Franklin County Board of Elections and SWACO Offers Yard Sign Recycling Program

(Columbus) The Franklin County Board of Elections is again partnering with the Solid Waste Authority of Central Ohio (SWACO) to offer yard sign recycling November 3, 2026 General Election.

Beginning Wednesday, November 4, campaigns and members of the public may drop off yard signs in the designated recycling container located at the southeast corner of the Board of Elections parking lot located at 1700 Morse Road. The program will remain until the end of November.

"This program gives campaigns and residents a convenient way to recycle their yard signs after the election," said Antone White, Director of the Franklin County Board of Elections. "We appreciate SWACO's partnership and encourage everyone to use the designated container."
