FRANKLIN COUNTY BOARD OF ELECTIONS

REGULAR MEETING

- - -

IN RE: :
:
Board Meeting :

- - -

October 7, 2024

PROCEEDINGS OF

THE FRANKLIN COUNTY BOARD OF ELECTIONS

before Chairman Douglas J. Preisse, Director Antone White, Deputy Director David Payne, and Board Members Kimberly E. Marinello, Michael Sexton, and Meredith Freedhoff, on Monday, October 7, 2024, commencing at approximately 3:10 p.m., and concluding at approximately 3:46 p.m.

- - -

HIGGINS & ASSOCIATES
4889 Sinclair Road, Suite 102
Columbus, OH 43229-5433
614.985.DEPO(3376) 888.244.1211

1 APPEARANCES:

2 Brian Gagrocki, Esquire
3 Franklin County Prosecutor's Office
4 373 South High Street, 13th Floor
5 Columbus, Ohio 43215,

6 On behalf of the Board.

7 Also present:

8 Erin Gibbons
9 Matt Kelly
10 Carla Patton
11 Sara Ziemba
12 Gretchen James

Monday Afternoon Session
October 7, 2024
3:10 p.m.

- - -

DEPUTY DIRECTOR PAYNE: It looks like we have a quorum. But I will go ahead and take roll.

Kim Marinello.

MEMBER MARINELLO: Here.

DEPUTY DIRECTOR PAYNE: Mike Sexton.

MEMBER SEXTON: Here.

DEPUTY DIRECTOR PAYNE: Doug Preisse.

CHAIRMAN PREISSE: Here.

DEPUTY DIRECTOR PAYNE: Meredith Freedhoff.

MEMBER FREEDHOFF: Here.

DEPUTY DIRECTOR PAYNE: We have a quorum, Mr. Chairman.

The first item on the agenda is the approval of minutes for the September 9, 2024 meeting of the Franklin County Board of Elections. I believe we sent out copies of the minutes for you to take a look at.

MEMBER MARINELLO: Mr. Chairman, I

1 move that the Board approve the minutes from the
2 September 9, 2024 meeting of the Franklin County
3 Board of Elections as submitted.

4 CHAIRMAN PREISSE: Doug Preisse,
5 second the motion.

6 CHAIRMAN PREISSE: It's been
7 properly moved and seconded. All those in favor of
8 the motion signify by saying aye.

9 All opposed same sign.

10 Motion carries.

11 The next item on the agenda we have
12 a voter challenge. And I believe we have Charles
13 Morrison here. And I will call on Sara Ziemba, the
14 supervisor of Voter Services, to give us an
15 overview of the challenge by Mr. Morrison.

16 MS. ZIEMBA: Thanks, David.

17 Good afternoon everyone. I'm Sara
18 ZIEMBA, supervisor of the Voter Services
19 Department. And I will give you a brief overview
20 of the information regarding the challenge against
21 Mr. Nigell Kelso, brought to us today by Charles
22 Morrison, both registered at 4734 Funston Court,
23 Columbus, Ohio, 43232.

24 Mr. Kelso originally registered to

1 vote at 4734 Funston Court on 2-15-2007. Mr. Kelso
2 had one address change and then no activity
3 following that 2008 registration change. So his
4 record was removed in 2013.

5 And then Mr. Kelso re-registered at
6 4734 Funston Court on 7-3-2015 on a paper form that
7 was collected by the office of the Ohio Secretary
8 of State. And that was what led to him being
9 registered at 4734 Funston Court and what brought
10 the challenge from Mr. Morrison here today.

