Franklin County Board of Elections Releases Unofficial Election Results for the November 3, 2026 General Election

Columbus, OH – The Franklin County Board of Elections has completed the unofficial count for the November 3, 2026 General Election. Unofficial results show 511,532 total ballots cast through early in-person voting, absentee voting by mail, and Election Day voting.

An additional 19,486 provisional ballots remain subject to eligibility review and are not included in the unofficial results. Results are available at https:/www.vote.franklincountyohio.gov.

Ohio law allows up to 21 days after Election Day to complete the official canvass and certify election results. During the official canvass, bipartisan election staff reconcile the number of voters with ballots cast, investigate and resolve discrepancies, determine the eligibility of provisional ballots before they are opened and counted, and prepare all remaining eligible ballots for inclusion in the official results. Eligible military and overseas absentee ballots can be returned by mail and accepted by Saturday, November 7 at 5:00 p.m.

Voters who cast a provisional ballot and were instructed to cure their ballot by providing additional information must do so by Saturday, November 7 at the Franklin County Board of Elections, 1700 Morse Road. The office will be open from 8:00 a.m. to 5:00 p.m. Wednesday through Saturday to assist voters.

The Franklin County Board of Elections will meet on Thursday, November 19 at 9:00 a.m. to determine the eligibility of provisional ballots. The Board will certify the official results on Friday, November 20 at 9:00 a.m. Both meetings will take place at the Franklin County Board of Elections, 1700 Morse Road, and both meetings are open to the public.
