contain the voter's
21 date of birth, then the Board must reject the
22 provisional ballot. And so we do recommend that
23 the Board reject those eight provisional ballots
24 that had a date of birth missing from the
25 affirmation statement.

1 The next one is our largest
2 category, and this is the 901 provisional ballots
3 that we have. These 901 were all cast on 4-28-2020
4 in person at the Board of Elections by voters who
5 had not previously submitted an absentee ballot
6 request by the deadline, which was Saturday,
7 April 25th, at noon. These voters also when they
8 came here to vote on 4-28, they did not affirm that
9 they either had a disability or an inability to
10 receive mail at their residence. So they came in
11 to vote a provisional ballot, and in accordance
12 with the Secretary of State's directive 2020-09,
13 voters services staff recommends that the Board
14 rejects these 901 provisional ballots.

15 And I will quote right from the
16 directive: The provisional ballot is not eligible
17 for counting if the voter was not eligible to vote
18 in person under House Bill 197 and the voter did
19 not apply for an absentee ballot by noon on
20 April 25, 2020. HB 197 allowed in-person voting on
21 April 28th, 2020, only for those individuals with a
22 disability or inability to receive mail. And
23 that's both from HB 197 and directive 2020-09. So
24 we do recommend that the Board reject those 901
25 ballots based on that directive.

1 DIRECTOR LEONARD: Sarah, if I might
2 add to that. This is Ed Leonard.

3 My understanding would be
4 provisional ballot teams went through extensive
5 checking to confirm that there was no applications
6 submitted or timely applications submitted by that
7 voter?

8 MS. ZIEMBA: Absolutely. So
9 each provisional -- the bipartisan team, we had
10 three different searches that they did to make sure
11 there was not a provisional ballot -- or an
12 absentee ballot request on file for the voter.
13 First, they looked in our countywide database to
14 make sure we did not have a document on the voter's
15 file or a code that they had requested and one had
16 been sent out. We also looked into the database of
17 all of the applications that were scanned in and
18 received by the Board of Elections. They searched
19 that both by the voter's name and address to make
20 sure that we didn't have -- you know, somehow it
21 didn't attach to the voter's file in the countywide
22 database. And then, lastly, since we mailed out a
23 whole bunch of provisional ballots, in case someone
24 came in from out of county or if they had an
25 address change or something, we wanted to make sure

1 that we didn't miss those people who might not have
2 been found on the countywide database or the
3 document scans. Just in case, we checked the
4 spreadsheet of all of the ballots that we mailed
5 out to provisional voters as well. So there were
6 at least three checks that everybody did to make
7 sure that the voter truly did not have a request on
8 file. And again, those were 901 of those that we
9 found did not request a ballot before Saturday,
10 April 25th, at noon, and came in to vote on 4-28.

11 Any other questions?

12 CHAIRMAN PREISSE: The 700 of the
13 901 had already voted? No?

14 MS. ZIEMBA: Of the 1,192 that voted
15 on 4-28, 901 of those 1,192 did not request a
16 ballot in advance of the election.

17 CHAIRMAN PREISSE: And where is --
18 Okay. And then included in here are inability to
19 receive mail.

20 What about those that did request an
21 absentee ballot but claimed not to receive them?

22 MS. ZIEMBA: If you claimed not to
23 have received it or it was late getting to you,
24 those were ones that we did count in that 283 total
25 at the top. So if the voter did a request ballot

1 and hadn't received it by mail or if -- as long as
2 they requested a ballot and hadn't turned one in,
3 then those are in the 428 in-person voting total
4 accepted of 283.

5 Does that help?

6 CHAIRMAN PREISSE: That was the
7 answer I was looking for.

8 MS. ZIEMBA: Any other questions?

9 DEPUTY DIRECTOR PAYNE: There was
10 one other category, missed deadline.

11 MS. ZIEMBA: Yes. I just wanted to
12 see if there were any other clarifications on that.

13 The last category there is the
14 provisional ballot was not received on time and/or
15 missed the deadline. So there are 108 of those of
16 the ones that we mailed out to voters at their
17 homes where they were received but postmarked after
18 4-27-2020, which all ballots had to be postmarked
19 the day before the elections, which would have been
20 4-26-2020, or the ballot had to be delivered here
21 to the Board of Elections in person on 4-28-2020 up
22 until 7:30 p.m.

23 So we had voters who were able to --
24 you know, we had a drive-thru all day of people
25 dropping off their ballots they had received maybe

1 that day and brought it in here. All 108 of these
2 ballots, they had either a late postmark or they
3 were dropped off here after 7:30 p.m. on election
4 day or we have people still dropping them off now;
5 but they were received late, after that deadline.
6 So we recommend that those 108 are rejected by the
7 Board on the fact that they were not received in a
8 timely manner.

9 MEMBER SINNOTT: As I recall, in
10 order to be counted a ballot had to be postmarked
11 by the 27th of April and received by the Board as
12 of the May 8th?

13 MS. ZIEMBA: That's correct.

14 MEMBER SINNOTT: Were there any
15 instances where the postmark was 4-27 or before but
16 there was no ballot received until after May 8th?

17 MS. ZIEMBA: There were not.
18 Everything we received -- The only ones we received
19 past May 8th have been ones that are returned
20 undelivered at the address to voters that we sent
21 it out and for some reason it was not received at
22 their home. So the voter never received those. It
23 was just like a return to sender, the ones that
24 we're still receiving now.

25 DEPUTY DIRECTOR PAYNE: Any other

1 questions or comments for Sarah?