11 And there's a pattern of voter
12 acknowledgement letters, confirmation notices, and
13 other mail that the Board sends to voters regularly
14 to make sure that they're registered where they say
15 they are to confirm their registration. And all of
16 that for Mr. Kelso came back to the Board
17 undelivered. And that's what you are seeing in
18 your documents there. There's an acknowledgement
19 notice, confirmation notice, and another
20 confirmation notice sent to Mr. Kelso in 2008 and
21 2023. And then, of course, 2015 and 2007 when he
22 first registered, all of those notices came back to
23 us undelivered as addressed, and unable to be
24 forwarded at the post office to some other address

1 for Mr. Kelso. Mr. Kelso has never voted in
2 Franklin County. He did, however, sign three
3 petitions, which sort of kept his registration
4 active. Those are listed on the overview there, if
5 you're interested in that. But other than those
6 three petition signatures, Mr. Kelso has not had
7 any voter activity since 2016.

8 In January of 2023, we sent a -- the
9 Board sent Mr. Kelso a confirmation notice to 4734
10 Funston Court because of inactivity. And that
11 confirmation notice was sent back to the Board
12 undelivered as addressed.

13 Mr. Morrison has registered to vote
14 at 4734 Funston Court, Columbus, 43232 on
15 October 5, 2023 through an online registration.
16 And Mr. Morrison has voted most recently from that
17 address for the November 2023 General Election.
18 Based off of the pattern of acknowledgement letter,
19 confirmation notices coming back to the Board
20 undelivered, the lack of voter activity from
21 Mr. Kelso, voter services found nothing on file to
22 contradict Mr. Morrison's assertions on his
23 challenge form that Mr. Kelso does not live at 4734
24 Funston Court. And so, therefore, voter services

1 recommends the Board uphold the challenge after you
2 talk to Mr. Morrison today.

3 MEMBER MARINELLO: Sara, the
4 original challenge for right to vote that
5 Mr. Morrison filled out it says 4737 Funston.

6 DIRECTOR WHITE: It's a four and
7 it's cut off.

8 MS. ZIEMBA: Yeah, we have them at
9 4734.

10 DIRECTOR WHITE: At the top of the
11 voter challenge form it looks like 4737, I think
12 that's supposed to be a four, though.

13 MS. ZIEMBA: It is a four. I gave
14 my copy of the challenge form to Erin. I'm sorry.
15 Maybe I cut it off when I copied it. Sorry.

16 MEMBER SEXTON: It does that say
17 below 3734.

18 MS. ZIEMBA: Where we have them both
19 registered is at 3734 Funston Court.

20 MEMBER FREEDHOFF: Sara, when we or
21 if we say we accept this, is he no longer -- will
22 he be flagged from signing petitions?

23 MS. ZIEMBA: He can sign a petition,
24 but when it comes back to be verified by the Board,

1 it will be marked as not registered and that
2 signature won't count.

3 MEMBER FREEDHOFF: Whereas these
4 three signatures that are listed there did count,
5 because he was registered -- or is still registered
6 at the time he signed it.

7 CHAIRMAN PREISSE: The last one was
8 nine years ago it looks like.

9 MS. ZIEMBA: Yep, 2016.

10 CHAIRMAN PREISSE: So do we wish to
11 hear then from Mr. -- do we have any more
12 questions? Do you wish to hear from Mr. Morrison?
13 He's here.

14 Would you like to address the Board?
15 We would invite you to.

16 MR. MORRISON: Sure.

17 CHAIRMAN PREISSE: Please do.

18 For the record, will you allow the
19 court reporter to swear you in?

20 - - -

21 CHARLES MORRISON,
22 being by me first duly sworn, as hereinafter
23 certified, and says as follows:

24 MR. MORRISON: I'm Charles Morrison.

1 I live at 4734 Funston Court, Columbus, it's
2 Madison Township. And I moved in there about 2018.
3 I purchased it from somebody else who is not Nigell
4 Kelso. And as far as I know he's never lived at
5 that address. And the previous time, 2023 or
6 something, you sent out a notice for him. I got
7 it, looked at it, and I looked him up in the voter
8 registration list, found out he wasn't there, and
9 he hadn't voted in a while. Did an online search,
10 and the only one by that name that I could find
11 was, I think, in a prison in Texas. And I'm not
12 sure if it's the same person. I tried to find out.
13 And I thought, well, this is supposed to be purged
14 after so much this length of time. I knew that
15 from other things I'd done in the past. So then I
16 got it in the mail again, and I thought, well, this
17 is a potential for voter fraud; so I probably ought
18 to do something about it. And I got kind of
19 irritated about it. I just decided to do
20 something. I found out this is the way to do it,
21 and I'm here.

