### **Issues Filed for General Election**

**(Columbus)** More than 20 tax issues and liquor options will be on local ballots throughout Franklin County in the Nov. 2, 2010 general election. Issues submitted by a 4 p.m. filing deadline today include proposed charter changes and requests for continued or increased spending for cities, school districts, libraries and safety forces.

A complete list of filings will be posted online at <http://vote.franklincountyohio.gov>.

Today's filing deadline was the earliest ever for a countywide election. A recent change in state law requires that issues be filed 90 days prior to an election – up from the previous 75 day deadline – to accommodate a new federal start date for boards of elections to mail absentee ballots to military and civilian voters overseas.
