Polling Location Change Notifications Mailed for November 3, 2026 General Election

Columbus, OH – The Franklin County Board of Elections is mailing polling location change notifications to 54,645 registered voters whose assigned polling location has changed for the November 3, 2026 General Election. Each notification identifies the voter’s assigned polling location and its address.

Franklin County will have 298 polling locations available for the General Election. Voters can verify their assigned location by using the My Registration feature at www.vote.franklincountyohio.gov or by calling the Franklin County Board of Elections at 614-525-3100.

“Check your polling location before heading out to vote, even if you have voted at the same place for years,” said Franklin County Board of Elections Director Antone White. “Review your mailed notification or check your voter record on our website so you know where to go on Election Day.”

The Franklin County Board of Elections will also place signs at former polling locations directing voters to their new polling location, including its name and address.

Early Voting Options

Franklin County voters can vote early in person at the Board of Elections, located at 1700 Morse Road, from October 6 through November 1. Through Wednesday, October 14, 22,436 Franklin County voters have cast their ballot at the Franklin County Early Voter Center.

The deadline to request an absentee ballot by mail is Tuesday, October 27 at 8:30 pm. Regular absentee ballots must be received by the Board on Election Day by 7:30 pm, whether returned by mail or in person. A postmark alone does not meet the ballot return deadline. A drive-up ballot drop-off tent is available for voters to conveniently return their ballot to bi-partisan election officials during normal business hours.

Election Day is Tuesday, November 3, 2026. Polls open at 6:30 a.m. and close at 7:30 p.m.