22 Do you have any questions for me?

23 CHAIRMAN PREISSE: Questions?

24 MEMBER SEXTON: Just one, how long

1 have you lived at the address, sir?

2 MR. MORRISON: Since 2018, about six
3 years.

4 CHAIRMAN PREISSE: Well, we thank
5 you for your diligence, and staying on top of the
6 matter that you noticed. We appreciate it.

7 MR. MORRISON: Yep. I didn't want
8 to get it in the mail and have to research it and
9 all of that stuff.

10 CHAIRMAN PREISSE: Thank you.

11 MEMBER MARINELLO: Thank you.

12 CHAIRMAN PREISSE: I don't have any
13 comments or questions beyond that. Anybody else?

14 MEMBER MARINELLO: No, I don't.

15 CHAIRMAN PREISSE: I don't think
16 Mr. Kelso is here. He was notified repeatedly,
17 right, Sara?

18 MS. ZIEMBA: Yes.

19 MEMBER SEXTON: Okay. Well, if
20 there's no other questions, Michael Sexton, I move
21 the Board approve the challenge of the right to
22 vote filed by Charles Morrison of 4734 Funston
23 Court, Columbus, Ohio, against Nigell Kelso of the
24 same address, and order that Nigell Kelso's

1 registration be removed from the Franklin County
2 BOE voter file.

3 CHAIRMAN PREISSE: Doug Preisse,
4 second the motion

5 DEPUTY DIRECTOR PAYNE: It's been
6 properly moved and seconded. All those in favor of
7 the motion signify by saying aye.

8 All opposed same sign.

9 Motion carries.

10 The next item on the agenda is the
11 voter information guide, and I will turn it over to
12 Gretchen James, who is our Social Media Coordinator
13 as well as our Community Affairs Director.

14 MS. JAMES: Good afternoon, Chairman
15 Preisse, Board Members, and Director.

16 I'm coming before you today seeking
17 your approval for our voter information guide. As
18 you may recall, this voter information guide is
19 something we are doing annually in advance of the
20 General Election in order to inform our voters of
21 critical deadlines and information that they need
22 going into the election.

23 On your desk I've left you a copy of
24 the guide. The very top attachment is the actual

1 size. And that is what will be going out in the
2 mail.

3 The second attachment that I left
4 with you is to show you how creative we've been
5 this year. So when our voters receive this guide
6 and they unfurl it, there will be a plea to be a
7 poll worker. So for registered voters who are not
8 in our high priority targeted areas, they will
9 receive the flyer that you see on that handout that
10 I've given you. For voters in our areas of high
11 focus, I've also shared with you the specialized
12 poll worker plea that we've included. So the areas
13 that you see there are historically low performing
14 for poll worker recruitment turnout across the
15 board, but specifically for our Republican --
16 registered Republicans. So this is part of our
17 ongoing efforts to boost our recruitment and have
18 more engaged voters serving as poll workers.

19 Any questions?

20 CHAIRMAN PREISSE: There's a lot of
21 stuff here to absorb, give us a few minutes.

22 MS. JAMES: Absolutely.

23 DEPUTY DIRECTOR PAYNE: So can you
24 tell us the areas that -- I know Obetz, where we

1 are underperforming as far as recruitment of
2 Republican poll workers?

