Franklin County Board of Elections Mails 38K Voter Notification Cards

(Columbus) Notification cards were mailed this week informing 38,472 Franklin County voters that their precinct or voting location has changed for the March 17th Primary Election. That equates to roughly four percent of those registered countywide.

New voting locations will account for 26,919 of the notifications while the remaining 11,553 will go to registered voters whose voting location name has changed. These voters' will stay in the same voting location they were in the previous election.

Each postcard lists the name, address and precinct of the voting location as well as the legislative and school district it covers. Voting locations are also available to view when looking up the Sample Ballot link on our website, <http://vote.franklincountyohio.gov>.

Voters still have the option of voting early by mail or in-person at the board of elections beginning Wednesday, February 19th through Monday, March 16th at 1700 Morse Road. Applications for an absentee ballot can be obtained through our website or by calling the board's absentee department at 614-525-3470. Absentee ballots already requested will be mailed out on the first day of early voting February 19th.

Close of registration for the March 17th Primary Election is 9:00 p.m. on **February 18th, 2020**.
