Absentee Ballot Request Forms Available at Franklin County Kroger Stores

Kroger is partnering with the Franklin County Board of Elections allowing absentee ballot applications to be placed at all 37 Franklin County Kroger locations. The absentee ballot applications will be located at Kroger customer service desks. "We are pleased to provide applications to registered Franklin County voters, the first step for voters who want to receive a ballot by mail. We are thrilled to work with Kroger's in this unique public/private partnership," said Ed Leonard, Director.

For the extended March 17 Primary Election, voters have until noon on Saturday, April 25th to request an absentee ballot, but are urged to get their request forms in as soon as possible. After receiving a request form, the board will mail a ballot to all eligible voters with a postage-paid return envelope.

Detailed information is available on the Board's website: <http://vote.franklincountyohio.gov>