3 MS. JAMES: Yes. So our areas of
4 under performance are Obetz, Grove City, Groveport,
5 Canal Winchester.

6 DEPUTY DIRECTOR PAYNE: Okay.
7 When is the deadline for absentee
8 ballots?

9 DIRECTOR WHITE: October 29th, a
10 Tuesday.

11 MEMBER FREEDHOFF: Where does the
12 barcode take you, to our Board website? Or QR
13 code.

14 MS. JAMES: QR code. So the QR code
15 on this one will take you directly to our website.
16 But it is hyper focused to take you to our poll
17 worker page where it explains to you why you are
18 necessary, and why our registered voters are so
19 critical for them to participate.

20 Oh, and from that page, they can
21 also just go ahead and directly apply.

22 DEPUTY DIRECTOR PAYNE: And this
23 also tells voters where their polling location is?

24 MS. JAMES: Correct. Thank you,

1 Deputy Director.

2 So the mailer, when it is in the
3 mail and arrives at the voter's address, in this
4 highlighted field here, there will be information
5 about their polling location. So should they
6 choose to go vote on election day, it will have the
7 name and the full address of their community-based
8 polling location.

9 Additionally, we were able to, in
10 our important election information, include an
11 update about identification. Apple Wallet, working
12 with the Ohio BMV, has recently launched mobile
13 Ohio ID. Unfortunately, for voting purposes, that
14 ID is not acceptable. We do not consider that
15 valid in that digital format. So you still must
16 bring that physical copy of your identification.
17 And just to be super helpful, we also share what
18 those type of identifiers are.

19 Oh, and lastly, we were also able to
20 include information on how you find your sample
21 ballot. We find that a lot of voters get confused
22 navigating that process, because we give them their
23 full voter history, and they must scroll down to
24 the bottom of that voter history for their sample

1 ballot that's attached to their precinct and
2 specific community.

3 DEPUTY DIRECTOR PAYNE: We're really
4 encouraging people to look at their sample ballot
5 before they come in because of Issue 1. If they
6 are reading Issue 1 for the first time when they
7 come in, that's going to take quite a while.

8 CHAIRMAN PREISSE: The size you held
9 up is the size of the mailing?

10 MS. JAMES: Correct.

11 CHAIRMAN PREISSE: You did this
12 because we are old and we can see it better.

13 MS. JAMES: I have cheaters, too.
14 So the enlarged was to show all of the specific
15 graphics in detail.

16 CHAIRMAN PREISSE: Right.

17 MEMBER FREEDHOFF: When will these
18 come out?

19 MS. JAMES: So they will be going
20 out on the 9th, that is the drop to the post
21 office. And we anticipate all of them being in the
22 mailboxes no later than the 14th.

23 MEMBER MARINELLO: Very informative.

24 CHAIRMAN PREISSE: Nice job.

1 MS. JAMES: Thank you.

2 CHAIRMAN PREISSE: Looks to me, what
3 do you guys think?

4 MEMBER FREEDHOFF: Chairman,
5 Meredith Freedhoff, I move the Board authorize the
6 purchase and mailing of 505,351 Voter Information
7 Guides from Baesman in the amount of \$62,865.

8 MEMBER MARINELLO: Second

9 DEPUTY DIRECTOR PAYNE: It's been
10 properly moved and seconded. All those in favor of
11 the motion signify by saying aye.

12 All opposed same sign.

13 Motion carries.

14 The next item on the agenda is the
15 traffic mitigation plan that is required by the
16 Ohio Secretary of State's office. And I will turn
17 that over to Matt Kelly, our Absentee Manager and
18 Early Vote Center Manager.

19 Matt.

20 MR. Kelly: Good afternoon,
21 Mr. Chairman, Members of the Board.

22 As David indicated, this is a
23 required sign off that is needed by the Secretary
24 of State's office. In many ways the Board has

1 already approved this package, but it's been more
2 of a piecemeal as we have been hiring traffic
3 parking companies and ordering signs, and those
4 type of things that will help us with our traffic
5 control this election.

