Franklin County Moving 16 Voting Locations for May 2 Primary Election

(Columbus) Postcards will be mailed tomorrow informing more than 31,000 Franklin County voters of their polling location being changed for the May 2 primary election. That equates to roughly four percent of those registered countywide.

Sixteen locations are changing for various reasons and were not available for use in this election. The changes only involve polling locations open on May 2.

Each postcard lists the name, address and precinct of the new voting location as well as the legislative and school districts it covers. The board of elections will have signs posted at former voting sites to redirect voters to their new location. Voting locations are also available under the Sample Ballot link on our website www.vote.franklincountyohio.gov.

Voters still have the option of voting early by mail or in-person at the board of elections beginning Tuesday, April 4 through Monday, May 1 by 2:00pm.

Close of Registration for the May 2, 2017 Primary is at 9:00 p.m. on April 3, 2017
