### **Franklin County Board of Elections & SWACO Offers Yard Sign Recycling Program**

**(Columbus)** The Franklin County Board of Elections is pleased to once again partner with the Solid Waste Authority of Central Ohio (SWACO) and announce the return of its yard sign recycling program following the November 4<sup>th</sup> General Election.

Beginning Wednesday, November 5, the day after Election Day, a yard sign recycling container will be available on the southeast corner of the Board of Elections parking lot for convenient drop-off. The program will run through the end of November and is open to both campaign organizations and the general public.

“We’re delighted to offer this program again as a simple way for campaigns and voters to recycle responsibly,” said Antone White, Director of the Franklin County Board of Elections. “It’s a small but meaningful step in keeping our community clean after election season.”