6 But just to give you some context
7 and background, I've supplied a few numbers here.
8 And that's how we do things, we look at the math.
9 If you look at the math of the parking spaces
10 available here in our complex, in our Morse/Karl
11 Road complex, there are 500 regular parking spaces
12 available in this complex. However, there's about
13 110 of these spaces that aren't as accessible as
14 the others. Those are located on the far west and
15 far east sides of our complex. And there's 60
16 other spaces that are located directly behind our
17 building.

18 So if you subtract those spaces out
19 from the 500 general parking spaces that are
20 available, you will quickly see that we have around
21 330 parking spaces that are more of our premium,
22 high accessible parking spaces for the general
23 public. And those are facing the building, the
24 south side of the building facing the parking lot.

1 Those are premium spots.

2 So if you start doing the math a bit
3 little further, we are expecting thousands of
4 voters each day coming here to early vote, you can
5 quickly see how 330 spaces will not accommodate
6 thousands of people if we have those spaces already
7 captured by other entities or other people parking.
8 Being campaigns, employees, or other people just
9 parking in our lot without authorization. So the
10 only way to get to a point where you can vote
11 thousands of people a day is to do a couple things.
12 One is to minimize the long-term parkers. Make
13 sure we don't have any long-term parkers that park
14 there all eight hours or 10 hours a day. And the
15 other thing is that we need to maximize our
16 short-term parkers and turn over those parking
17 spaces a few times an hour. Hopefully, four or
18 five times an hour. So our parking plan from the
19 very, very beginning is based on that concept to
20 make sure our long-term parkers have another
21 alternative, and to maximize the use of our parking
22 spaces for the short-term, and making sure we can
23 use multiple spaces per hour.

24 So the things we've done to

1 accommodate all of that, minimize long-term use of
2 space, we have made arrangements to have all Board
3 employees park offsite and use a shuttle service.
4 Right there, that's 200 some cars immediately that
5 are no longer parking in our parking lot but across
6 the street. They won't be taking up spaces for
7 eight, 10, 12 hours a day. That's important we
8 have all of our Board of Elections staff, from the
9 Director, Deputy Director all the way down to me.

10 CHAIRMAN PREISSE: All the way down
11 to you?

12 MR. KELLY: All the way down to me.
13 Park across the street and we take the shuttle bus
14 in. It only takes a few minutes. I've even walked
15 it a few times, it's about seven minutes on foot.
16 It's not that bad.

17 We've also created a dedicated
18 drive-thru location with tents or drop-off tents,
19 where we have bipartisan teams stationed in the
20 tent. Again, if we have a DropBox on site and it's
21 open for business, we don't want our voters parking
22 in a parking spot, then walking up to the building,
23 and going back to their car. We would rather have
24 that parking space available for voters coming to

1 early vote, and have them drive up the corridor and
2 drop off their materials, be it an application or
3 absentee ballot, or a ballot and making them sign a
4 station form, all of that is planned into having a
5 ballot tent, and keeping those spaces open for
6 voters.

7 We also have also placed 20 new no
8 campaign parking, no candidate parking, towing
9 enforcement signs throughout the parking lot. A
10 lot of times we have campaigns that want to park
11 across three or four spaces with a flatbed truck
12 and put their candidate's logo up there. We don't
13 allow that. We need the spaces for voters. So by
14 doing those three things alone we are minimizing
15 any long-term parking at the Board and saving
16 spaces for our voters.

17 Then to maximize the traffic flow,
18 promote efficient entry and exit for the parking
19 spaces and areas, we've hired a traffic control
20 team. We designed the parking lot to be more one
21 way in flow. So we get people in and out of
22 parking spaces a lot easier. You've probably seen
23 the electronic signs we've already placed telling
24 people where there's overflow parking down there,

1 where the ballot tent is, that way, and where we
2 have curbside voting.