2 Sarah, thank you. That was a very
3 thorough report.

4 MS. ZIEMBA: Sorry it was long.
5 First timer.

6 DEPUTY DIRECTOR PAYNE: No. That
7 was fantastic. Well done.

8 MS. ZIEMBA: Thank you very much.

9 DEPUTY DIRECTOR PAYNE: So we have a
10 total of 4,203 total provisionals. Of those, the
11 staff is recommending to the Board that 2,866 of
12 those be approved, 1,331 rejected, and then there
13 will be six more for Board review.

14 Did I get that correct?

15 MS. ZIEMBA: Uh-huh.

16 DEPUTY DIRECTOR PAYNE: So the first
17 motion would be to approve the counting of the
18 2,866 provisionals.

19 Do I have a motion in that regard?

20 MEMBER SEXTON: Mr. Chariman, I move
21 the Board approve the counting of 2,866 provisional
22 ballots and that all provisional ballots deemed
23 valid be counted and included in the official
24 canvass of the March 17th, 2020, primary election.

25 CHAIRMAN PREISSE: Second.

1 DEPUTY DIRECTOR PAYNE: All those in
2 favor of the motion signify by saying aye.

3 (Vote taken.)

4 DEPUTY DIRECTOR PAYNE: All opposed,
5 same sign.

6 (No response.)

7 DEPUTY DIRECTOR PAYNE: Motion
8 carries.

9 The next item would be the
10 recommended rejection of the 1,331 provisional
11 ballots that Sarah went through and identified, and
12 those would be on Exhibit A.

13 Are there any questions or comments?
14 If not, I would entertain a motion.

15 MEMBER SINNOTT: I move that the
16 Board reject the counting of 1,331 provisional
17 ballots as identified by category in Exhibit A and
18 that all provisional ballots rejected not be
19 counted or included in the official canvass results
20 of the March 17th, 2020, primary election.

21 MEMBER SEXTON: Second.

22 DEPUTY DIRECTOR PAYNE: All those in
23 favor of the motion signify by saying aye.

24 (Vote taken.)

25 DEPUTY DIRECTOR PAYNE: All opposed,

1 same sign.

2 (No response.)

3 DEPUTY DIRECTOR PAYNE: Motion
4 carries.

5 The next item on the agenda would be
6 the extraction of provisional ballots. And I think
7 if we could authorize the staff right now to
8 extract the 2,866 approved, then we could get
9 moving with that and then we'll talk about the six
10 ballots for Board review.

11 So can I have a motion to authorize
12 the extraction of the approved provisional ballots?

13 MEMBER MARINELLO: I move that the
14 Board authorize the extraction of the approved
15 provisional ballots.

16 CHAIRMAN PREISSE: Second.

17 DEPUTY DIRECTOR PAYNE: All those in
18 favor of the motion signify by saying aye.

19 (Vote taken.)

20 DEPUTY DIRECTOR PAYNE: All opposed,
21 same sign.

22 (No response.)

23 DEPUTY DIRECTOR PAYNE: Motion
24 carries.

25 Do we have someone to tell the staff

1 that they can actually start that? Okay.

2 Fantastic.

3 Then there were six additional
4 provisional ballots that require Board
5 consideration.

6 Sarah, do you want to go through
7 those six?

8 MS. ZIEMBA: Yes.

9 These six that are up for Board
10 consideration, they are -- you have a little
11 stapled pack of them in your packets there. There
12 are six ballots that all had date of birth issues
13 on them. And these are different from the ones we
14 rejected earlier in the fact that the voter had
15 made an attempt to put a birth date on the there;
16 but in this case, the birthday that they put was
17 either -- had some element of incorrectness about
18 it or inconsistency of what we have on our database
19 and on the Secretary of State's statewide voter
20 database. They were all either off by a year, a
21 month, or a couple of days. And in accordance with
22 the part two of the exception regarding date of
23 birth in the manual, the Board -- let me get my --
24 if the -- So the ballot, if there is inconsistency
25 with the date of birth from what the voter provided

1 on their affirmation statement and what is on the
2 statewide voter database the ballot must be
3 rejected until the board of elections finds by a
4 vote of at least three of its members that the
5 voter has met all of the requirements of the
6 division, which would include everything that is
7 needed to be on the affirmation statement, that
8 they're registered to vote, they have cast a ballot
9 in the correct precinct for which they are
10 registered, they have provided their
11 identification, their printed name, current
12 address, and then of course the date of birth,
13 which is what they attempted to provide but was
14 just a little different than what we had on file.

15 So I will go over all of these. The
16 first three in your packet, a couple of them put
17 2019 as the year of their birth but the day and
18 month were correct. The third one was off by a
19 year. When it says 7-22-81, we have 7-22-80 on our
20 system. So those all three had inconsistency in
21 the year. The next one, they wrote on their
22 statement 5-24-48, and their date of birth we have
23 is 6-24-48. So the month was off by one. And then
24 the next two were both off in a date of birth. So
25 the month and year correct, just the date itself

1 was off by one day. On the 2-26-1942 we had
2 2-27-42. And then on the very last one, 9-22 or
3 23-34 we had 9-25-34. So everything else on the
4 affirmation statements were correct. The voters
5 are registered, they voted the correct ballot.
6 Like I said, it was just the inconsistency in the
7 year. And we do recommend that the Board exercise
8 the exception, the part two, with a vote of at
9 least three of its members and the voter has met
10 all of the requirements that we named and accept
11 those six provisional ballots.

12 MEMBER SINNOTT: So Sarah, the only
13 thing that's wrong with these provisional ballots
14 is that there's incorrect date of birth
15 information?

16 MS. ZIEMBA: Correct.

17 MEMBER SINNOTT: And we have an
18 instruction from the Secretary's office that if the
19 voter places anything in date of birth area then we
20 are to accept that?

