

Notice of Election on Proposition

R.C. 3501.11(G)

Notice is hereby given that in pursuance of a Resolution of the Township Trustees of Brown Township of Franklin County, Ohio, passed on the 3rd day of August, 2026, there will be submitted to a vote of the people of Brown Township at the General Election to be held at the regular places of voting on Tuesday, the 3rd day of November, 2026 the question of:

This Zoning Resolution is an exercise of the police power derived from Ohio Revised Code Chapter 519. The characteristic feature of the Zoning Resolution that distinguishes it from most other police power regulations is that its regulations may differ from zoning district to zoning district, rather than being uniform throughout Brown Township.

Despite this ability to differ in various zoning districts, the regulations are uniform for each class and kind of building within a zoning district. The purposes of this Zoning Resolution are accomplished by the division of Brown Township into zoning districts. Within each district, certain specified uses of land are allowed and the regulations pertaining to the development and use of the land and buildings are uniform for each class or kind of building.

To the extent possible, the zoning districts as delineated on the zoning district map shall be comprehensive in nature. Where ambiguous, the zoning districts and the fixing of their boundaries shall further be determined in accordance with the land use plans as such plans may exist at the time of determination, particularly the Brown Township Comprehensive Plan.

Shall the zoning plan for the unincorporated area of Brown Township as adopted by the board of township trustees be approved?

The polls for the election will be open at 6:30 a.m. and remain open until 7:30 p.m. on election day.

By order of the Board of Elections,
of Franklin County, Ohio.

Douglas J. Preisse
Chair

Antone White
Director
Dated 08/17/2026

1 This Notice shall be posted or published in accordance with the provisions of the law governing submissions of the proposition in question.