3 We are using the Columbus Police
4 Department on busy days to cue the light. A lot of
5 you know if you are turning in from Morse Road into
6 the complex, that light can be long sometimes, or
7 it's a long wait before you can turn in. So if we
8 do have traffic backed up on Morse Road, it really
9 gets backed up to Karl or even beyond sometimes
10 when we are busy. So having a Columbus police
11 officer there cueing the light, they help us
12 control the turn signal light so people have more
13 time to turn into the property and aren't sitting
14 in a turning lane.

15 We also have freshly painted parking
16 spaces. I don't know if you've noticed when you
17 came in, the parking lot has been freshly painted,
18 it looks nice. That will help hopefully with
19 people understanding where they can park very
20 easily. And the fire lanes marked with the
21 diagonal lines.

22 On top of that, we've also added
23 some safety and security items, where we have a
24 dedicated area for curbside building around the

1 side of the building. That doesn't get used a lot
2 anyway. So we have our curbside dedicated parking
3 spaces over to the east side of the complex
4 building, the building in the complex. And you've
5 seen the orange water-filled barriers we've set up.
6 That's more of a line protection thing we offer.
7 We put that there to help control the line. So the
8 line is not spilling across on the sidewalk or into
9 the parking spaces or parking lot. And it kind of
10 keeps a nice barrier where we have to tell
11 campaigners that they can't go more than 10 feet.
12 If kind of helps with campaigning in line as well.

13 So all of those things have been
14 baked into this grand parking mitigation plan that
15 we are required to put in front of the board. As I
16 said, a lot of the items you've already seen or
17 voted on, and we appreciate your support on those
18 items because it does make a real difference.

19 MEMBER FREEDHOFF: Matt, is there
20 only one entrance into the parking lot?

21 MR. KELLY: Well, it depends on how
22 you drive. There are a number of ways to turn into
23 our complex area. If you're traveling westbound on
24 Morse Road, you can pull in by Firestone and use

1 the access road to access the property. Or the
2 next entrance going westbound would be at the main
3 entrance at the light. You can even go up to Karl
4 and turn right, and then take another right over by
5 Huntington National Bank and the old tire store,
6 and there's an entrance over there. Again, there's
7 an access road that there's many points of entry
8 there. But we try to accommodate for all of that
9 with signage and make sure people know where they
10 can enter and exit the property.

11 MEMBER FREEDHOFF: What's your
12 recourse in the event that someone is coming in,
13 and they're not voting, but they insist on parking
14 there?

15 MR. KELLY: Well, I'm usually out in
16 the parking lot a lot. And we do have a deputy
17 sheriff that can come with me sometimes. But the
18 managers of early vote will let me know or they'll
19 let the deputy know, and we will go out and address
20 that as we can. If there's no one in the car, we
21 will wait to find out who owns the car if we can.
22 But we do have a trespass notice, we can use our
23 trespass privileges if we need to get the car
24 towed.

1 MEMBER FREEDHOFF: How long do you
2 consider long for the car to be there?

3 MR. KELLY: I would say more than an
4 hour. Unless they are reading every single thing
5 on the ballot.

6 DIRECTOR WHITE: Towing is a last
7 option for us. We obviously want to be sensitive
8 to that. But if we know there are people who are
9 not here for Board business or vote, that's an
10 option we have. We have utilized it, not often,
11 but there's some circumstances that require it.

12 MEMBER FREEDHOFF: I think it would
13 be really hard to keep track of 300 cars in a lot,
14 and know when they got there and when they left.

15 DIRECTOR WHITE: Yeah, we have a lot
16 of eyes and ears outside, between our traffic
17 control team, our Homeland Security volunteers, who
18 come from Franklin County Homeland Security,
19 emergency management. So they are on site, as well
20 as deputy sheriffs. And we have staff that
21 regularly walk the parking lot. Deputy Director
22 and I regularly walk the parking lot. There's a
23 number of ways to recognize who should be there and
24 who shouldn't.

1 MR. KELLY: There are tells, I
2 guess, by day three, if the same car has been
3 there, and you don't recognize the car or the
4 bumper sticker, whomever, you see it on day three,
5 you kind of have an idea they're not doing what
6 they should be doing.