21 MS. ZIEMBA: If you choose to vote
22 with a vote of three or more members that you do
23 have that power.

24 MEMBER SINNOTT: But beyond that, we
25 have instruction from the Secretary's office that

1 any attempt by the voter to --

2 MS. ZIEMBA: Yep. Yes.

3 DEPUTY DIRECTOR PAYNE: So the Board
4 is recommending the approval of the six additional
5 provisional ballots and the rejection of zero in
6 that category.

7 So if there aren't any other
8 questions of Sarah, I'd entertain a motion for the
9 approval of the six additional provisional ballots.

10 MEMBER SEXTON: Mr. Chariman, I move
11 that the Board approve the counting of six
12 additional provisional ballots and the rejection of
13 zero additional provisional ballots and that all
14 provisional ballots deemed valid be counted and
15 included in the official canvass results for the
16 March 17th, 2020, primary election.

17 DEPUTY DIRECTOR PAYNE: Is there a
18 second?

19 MEMBER SINNOTT: There is.

20 DEPUTY DIRECTOR PAYNE: It's been
21 properly moved and seconded.

22 All those in favor of the motion
23 signify by saying aye.

24 (Vote taken.)

25 DEPUTY DIRECTOR PAYNE: All opposed,

1 same sign.

2 (No response.)

3 DEPUTY DIRECTOR PAYNE: Motion
4 carries.

5 The next item on the agenda would be
6 approval of extraction of those six provisional
7 ballots.

8 MEMBER SINNOTT: So I move that the
9 Board authorize the staff to extract the additional
10 six approved provisional ballots.

11 DEPUTY DIRECTOR PAYNE: Is there a
12 second?

13 MEMBER SEXTON: Second.

14 DEPUTY DIRECTOR PAYNE: All those in
15 favor of the motion signify by saying aye.

16 (Vote taken.)

17 DEPUTY DIRECTOR PAYNE: All opposed,
18 same sign.

19 (No response.)

20 DEPUTY DIRECTOR PAYNE: Motion
21 carries.

22 The next item on the agenda is the
23 remaking of provisional ballots. This would
24 authorize the staff to make -- remake the
25 provisional ballots if there are no issues of voter

1 intent. If there are issues of voter intent, we
2 would bring those back to the Board later on today.

3 MEMBER KIMBERLY MARINELLO: I move
4 that the Board authorize the remake of provisional
5 ballots and that these remade ballots shall be
6 tabulated and included in the official canvass of
7 the results of the March 17th, 2020 primary
8 election with a report to made to the Board later
9 today.

10 CHAIRMAN PREISSE: Second.

11 DEPUTY DIRECTOR PAYNE: All those in
12 favor of the motion signify by saying aye.

13 (Vote taken.)

14 DEPUTY DIRECTOR PAYNE: All opposed,
15 same sign.

16 (No response.)

17 DEPUTY DIRECTOR PAYNE: Motion
18 carries.

19 Sarah, thank you very much.

20 MS. ZIEMBA: Thank you.

21 DEPUTY DIRECTOR PAYNE: The next
22 item on the agenda is the voter registration
23 challenge. And I'll call on Mel Fuhrmann to give
24 that report. Welcome back, Mel.

25 MS. FUHRMANN: Thank you.

1 Good morning. My name is Mel
2 Fuhrmann on behalf of voter services this morning.
3 We have one voter challenge for you, and you should
4 have in your packet on the top a form that says
5 challenge of right to vote and correction of
6 registration list filed on behalf Dawn McAllister.
7 You should also have in your packet a copy of
8 Ms. McAllister's voter history and a copy of her
9 registration as well as a copy of the voter history
10 for a Jefe Johnson. Actually, correct that. We
11 don't have a copy of Ms. McAllister's original
12 registration because she probably registered before
13 the year 2000 and our records only go back as far
14 as 2000. But we do have her voter history showing
15 that she is a regular voter and a qualified elector
16 and she has been receiving election-related mail
17 for a Jefe Johnson and she claims that he does not
18 reside at 3049 Weirton Drive, Columbus, Ohio. She
19 is not aware of Mr. Jefe Johnson having ever lived
20 there at Weirton Avenue.

21 So in light of the research
22 conducted on Jefe Johnson and on Dawn McAllister,
23 voter services is going to recommend that Jefe
24 Johnson be removed from the rolls.

25 DEPUTY DIRECTOR PAYNE: Mel, maybe

1 you said it and I didn't hear it. Did we send
2 notice to both Dawn McAllister and Jefe Johnson?

3 MS. FUHRMANN: We did. We sent
4 notice of this hearing to both Dawn McAllister and
5 Jefe Johnson by certified mail. We got back the
6 returned receipt on both of those pieces of
7 certified mail.

8 DEPUTY DIRECTOR PAYNE: Any
9 questions for Mel regarding this voter registration
10 challenge?

11 MEMBER MARINELLO: I move that the
12 Board approve the challenge of right to vote filed
13 by Dawn McAllister of 3049 Weirton Drive, Columbus,
14 Ohio, against Jefe Johnson of 3049 Weirton Drive,
15 Columbus, Ohio, and order that Jefe Johnson's
16 registration be removed from the Franklin County
17 voter file.

18 CHAIRMAN PREISSE: Second.

19 DEPUTY DIRECTOR PAYNE: All those in
20 favor of the motion signify by saying aye.

21 (Vote taken.)

22 DEPUTY DIRECTOR PAYNE: All opposed,
23 same sign.

24 (No response.)

25 DEPUTY DIRECTOR PAYNE: Motion

1 carries.

