Re: CORA PAC Filings

Dear Mr. Mackey:

Pursuant to your January 10, 2011 letter and our subsequent conversations, I have enclosed (and filed) a second amended 2010 Post General Report for the Central Ohio Restaurant Association Political Action Committee ("CORA-PAC"). The original Post General Report was filed 12-10-10. This second amended report is designed, in part, to address the Board's conditional acceptance and request for copies of cancelled checks from the Post General Report. One additional check out of the two outstanding checks requested has been cashed, cancelled and is attached hereto:

Check # 0108 – Spinelli's Deli (\$125.00)

The final check remains un-cashed and attempts to gain resolution have not been fruitful. Should this outstanding check be cashed, it will be reported as required.

This second amended report also reflects additional information that has come to light since the original and amended filings in the form of checks received during the 2010 Post General reporting period that were held and not cashed by the PAC until 2011. A misunderstanding as to when PAC contributions are reportable has been corrected, and I have been provided direct, online access to the PAC checking account in order to better monitor contribution income and statements.

Thank you for your ongoing assistance and guidance in insuring CORA-PAC compliance. Please advise me as to further action that is needed by the CORA-PAC.

Sincerely,

Thomas L. Hart