7 MEMBER SEXTON: What are the parking
8 arrangements in relation to the curbside voting?

9 MR. KELLY: Curbside voting is a
10 dedicated area. We have up to 20 spaces and we
11 have cueing space for people in cars to get in line
12 when we are really, really busy. We will have
13 limited access there. We will have some of our
14 Homeland Security volunteers, as well as our
15 curbside employees, that will be motioning for cars
16 to come in and park at curbside voting station one,
17 two, three, four, et cetera. So we will be
18 managing that traffic flow as the curbside voters
19 approach that area, and making sure they have a
20 place to park where our team will come out and
21 service the car. Unless all 20 would be filled,
22 then we cue up the cars. So the cars are next in
23 line as soon as one pulls out another one can pull
24 in.

1 MEMBER SEXTON: So we have 20 spots
2 just for curbside?

3 MR. KELLY: Yes.

4 MEMBER SEXTON: Thank you.

5 CHAIRMAN PREISSE: Okay. I don't
6 have any questions. Sounds like you have a great
7 plan, and as soon as it is implemented something
8 will go wrong. That's what happens, because people
9 are people. Right?

10 MR. KELLY: Correct.

11 MEMBER FREEDHOFF: Chairman,
12 Meredith Freedhoff, I move that the Board adopt the
13 traffic mitigation plan as required by the Ohio
14 Secretary of State.

15 MEMBER SEXTON: Michael Sexton, I'll
16 second.

17 DEPUTY DIRECTOR PAYNE: It's been
18 properly moved and seconded. All those in favor of
19 the motion signify by saying aye.

20 All opposed same sign.

21 Motion carries.

22 The next item on the agenda is the
23 paper ballot allocation for the November 5th
24 General Election. And I will call on Carla Patton,

1 our operations manager, to give an overview of
2 that.

3 MS. PATTON: Good afternoon. Before
4 you is Exhibit A, which is the final paper ballot
5 allocation for the 2024 General Election. From the
6 last time that we heard the -- saw this exhibit
7 there have been no changes. So the requirements
8 set forth by the Secretary of State within the
9 election official manual has been met regarding the
10 provisional ballots, as well as paper by choice
11 ballots for our system. With the allocation there
12 are a total of 129,825 preprinted paper ballots
13 that are going out to the polling locations on
14 Election Day. There are no changes because paper
15 ballot allocations are calculated based on previous
16 like elections. Which we went back to 2012 and
17 2016 as our higher turnout elections for
18 provisional and election day ballots.

19 So we ask you adopt the paper ballot
20 allocation plan as submitted before you today.

21 CHAIRMAN PREISSE: Thank you, Carla.
22 Questions? Concerns?

23 MEMBER SEXTON: Standard question,
24 this is the same version we had at the last

1 meeting?

2 MS. PATTON: Yes, sir.

3 CHAIRMAN PREISSE: Very well.

4 MEMBER FREEDHOFF: Meredith

5 Freedhoff, I move the Board adopt the paper ballot
6 allocation formula in Exhibit A compiled by the
7 Board staff for the November 5th General Election.

8 MEMBER SEXTON: Michael Sexton, I
9 will second.

10 DEPUTY DIRECTOR PAYNE: It's been
11 properly moved and seconded. All those in favor of
12 the motion signify by saying aye.

13 All opposed same sign.

14 Motion carries.

15 CHAIRMAN PREISSE: David, I am going
16 to introduce our guests.

17 It's been pointed out to me that we
18 have two guests, I think they're still in the room,
19 that we would like to acknowledge and welcome. I
20 am going to try to say it in my proper Norwegian,
21 Dag Hellesund, from Norway, Limited Election
22 Observation Mission member. And his colleague,
23 Ivana Krstie.

24 MS. KRSTIE: Perfect, sir. Thank

1 you.