2 Thank you, Mel.

3 MS. FUHRMANN: Thank you.

4 DEPUTY DIRECTOR PAYNE: The next
5 item on the agenda is the precinct election
6 official pay. We had a total of 3,452 precinct
7 election officials who had signed up to work on
8 election day prior to it being cancelled the Monday
9 evening before the March 17th primary. We had --
10 would like to adopt a policy in order to be able to
11 pay these individuals 50 percent of what they would
12 have made had they actually worked on election day.
13 A lot of other counties -- I don't know if all 87
14 other counties are doing something similar to this,
15 but the vast majority are.

16 I don't know, Ed, if you have
17 anything to add.

18 DIRECTOR LEONARD: I believe the
19 large counties have already undertaken paying their
20 poll workers.

21 DEPUTY DIRECTOR PAYNE: We have
22 listed on here the 3,452 individuals. The total
23 payment for that would be \$230,772.82. We also
24 attached the joint letter from the Ohio Auditor of
25 State and the Secretary of State which was dated

1 April 10th, 2020. We've attached a policy that we
2 would like to adopt; and again, we've listed all
3 3,452 individuals. We have supported documentation
4 that all of these individuals had indicated a
5 desire to work on election day.

6 DIRECTOR LEONARD: And our staff has
7 done all of the requisite work to prepare for this.
8 So as soon as the Board were to act, our staff
9 would be able to prepare and move forward with
10 payment.

11 DEPUTY DIRECTOR PAYNE: Any
12 questions regarding that?

13 MEMBER SEXTON: Seeing none,
14 Mr. Chairman, I move that the Board adopt the
15 precinct election officials pay policy as written
16 in Exhibit B and authorize the Director and Deputy
17 Director to pay those precinct election officials
18 that were scheduled to work on behalf of the
19 Franklin County Board of Elections on Tuesday,
20 March 17th, 50 percent of what they would have made
21 had there been an election.

22 CHAIRMAN PREISSE: Second.

23 DEPUTY DIRECTOR PAYNE: All those in
24 favor of the motion signify by saying aye.

25 (Vote taken.)

1 DEPUTY DIRECTOR PAYNE: All opposed,
2 same sign.

3 (No response.)

4 DEPUTY DIRECTOR PAYNE: Motion
5 carries.

6 I believe the next item on the
7 agenda would be the certification. And we have our
8 staff opening those provisional ballots, so I think
9 we probably need to call for a recess at this
10 point.

11 DIRECTOR LEONARD: We can get an
12 estimate from our team as to how long they
13 anticipate the process will take so you all will
14 know how long the recess will take.

15 MEMBER SINNOTT: Are you going to
16 get that, Ed?

17 (Brief recess.)

18 DEPUTY DIRECTOR PAYNE: We probably
19 need a motion to go into recess.

20 CHAIRMAN PREISSE: I move we recess.

21 DEPUTY DIRECTOR PAYNE: Is there a
22 second?

23 MEMBER SINNOTT: There is.

24 DEPUTY DIRECTOR PAYNE: All those in
25 favor of the motion signify by saying aye.

1 (Vote taken.)

2 DEPUTY DIRECTOR PAYNE: All opposed,
3 same sign.

4 (No response.)

5 DEPUTY DIRECTOR PAYNE: Motion
6 carries.

7 We are now in recess.

8 We'll get back to you here shortly
9 with a projected time of regathering. Thank you.

10 (Board in recess at approximately
11 9:39 a.m.)

12 DEPUTY DIRECTOR PAYNE: Could I have
13 a motion to come out of recess?

14 CHAIRMAN PREISSE: I move that we
15 come out of recess.

16 MEMBER MARINELLO: Second.

17 DEPUTY DIRECTOR PAYNE: All those in
18 favor of the motion signify by saying aye.

19 (Vote taken.)

20 DEPUTY DIRECTOR PAYNE: All opposed,
21 same sign.

22 (No response.)

23 DEPUTY DIRECTOR PAYNE: Motion
24 carries. We are out of recess.

25 The first item on the agenda is

1 certification, but why don't we get a report from
2 provisional and then a report from Matt on the
3 running of the ballots back there.

4 So Sarah, you can --

5 MS. ZIEMBA: All right. Just a
6 quick update about the provisionals that we opened
7 after the morning session. When we opened them, we
8 counted back in the six the Board approved on the
9 date of birth issues. And then, when we were
10 opening the rest of them we found that there were
11 an additional six, five of the mail-in ones and one
12 from the 4-28 election day that were blank or there
13 was five -- the mail-in ones were missing a ballot
14 in the envelope and then the ballot card from 4-28
15 was blank. So there were an additional six added
16 to the rejected total for missing ballots. So that
17 is why what total is now 1,337. And then the
18 accepted total remains the same with the addition
19 of the six that were approved and it's still 2,866.

20 Does that make sense to everybody?

21 MEMBER SINNOTT: Do we need a
22 corrected motion on rejections?

23 DIRECTOR LEONARD: The numbers are
24 the same.

25 MS. ZIEMBA: Well, it was 1,331 and

1 it's now 1,337 because we had the six updates. So
2 the rejection is a new number.

3 DIRECTOR LEONARD: The Board
4 approved 1,331 and then approved six. So the
5 number -- you approved the original 1,331 and
6 approved the additional six for a total of 1,337.

7 MEMBER SINNOTT: I think we rejected
8 1,331.

9 DEPUTY DIRECTOR PAYNE: That's
10 correct.

11 MEMBER SINNOTT: That number is now
12 increased by six based on what we found in the
13 envelopes.

14 DEPUTY DIRECTOR PAYNE: Correct.

15 I think a motion would be in order
16 to -- for a new rejected number.

17 DIRECTOR LEONARD: Accept the report
18 for the new Exhibit A as a report and accept the
19 numbers on that report.

20 DEPUTY DIRECTOR PAYNE: That's also
21 an option.

22 MS. ZIEMBA: Yes, to accept the new
23 Exhibit A numbers.

24 MEMBER SINNOTT: So you're looking,
25 Sarah, for a motion that adopts Exhibit A as the

1 official results for provisionals?

