- Only those students who will be 18 on or before the upcoming Election need to complete a “Voter Registration” form. [Paper Voter Registration Form](#) or [Online Voter Registration](#)
- The information will remain only with the Board of Elections and will not be shared with other parties.

Step 2:

- Poll Worker Training Sessions- The Board of Elections will schedule a training at your high school if you have at least 15 students participate. These trainings will be 2 hours in length (training is mandatory).
- Encourage eligible students to vote absentee, since they will be at the polls all day on Election Day and are unlikely to work at the precinct where they would vote.

Step 3:

Remind students that, on Election Day, they must:

- Work all day from 5:30AM until excused on Election Day, which is usually 8:30PM but could be later.
- Act in a nonpartisan manner (no political buttons, badges, pencils, or t-shirts).
- Dress in appropriate attire. A Youth at the Booth T-Shirt will be provided.
- Fully participate as Poll Workers, as students will have the same duties as adults. Students may be given a letter of recommendation if the Voting Location Manager indicates that the student fulfilled their duties well on Election Day.
- Bring lunch, dinner, snacks, beverages, and homework or reading materials.