2 CHAIRMAN PREISSE: And welcome, both
3 of you, to our proceedings today, and your other
4 professional activities. So thanks for being here.
5 It was just pointed out to me you were here, and we
6 wanted to welcome you both.

7 What do you do back home? Are you
8 involved in politics, elections?

9 MS. KRSTIE: First of all, thank you
10 very much for this warm welcome, and for accepting
11 us. We really are honored to be in Ohio.

12 At home, I'm not dealing with
13 politics at all. I'm actually a musician. Yes,
14 I'm a jazz pianist.

15 CHAIRMAN PREISSE: Okay. I would
16 rather see you after work than during the day.

17 And Dag?

18 MR. HELLESUND: I have to disappoint
19 you, I work at the University of Bergen. I do, of
20 course, for elections, I work as you, on the
21 election board.

22 CHAIRMAN PREISSE: Okay. Well, we
23 are glad you are both here. And thanks for the
24 work you are doing here and elsewhere around the

1 world.

2 MR. HELLESUND: Thank you.

3 CHAIRMAN PREISSE: Back to our
4 official schedule, please.

5 DEPUTY DIRECTOR PAYNE: I'll ask
6 Carla to stay up there, talking about our voting
7 machine and Touch Pad allocation for the November
8 5th General Election.

9 MS. PATTON: You have Exhibit B in
10 front of you there. Now, there were some changes
11 in this allocation. As it was previously stated at
12 a previous board meeting, when the initial
13 allocation was presented, we had purposely left
14 about 40 pieces of equipment not allocated at that
15 time in anticipation of some increases in the voter
16 registration numbers. Equipment is allocated based
17 on voter registration totals. So we have reran the
18 calculations, and using the same formulas as
19 before, the numbers did not change in terms of the
20 voters per machine. But with the increase of voter
21 registration, there were 35 pieces of equipment
22 that were added to the allocations throughout the
23 county, and about 25 locations received additional
24 equipment. And that was in the express vote and

1 the express vote kiosk. So instead, we are now
2 looking at deploying a total of 3,304 marking
3 devices. Which was an increase of 10 of the
4 tabletop units, and an increase of 25 of the kiosk
5 machines. Allocations for the Touch Pads and the
6 DS200 ballot counters did not change as the
7 thresholds were not large enough to require change
8 in that.

9 So with that, we would ask that you
10 approve Exhibit B, which is the final voting
11 machine and Touch Pad allocation for the 2024
12 General Election.

13 DIRECTOR WHITE: And, Carla, can you
14 remind the Board what the formula is?

15 MS. PATTON: Yeah. So the table
16 tops were allocated one for every 320 voters. The
17 kiosk -- and that's where I ran the numbers. So
18 instead of including additional tabletops, we
19 shifted those to kiosk machines for ease of -- a
20 little easier for deployment. And we have more of
21 the kiosks that were available to go out at this
22 time. So again, running that, basically the
23 express vote table top is one for every 320 voters
24 is what resulted in an increase of the equipment to

1 go out.

2 CHAIRMAN PREISSE: Gotcha. Sounds
3 good to me.

4 MEMBER MARINELLO: Mr. Chairman, I
5 move that the Board adopt the voting machine and
6 Touch Pad allocation formula in Exhibit B compiled
7 by the Board staff for the November 5th General
8 Election.

9 CHAIRMAN PREISSE: Doug Preisse,
10 second the motion.

11 DEPUTY DIRECTOR PAYNE: It's been
12 properly moved and seconded. All those in favor of
13 the motion signify by saying aye.

14 All opposed same sign.

15 Motion carries.

16 I don't show anything else on the
17 agenda.

18 CHAIRMAN PREISSE: Who wants the
19 honor to move to adjourn?

20 MEMBER MARINELLO: So moved.

21 MEMBER FREEDHOFF: Second.

22 DEPUTY DIRECTOR PAYNE: Seeing no
23 objection, we are adjourned.