2 MS. ZIEMBA: Correct.

3 MEMBER SINNOTT: Is that correct?
4 Is it just on the provisionals?

5 MS. ZIEMBA: Exhibit A is only the
6 provisionals.

7 CHAIRMAN PREISSE: It says post
8 ballot extraction on the lower left.

9 MS. ZIEMBA: The only difference is
10 that the total of rejected is 1,337 because there
11 were the additional six that did not have a ballot
12 in the envelope.

13 MEMBER SINNOTT: I move that the
14 Board accept revised Exhibit A as the accounting of
15 provisional ballots in the March 17, 2020 primary
16 election.

17 DEPUTY DIRECTOR PAYNE: There's been
18 a motion.

19 Is there a second?

20 MEMBER MARINELLO: Second.

21 DEPUTY DIRECTOR PAYNE: All those in
22 favor of the motion signify by saying aye.

23 (Vote taken.)

24 DEPUTY DIRECTOR PAYNE: All opposed,
25 same sign.

1 (No response.)

2 DEPUTY DIRECTOR PAYNE: Motion
3 carries.

4 Thank you, Sarah.

5 MS. ZIEMBA: Thank you very much.

6 DEPUTY DIRECTOR PAYNE: You want to
7 give a summary of what we did?

8 MR. KELLY: Sure.

9 As instructed by the Board, we
10 scanned the provisional ballots once they were
11 extracted in the room across the way. We took the
12 ballots to the back ballot vault area and we
13 scanned a total of 2,866 provisional ballots. Of
14 those 2,866, 35 of those ballots were ballots that
15 had to be remade because of ballot style error, and
16 one had to be remade because it was a damaged
17 ballot. So that's the total number of 36 ballots
18 that had to be remade as instructed by the Board.
19 We did so and counted those for total a of 2,866.

20 DEPUTY DIRECTOR PAYNE: That number
21 didn't change. You're just giving us a report to
22 reflect that?

23 MR. KELLY: Correct.

24 DEPUTY DIRECTOR PAYNE: Any
25 questions for Matt?

1 If not, we'll move on to Carla
2 Patton who will start the certification process,
3 give us a briefing.

4 MS. PATTON: Good afternoon.

5 In front of you you have a nice,
6 thick packet that was clipped together. That is
7 the official results for Franklin County only. You
8 will see the breakdown of absentee mail versus
9 absentee in-person and the provisional ballots.
10 There was a total of 169,506 ballots cast in
11 Franklin County, with a total of -- with that being
12 a representation of 19.88 percent of the county
13 voting in this election.

14 We thoroughly canvassed all the
15 votes that have been cast since the beginning of
16 election back in February all the way through
17 April 28th and then the ballots received by May 8th
18 through the mail with proper postmarks on those.
19 We ask that the Board recommend certification of
20 the results that are in front of you at this time
21 for the March 17th, 2020 primary.

22 MEMBER SINNOTT: Carla, do we have
23 any ties or --

24 MS. PATTON: We do have a tie for
25 the Republican County Central Committee, Ward 55

1 that we will draw for a recount. We also have, as
2 Ohio law states, that we must declare a winner
3 prior to drawing for the recount and proceeding
4 with that recount. We also have a --

5 CHAIRMAN PREISSE: What's that?
6 Declare a winner in a tie?

7 MS. PATTON: So you must declare a
8 winner before we can proceed with a recount so that
9 if the recount remains a tie the declared winner
10 remains the winner.

11 MEMBER SINNOTT: In the case of a
12 tie, how do you determine a winner?

13 MS. PATTON: You can win by the toss
14 of a coin, the draw of a draw. I believe Kim
15 Marinello has a coin down there that she has ready
16 to flip. And we've had several ties in Franklin
17 County that have been won by the flip of a coin in
18 the past.

19 CHAIRMAN PREISSE: So if we -- are
20 we going to choose the winner?

21 MS. PATTON: No. The candidates are
22 not here. We'll designate heads for one candidate
23 and tails for the other candidate and then flip the
24 coin and whoever wins is the declared winner until
25 the results of recount. Once the recount is

1 completed, if the results remain unchanged, then
2 the declared winner is the winner of the seat.

3 MEMBER SINNOTT: Can we do that
4 today?

5 MS. PATTON: Yes. That is our
6 intention.

7 MEMBER SINNOTT: Did we give -- Do
8 we have to give a statutory notice to the
9 candidates?

10 MS. PATTON: We will notify all
11 candidates that are a part of a recount. We will
12 notify the candidates in Ward 55 which one is
13 declared the winner and which one was not. And we
14 will fix the time and the date for the recount
15 today, make the draw for the precinct to hand-count
16 those results, and then rescan all the other
17 results.

18 MEMBER SINNOTT: It must be a very
19 small number of votes. How quickly could we do the
20 recount?

21 MS. PATTON: The soonest we can do
22 the recount, we have to allow for five days for
23 somebody to waive the right to a recount. So we
24 could do the recount, I believe, on Tuesday. We
25 would suggest that the recount take place on

1 Tuesday.

2 MEMBER SINNOTT: Is that the only
3 contest in the county?

4 MS. PATTON: No. We also have
5 recounts that occur in the Democratic and the
6 Republican County Central Committee Ward 4 of Grove
7 City, both parties. The Democratic candidate won
8 by one vote, the Republican candidate won by two
9 votes, both within the .05 percent margin of the
10 total ballots cast.

11 MEMBER SINNOTT: So there are three
12 particular contests that are within the recount
13 margin?

14 MS. PATTON: That's correct.

15 MEMBER SINNOTT: But we can resolve
16 the recount as quickly as Tuesday of next week?

17 MS. PATTON: Yes.

18 MEMBER SINNOTT: Thank you. That's
19 all.

20 MEMBER SEXTON: A question I have is
21 just a follow-up question. So we don't have to
22 meet again as a Board as long as the numbers don't
23 change. Is that correct?

24 MS. PATTON: Yes, that's correct.
25 As long as the numbers don't change, there is no

1 requirement for a meeting of the Board.

2 MEMBER MARINELLO: Because it's
3 already been certified?

4 MS. PATTON: It's already been
5 certified and the recount will just uphold the
6 results that were certified. If there is a change,
7 there would be a requirement for a meeting, whether
8 that's an in-person or not. I believe you can do
9 that remotely if we had to change it.

10 DIRECTOR LEONARD: Yeah. That could
11 be done remotely if we needed to.

12 CHAIRMAN PREISSE: Thank you.

13 DEPUTY DIRECTOR PAYNE: So is the
14 next order of business to identify which candidate
15 is heads and which is tails and then to flip the
16 coin?

17 MS. PATTON: I think we need to
18 certify the results first.

19 DEPUTY DIRECTOR PAYNE: Certify and
20 then flip?

21 MS. PATTON: Yes.

22 CHAIRMAN PREISSE: How do you
23 certify the results of the winner if we haven't
24 picked the winner in the tie yet?

25 MS. PATTON: You have to certify the

1 results and then you would flip the coin to declare
2 the winner.

3 CHAIRMAN PREISSE: Okay. Gotcha.

4 MEMBER MARINELLO: I move the Board
5 certify and declare as final the official canvass
6 of the votes cast at the March 17th primary
7 election as submitted by staff.

8 CHAIRMAN PREISSE: Second.

9 DEPUTY DIRECTOR PAYNE: All those in
10 favor of the motion signify by saying aye.

11 (Vote taken.)

12 DEPUTY DIRECTOR PAYNE: All opposed,
13 same sign.

14 (No response.)

15 DEPUTY DIRECTOR PAYNE: Motion
16 carries.

17 Now we're on to the flipping of the
18 coin. Is that correct?

19 MS. PATTON: That's correct.

20 So Ward 55 had two write-in
21 candidates. Both write-in candidates received five
22 valid write-in votes for our particular canvass.
23 The candidates were Blair Cathcart and Chris
24 Bartony. So as I said, we'll need to flip a coin.

25 DIRECTOR LEONARD: Which candidate

1 is assigned heads?

2 MS. PATTON: That is the Board's
3 decision. If you could declare which candidate
4 will be heads, either Blair Cathcart or Chris
5 Bartony.

6 MEMBER SINNOTT: Well, B comes
7 before C, so I move that Chris Bartony be heads and
8 Blair Cathcart be tails.

9 CHAIRMAN PREISSE: Second.

10 DEPUTY DIRECTOR PAYNE: All those in
11 favor of the motion signify by saying aye.

12 (Vote taken.)

13 DEPUTY DIRECTOR PAYNE: All opposed,
14 same sign.

15 (No response.)

16 DEPUTY DIRECTOR PAYNE: Motion
17 carries.

18 So we went alphabetical by the last
19 name. Is that --

20 MS. PATTON: That's correct.

21 (Member Marinello flipped coin.)

22 MS. PATTON: Heads.

23 With the flip of the coin, we would
24 need to make a motion that the flip resulted in a
25 heads which was assigned to Chris Bartony so he

1 would be the declared the winner for that race. So
2 with the results of the recount if it remains a tie
3 Chris Bartony will remain the winner.

4 DIRECTOR LEONARD: Is there a motion
5 to declare Chris Bartony the winner in Republican
6 representative -- or member of Central Committee
7 Ward 55?

8 MEMBER SINNOTT: On the basis of the
9 coin toss, I move that Chris Bartony be declared
10 the winner of the Republican Central Committee
11 contest in Ward 55.

12 DEPUTY DIRECTOR PAYNE: Is there a
13 second?

14 MEMBER SEXTON: Second.

15 DEPUTY DIRECTOR PAYNE: All those in
16 favor of the motion signify by saying aye.

17 (Vote taken.)

18 DEPUTY DIRECTOR PAYNE: All opposed,
19 same sign.

20 (No response.)

21 DEPUTY DIRECTOR PAYNE: Motion
22 carries.

23 The next item on the agenda is
24 drawing for a potential recount in those three
25 races.

1 MEMBER SINNOTT: Before we do that,
2 you mentioned something about the way the official
3 results are organized that I'm not understanding.
4 Are there sections specific as to write-ins?

5 MS. PATTON: So the write-in
6 candidates in the report appear after all the
7 other. If there was a write-in in the race, they
8 appear later at the bottom of that party's section.
9 So if you're looking -- I'm assuming you're looking
10 for Republican Ward 55. It is on page 94, I
11 believe, of the report.

12 MEMBER SINNOTT: I see.

13 MS. PATTON: So as stated, we have
14 three races that are in the recount phase that are
15 within the one-half of one percent that qualify for
16 an automatic recount, the first one being Columbus
17 Ward 55. Five percent of the total ballots cast is
18 three votes. So we have four precincts in that
19 ward. So we have all four precincts represented in
20 this box. If we can have someone draw one
21 precinct. Any one precinct will meet the
22 requirement of the five percent. That precinct
23 will be hand counted. Provided the hand count
24 matches the scanned results, then we can rescan all
25 the other ballots in that race to confirm the

1 ballots.

2 Columbus 55A will be the precinct we
3 recount, which had a total of ten ballots cast in
4 that race.

5 The next race to be recounted is the
6 Republican Grove City Ward 4 county race. Again,
7 the number of ballots cast by a percent of that
8 would be 29 votes. Any one precinct will meet that
9 requirement.

10 Grove City 4B will be the Republican
11 precinct that we will recount for Grove City
12 Republican Ward 4.

13 The third and final recount is the
14 Democratic Grove City Ward 4 County Central
15 Committee race. Five percent of that race would be
16 38. And again, every precinct will surpass that
17 requirement.

18 And we will recount Grove City 4G
19 for the Democratic County Central Committee Ward 4
20 Grove City.

21 DEPUTY DIRECTOR PAYNE: Is there any
22 motion required there to do what we just did or was
23 there -- is there a need for a motion to concur
24 that we -- or are we good to go on that?

25 If so, then I think the next item is

1 to draw for an audit.

2 DIRECTOR LEONARD: Excuse me, David.
3 In our line by line there's a reference to
4 selecting certain precincts, a motion to select
5 certain precincts for the purpose of --

6 MEMBER SINNOTT: I move that the
7 Board adopt the selection of voting location
8 process and outcome that was just directed by the
9 staff.

10 DEPUTY DIRECTOR PAYNE: Is there a
11 second?

12 MEMBER MARINELLO: Second.

13 DEPUTY DIRECTOR PAYNE: All those in
14 favor of the motion signify by saying aye.

15 (Vote taken.)

16 DEPUTY DIRECTOR PAYNE: All opposed,
17 same sign.

18 (No response.)

19 DEPUTY DIRECTOR PAYNE: Motion
20 carries.

21 We ready to move on to the audit?

22 MS. PATTON: I believe we need a
23 motion to depict we're drawing the audit by
24 precinct and that we are performing a percentage
25 based.

1 DIRECTOR LEONARD: Yes. We need a
2 motion to select the method by which we are going
3 to conduct the audit.

4 MS. PATTON: We are seeking a motion
5 to be able to draw the precincts for the required
6 audit of the 2020 primary election to be done by
7 the method of a percentage-based audit using a
8 precinct draw.

9 MEMBER SEXTON: Is there a date on
10 that audit?

11 DEPUTY DIRECTOR PAYNE: That we
12 would begin that?

13 MEMBER SEXTON: Yeah.

14 MS. PATTON: We would begin the
15 audit on Wednesday next week, which is May 27th,
16 after the conclusion of the three recounts.

17 MEMBER SEXTON: Mr. Chairman, I
18 would move that the Board set the post-election
19 audit to begin May 27th until completed, as guided
20 here today by the Board staff, in accordance with
21 Secretary of State Directive 2012-56 to be held at
22 the Franklin County Board of Elections, 1700 Morse
23 Road.

24 CHAIRMAN PREISSE: Second.

25 DEPUTY DIRECTOR PAYNE: All those in

1 favor of the motion signify by saying aye.

2 (Vote taken.)

3 DEPUTY DIRECTOR PAYNE: All opposed,
4 same sign.

5 (No response.)

6 DEPUTY DIRECTOR PAYNE: Motion
7 carries. Motion carries.

8 Now we'll do the selection.
9 Correct?

10 MS. PATTON: Pursuant to the
11 directive from the Secretary of State, we will be
12 auditing the top of the ticket for the Democratic
13 Party and we have a spreadsheet over here that will
14 help us determine when we hit our target. The
15 second -- We have three races total that we need to
16 audit. The second race that we will do is we're
17 going to do the countywide issue that appeared on
18 the ballot for Columbus State, a bond issue. After
19 that -- That was the only other contested race in
20 the county that appeared countywide; therefore, the
21 directive directs us to the race that appears on
22 the most number of ballots within the county and
23 that would be the 3rd Congressional race. And we
24 have chosen to audit the Democratic ballot of the
25 3rd Congressional race. So we have three

1 spreadsheets that we'll draw for different
2 precincts for each one to get to our target.

3 DIRECTOR LEONARD: Again, the
4 Secretary of State's office requires us to do the
5 Democratic Presidential race, an audit of the
6 Democratic Presidential race. The directive
7 requires to us do a countywide election candidate.
8 Unfortunately, we don't have a countywide candidate
9 selection. So in that case the directive from the
10 Secretary of State requires us to use an issues
11 race, which is Issue 21. And then, finally, we had
12 two congressional races in the 3rd, one was the
13 Democratic 3rd Congressional race and one was the
14 Republican 3rd Congressional race; but we selected
15 the Democratic race because the Democratic race was
16 actually closer from a percentage standpoint than
17 the Republican 3rd Congressional race. And it
18 seemed to make sense that if we're going to do a
19 recount that you do the recount of the closest
20 contest, and that happened to be the Democratic
21 contest in the 3rd Congressional District.

22 MS. PATTON: So Jeff has three
23 10-sided dice up here. Each precinct for the whole
24 county Democratic Presidential race is on the
25 screen. We'll need a Democrat and Republican to

1 come up and roll the dice, witness the rolling of
2 the dice. As they are rolled, we'll announce the
3 number and key it in. And the number will -- on
4 the right-hand side would be we have a target
5 number of five percent of that race, ballots cast.
6 As we enter the precincts, you'll see how our
7 target -- as we approach our target the remaining
8 votes that need to be drawn will count down to
9 zero.

10 DEPUTY DIRECTOR PAYNE: I was going
11 to say, we could either have two Board members come
12 up or we could have a Democrat member join Jeff.

13 (Director Leonard joined
14 Mr. Mackey.)

15 MS. PATTON: The first number drawn
16 was 269, the second number drawn was 909, and the
17 third number drawn was 472. The next number drawn
18 is 310; 612; 765; 104; 897; 140; 198; 900; 243;
19 632; 583; 725; 338; 053; 815; 783; 931; 378; 452;
20 666; 703; 516; 682; 172; 417; 513; 969; 668; 323;
21 053, which we can't use; 080, which we cannot use;
22 532; 060 we cannot use; 825; 812; 447; 219; 800;
23 063, which we cannot use; 218; 966; 266; 905; 088;
24 965; 683; 127; 766; 957; 019, which we cannot use;
25 912.

1 Is that it?

2 MS. PATTON: Now we'll roll for the
3 Democratic Congressional race audit.

4 DIRECTOR LEONARD: 675; 439; 388;
5 796; 055 we cannot use; 943; 102; 425; 715; 041, we
6 can't use that; 835; 105; 741; 920; 791, too high;
7 916; 940; 460; 473; 960; 125; 483; 441; 266; 897;
8 903; 965; 272; 083; 073; 313; 598; 008; 368; 264;
9 699; 020; 925; 277; 410; 893; 949; 034; 286; 362;
10 585; 728; 422; 635; 365; 609; 312; 522; 578; 692;
11 552; 149. That's it.

12 MS. PATTON: Roll for the audit of
13 countywide Issue 21.

14 DIRECTOR LEONARD: 063; 099; 441;
15 504; 010; 555; 445; 582; 106; 582; 419; 486; 443;
16 192; 450; 935; 392; 044; 918; 505; 595; 954; 430;
17 959; 471; 092; 442; 533; 847; 829; 957; 983; 271;
18 616; 293; 690; 556; 661; 443; 709; 075; 467; 172;
19 302; 242; 290; 216; 340; 862; 696. That was it.

20 DEPUTY DIRECTOR PAYNE: I think
21 that's it.

22 I think there were some documents
23 that required signatures of the Board members. I
24 think those were passed down.

25 I think we're looking for a motion

1 to adjourn, then.

2 MEMBER SINNOTT: So moved.

3 CHAIRMAN PREISSE: Second.

4 DEPUTY DIRECTOR PAYNE: All those in
5 favor of the motion signify by saying aye.

6 (Vote taken.)

7 DEPUTY DIRECTOR PAYNE: All opposed,
8 same sign.

9 (No response.)

10 DEPUTY DIRECTOR PAYNE: Motion
11 carries.

12 We are adjourned.

March 17, 2020 Primary Election

Precinct Election Officials (3,452)

Payment (\$230,772.82)

TO: Ohio County Commissioners, County Boards of Elections and County Prosecutors

FROM: Frank LaRose, Ohio Secretary of State; Keith L. Faber, Ohio Auditor of State

DATE: April 10, 2020

RE: Partial precinct election official compensation for March 17, 2020 Primary Election

The Buckeye State can take great pride in our efforts to flatten the curve and shelter at home during the COVID-19 outbreak. State and local leaders have stepped up to provide timely information, taken swift action to protect Ohioans and remain committed to being level-headed about regulatory enforcement during this emergency.

It has come to the attention of Secretary of State LaRose and Auditor of State Faber that many county boards of elections are considering giving compensation to precinct election officials, commonly referred to as poll workers, despite the March 17, 2020 in-person voting portion of the 2020 primary election not proceeding as planned due to order of Ohio Department of Health Director Dr. Amy Acton. Secretary LaRose and Auditor Faber recognize and support the important role that poll workers play in the administration of Ohio elections in this way.

Boards of elections should be aware that, it is the longstanding position of the Auditor of State's office that public offices may only provide compensation where clear legal authority exists to do so and when actual services have been rendered. Recently, several county prosecutors and boards of elections questioned whether such payments might later be found impermissible by the Auditor of State.

Using our audit discretion, the Auditor of State will not make an adverse finding against a board of election compensating precinct election officials for the March 2020 Primary Election, where: the board of election takes action at a public meeting to authorize the payment of compensation to those precinct election officials who were trained and prepared to participate in, or who actually did perform some services in preparation for the March 2020 Primary Election; and, the board of election can provide some evidence during a subsequent audit to substantiate that each precinct election official so compensated met their service requirement as determined by the board. For example, a board may determine that the service requirement was met if the precinct election official attended training and traveled to their assigned polling location on March 17, 2020, because they were unaware of Dr. Acton's Order prohibiting the polls from opening on March 17, 2020. Simply put, the boards can establish criteria that merits payment under this unique situation and then provide evidence that each worker so paid met that standard. Additionally, it should be noted that under Section 3501.28 (E) of the Ohio Revised Code, a board of elections has authority to provide compensation to precinct officials – including the option of paying less than the full per diem where the precinct election official works less than the full election day.

Thus, in accordance with this memorandum and the per diem compensation amount determined and published by the Secretary of State, both Secretary LaRose and Auditor Faber support the decision of those boards of elections who opt to provide compensation to precinct election officials for their actual efforts in preparation for March 17, 2020 in-person voting.

POLICY FOR PAYMENT OF ELECTION DAY PRECINCT ELECTION OFFICIALS

The policy of the Franklin County Board of Elections is to pay precinct election officials half of regular election day wages to those officials who had received poll worker training and registered with the Franklin County Board of Elections by March 3rd (**EXHIBIT B**) a preparedness to work on Election Day, March 17th 2020. The evidence of eligibility for such payment is the precinct election official's completion of training and the appearance of the official on the Board's March 3, 2020 roster of precinct election officials expected to work on March 17th, 2020.
